**ADMIRALTY
NOTICE TO MARINERS.**

No. 721 of the year 1916.

ENGLAND AND WALES, SOUTH AND WEST COASTS.

Portland Bill to Bardsey Island—Traffic Regulations.

Former Notice.—No. 504 of 1916; hereby cancelled.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

I.—REGULATIONS RESPECTING SMALL CRAFT.

GENERAL REGULATIONS.

The following Regulations are to be complied with until further notice by all small steam, motor, sailing and pulling boats and vessels, including pleasure craft of all descriptions (but excluding bona-fide fishing craft which are specially provided for under Section II of this Notice), from Portland Bill on the east to Bardsey Island on the west.

2. Permits.—The owners of all such boats or vessels are to supply lists of all their boats and vessels which they may place afloat, and must obtain for each boat or vessel a permit from the Divisional Coast Watching Officer through the Station Officer of the nearest Coastguard Station. No boat or vessel is permitted to be used without a permit.

Amateur boat owners, or amateurs hiring boats for specified periods, must similarly obtain permits, and will be regarded, for the period of the permit and for the purpose of these Regulations, as the owners.

Permits may be withdrawn at any time at the discretion of the officer by whom they were issued. They must always be carried while under way, and may be regarded as being issued for the boat or vessel and not for the person using the boat or vessel, the owner being held responsible at all times for any infringement of the regulations contained in this

Notice. A distinguishing number or letter, corresponding with that on the permit, must be painted on each bow of the boat or vessel.

3. Navigational Directions.—Boats or vessels subject to this Notice are to comply strictly with the following navigational directions:—

(a) They are not to be under way at night, *i.e.*, between half an hour after sunset and half an hour before sunrise, or during fog, but are to remain at their moorings. If caught out by fog, they are to return to the shore at once.

(b) Subject to any special exceptions that have been or may hereafter be made, they are not to proceed to a distance of more than three miles in any direction from the port, creek or river to which they belong.

It must be further understood that no special protection can be afforded them.

SPECIAL REGULATIONS.

4. Small Rowing or Sailing Boats may be let out on hire to parties for whom the owners are prepared to be responsible, and while so hired shall be strictly subject to these Regulations. Great care must therefore be taken that they are only hired out to persons who are thoroughly acquainted with these Regulations, as any infringement of the orders will, among other penalties, lead to the detention of the offending boat.

5. Power-driven Boats not exceeding 24-feet in length or a carrying capacity of 12 passengers may be let out on hire on the same conditions as small rowing and sailing boats, but with the further restriction that, while so hired, they shall in no circumstances be under way outside the port, creek or river to which they belong.

6. Excursion Traffic, defined as advertised trips wholly or chiefly for the pleasure of the passengers, is allowed only within ports, creeks or rivers and by written permission of the Commander-in-Chief, Plymouth, which may be obtained through the District Coast Watching Officer. Such permission will only be given subject to compliance with the regulations in paragraph (3) (a) above, and provided that:—

(a) The entire trip is within the harbour.
