ADMIRALTY

NOTICE TO MARINERS.

No. 1079 of the year 1916.

SCOTLAND, EAST COAST.

Firth of Forth—Traffic Regulations.

Former Notice.—No. 899 of 1916: hereby cancelled.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regula-

tions, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in Force:—

Section I.

(1) Until further notice, the following Regulations are to be observed by all merchant vessels approaching or moving in the Firth of Forth (i.e., westward of a line joining Barns Ness and North Carr Rock).

(2) All orders and instructions given by the King's Harbour Master, or by any Patrol vessel, are to be implicitly obeyed, otherwise vessels will be liable to be fired upon.

Section II.

INSTRUCTIONS TO SHIPOWNERS, AGENTS, MASTERS, ETC.

(3) Shipowners, Agents, Masters of ships and other persons concerned are advised that, in their own interests and the interest of those whom they represent, they should assist in every possible way to conform to these Regulations.

(4) Shipowners and Agents must give not less than 24 hours' notice in writing to "The Trinity House, Leith," of the following particulars regarding vessels arriving, so that they may be readily identified:—

1. Name of vessel.
2. Nationality.
3. Nett tonnage.
4. Where from.
5. Where bound.
6. Nature of cargo.
7. Number of passengers.
8. Any particulars of appearance which might assist identification at sea.

NOTE.—If a vessel does not arrive within a reasonable time after this notice has been given, it will be presumed that she has either been diverted to another port, or sailing cancelled, and her name will be removed from the list of expected arrivals.

(5) Ships outward bound must time their departure so as to be clear of the Firth of Forth before the commencement of Official Night.

(6) Fishing boats' numbers are to be kept distinctly painted.

(7) No merchant vessel is permitted to be under way in the Firth of Forth to the westward of Inchkeith during the hours of "Official Night."

(8) No merchant vessel is permitted to enter or leave the Docks at Leith or Granton during the hours of "Official Night." Special arrangements, which are notified from time to time, are made for merchant vessels entering and leaving docks at ports East of Inchkeith.

(9)—(a) Whilst lying at anchor off Leith or Granton, vessels are to arrange for a night watch to be kept, with special orders to particularly observe the night signals shown by the Examination Vessel anchored in Leith Roads, in order that the "riding lights" for a ship at anchor, reduced in power and screened as prescribed in Admiralty Notice to Mariners No. 1030 of 1916, may be exhibited directly that vessel shows "Night Distinguishing Signals" (three Red lights vertical). See Section III.

Riding lights are to be kept trimmed, lit, and at hand where they are easily and quickly accessible when required.

(b) The side ladder and a boat should be kept ready for use. All boats are to be kept hoisted close up to the davits during the hours of Official Night.

(c) The wireless room is to be locked, and no wireless messages are to be taken or despatched whilst the ship is in the Firth of Forth.

(d) No lights are to be visible from outboard other than navigation lights. Scuttles and skylights are to be effectively screened, or cabin lights kept extinguished.

(e) Anchors lights are not to be exhibited when off Leith or Granton, unless the "Night Distinguishing Signal" (three Red lights hoisted vertically) is shown by the Examination Vessel.

The Examination Vessel anchored in Leith Roads will only show this signal on occasions when it is considered necessary by the Deputy Examining Officer.

Vessels at anchor off Leith or Granton should keep a smart look-out, and when the "Night Distinguishing Signal" is shown by the Examination Vessel are immediately to exhibit the customary "riding lights" of a ship at anchor, reduced in power and screened as prescribed in Admiralty Notice to Mariners No. 1030 of 1916.

(f) Merchant vessels berthed in Leith and Granton docks and harbours are prohibited from having any lights visible from outward during the hours of "Official Night," unless such vessel is actually engaged in working cargo. All such lights are to be screened from overhead and from seaward when possible.

(g) Navigation lights are to be kept well trimmed and burning brightly when inside the Firth of Forth if under way. Electric Navigation lights are prohibited.

(10) When inward bound, the National Colours and number (or distinguishing signal) are to be hoisted on passing May island, and kept flying until the vessel docks.

(11) Care is to be taken that all flags displayed are showing clearly. If the weather is calm any flag signal which the vessel is ordered by an Examination Steamer to hoist should be shaken out so as to render it readily distinguishable.

(12) As little smoke as possible is to be allowed to escape from the funnels, and care is to be taken that neither lights nor flags are obscured by it.

(13) During thick or foggy weather, all mercantile traffic is to cease. Mercantile traffic is also to cease on all occasions when the Firth of Forth has been declared "Closed" by the King's Harbour Master.

(14) The Firth of Forth is always "Closed" during Official Night.

Section III.

DISTINGUISHING SIGNALS OF EXAMINATION STEAMERS.

(15) Armed Examination steamers will be found at the Examination Station (*see* Section VII) and also at the Examination Anchorage, and will be distinguished by the following means.

Each Examination Steamer will be distinguished as follows:—

By Day.—At the foremost head the special pilot flag (white and red horizontal, surrounded by a blue border). When the Firth of Forth is "Closed" three Red balls vertical will be hoisted in addition.

By Night.—Three red lights vertically 6 feet apart, conspicuously displayed at the end of a yard so as to show an unbroken light round the horizon.

Masters of merchant vessels must approach these vessels with care, and see that when stopped they are in a favourable position for the Boarding Officer coming alongside, and that a boat-rope and side-ladder are in position.

Section IV.

NAVIGATION IN THE FIRTH OF FORTH.

(16) All merchant vessels are only permitted to enter the Firth of Forth when they have sufficient daylight to enable them to reach Inchkeith before the close of Official Day except such vessels mentioned in Clause 24 of this Section.

(17) Vessels must pass between Isle of May and Anstruther Wester, thence they must steer a course so as to pass 2 miles south of Elieness, and within half a mile to the southward of a green buoy in latitude 56° 09' N., longitude 2° 51' W., thence direct for Kinghorn ness.

(18) Vessels after entering the Firth of Forth must on no account pass to the southward of a line joining the north point of the Isle of May and Kinghorn ness until in the longitude of 3° 00' W., when course may be shaped for the Examining Station.

(19) No vessel is permitted to enter the Firth of Forth between the Isle of May and the south shore of the Firth of Forth.

(20) Merchant vessels approaching the Firth of Forth during the hours of darkness are to maintain a steady course and speed, and are to so arrange their speed that they shall not reach the Isle of May before "Official Day," and will thus avoid having to reduce speed or stop in the vicinity of the Isle of May, where they may render themselves liable to be fired upon by shore batteries or patrol boats.

(21) All merchant vessels are forbidden to enter the Firth of Forth during the hours of "Official Night" or during thick or foggy weather except such vessels provided for in Clause 24 of this section.

(22) All merchant vessels entering the Firth of Forth are to proceed to the Examining Station to be passed by the Examining Officer and given the "Special Signal" before proceeding to any port in the Firth of Forth. On arrival at the Examining Station they are to "heave to" and await instructions from the Examination Steamer. If then ordered to the Examination Anchorage, they are to proceed there, anchor, and await further instructions. In the meantime they are to hold no communication with any other merchant vessel or with the shore without permission.

(23) If they arrive during the hours of "Official Night" or in thick or foggy weather, they must anchor outside the limits of the Firth of Forth (*see* definition of limits in Section I.), except as provided for in clause (24).

(24) Sailing ships and other small vessels which are forced to seek shelter owing to weather conditions, and arrive during the hours of "Official Night," will be anchored in the most convenient position by orders of a patrol vessel until the weather moderates.

Section V.

VESSELS LEAVING THE FIRTH OF FORTH.

(25) Merchant vessels must on no account leave the Firth of Forth without first obtaining a "Port Clearance" from the Collector of Customs at the port of departure.

(26) No merchant vessels are permitted to leave the Firth of Forth—

(a) During the hours of "Official Night";

(b) If sufficient daylight is not left to enable them to clear the Isle of May before dark; or

(c) When the Firth of Forth is "closed," except with the permission of the Commander-in-Chief, Rosyth, which must be obtained through the King's Harbour Master, Rosyth.

(27) When the Firth of Forth is "Open" to the traffic of merchant shipping the following signal will be displayed at the various ports east of Oxcars:—

One Red ball, indicating that merchant vessels anchored in the roads off any port are at liberty to proceed.

No merchant vessel is to proceed until one Red ball is hoisted as follows:—

Leith.—From the Examination Steamer anchored in the Examination Anchorage.

Inchkeith.—From the Flagstaff at the Signal Station.

Burntisland.—From the Middle Light-house.

Kirkcaldy.—From the Flagstaff at the Harbour Master's Office.

Methil.—From a Flagstaff at the Dock Gate.

Wemyss.—At the entrance to Wemyss Harbour.

Dysart.—From the East Pier at the entrance to Dysart Harbour.

Granton.—From Flagstaff at Central Pier.

The Licensed Trinity Pilot in charge of a merchant vessel will be held personally responsible that such vessel does not leave her anchorage until the above-mentioned signal is hoisted.

The Red ball will be hoisted at the commencement of "Official Day" if the Firth of Forth is not "Closed" for any reason, and will be hauled down at the commencement of "Official Night."

Note.—It will be hauled down on all occasions when the Firth of Forth is "Closed" to merchant shipping traffic by order of the King's Harbour Master, Rosyth, and will be rehoisted by order of the King's Harbour Master, Rosyth, when the Firth of Forth is "Opened" again to mercantile traffic.

Section VI.

SIGNALS INDICATING FIRTH OF FORTH "CLOSED."

(28) Whenever the Firth of Forth is "Closed" during the day the following signals will be displayed:—

Three Red balls vertical will be hoisted by each Examination Steamer and also at Inch-

keith and at the principal ports in the Firth of Forth.

The single Red ball which is hoisted at the principal ports in the Firth of Forth east of Oxcars, to indicate that the Firth of Forth is "Open," will at the same time be hauled down.

Note.—By night the Firth of Forth is closed to all mercantile shipping, except as provided for in Clause (24).

Section VII.

POSITION OF THE EXAMINING STATION.

(29) The Examination Station is in latitude $56^{\circ} 04' N.$, longitude $3^{\circ} 04' W.$

(30) Vessels are not under any circumstances to attempt to pass in from the Examining Station without obtaining permission from the Examination Steamer, or to leave the Examination Anchorage, or to communicate with the shore or any other vessel, without first obtaining permission from the Examination Vessel.

(See Appendix "A," "Warnings to Masters.")

Section VIII.

PILOTS AND PILOTAGE.

(31) It will be compulsory for all vessels to have a licensed pilot on board when navigating the Firth of Forth.

Incoming vessels will pick up the pilot from the Pilot Vessel which will be found in the vicinity of the Examining Station during the hours of "Official Day."

Outward-bound vessels from ports west of Inchkeith are to proceed to the Examining Station and discharge their pilot there. Outward-bound vessels from ports east of Inchkeith will discharge their pilots when the main route channel is reached, whence the Masters will receive detailed instructions from the pilot how they are to proceed.

Section IX.

CAUTION AS TO ANCHORING.

(32) No merchant vessel will be permitted to anchor within the limits of the Firth of Forth, except as hereinafter stated, unless—

(a) To avoid, or after, an accident;

(b) Her further progress is prevented by unforeseen circumstances;

(c) During thick or foggy weather.

When anchoring, care must be taken to be well clear of the fairway.

(33) If a vessel has to anchor for any of the reasons shown (a, b, or c, above) she is to hoist "Not under control" signals, and keep them displayed so long as she remains at anchor.

(34) Merchant vessels, after passing the Examination Steamer, may proceed during the hours of "Official Day" to anchor off the port of destination, if other than Leith or Granton, in charge of a pilot, on the understanding that they are to dock on the next succeeding tide unless prevented by weather or other conditions beyond their control.

The pilot in charge of the vessel is responsible that no contravention of the Traffic Regulations of the Firth of Forth occur during this period. Such a vessel is to show by night the ordinary riding lights of a ship at anchor unless ordered

to the contrary. Electric navigation lights are prohibited. Anchor lights are to be reduced in power and screened as prescribed in Admiralty Notice to Mariners No. 1030 of 1916.

If, whilst a merchant vessel is lying at anchor off any port east of Oxcars in the Firth of Forth, the weather conditions become so unfavourable as to jeopardise the safety of the vessel in the position in which she is then lying, the pilot may use his discretion and get under way to proceed under the lee of Inchkeith in the case of easterly gales, and to Kirkcaldy in the case of westerly gales.

In doing this, he is responsible that the vessel carries navigation lights, proceeds at slow speed, and keeps out of the fairway.

Section X.

PATROL OF INTERNAL WATERWAYS AND APPROACHES TO THE FIRTH OF FORTH.

(35) The Firth of Forth, as well as the approaches thereto, will be patrolled by Naval Patrol Boats or other Government vessels.

Masters of merchant vessels and persons in charge of small craft are hereby warned to observe any orders which may be given by the naval patrols.

Merchant vessels and small craft will be subject to inspection and search, and will be liable to be fired upon in the event of disobedience to the orders given them by the patrols.

They also render themselves liable to be prosecuted under the Defence of the Realm (Consolidated) Act, 1914.

Section XI.

MERCHANT VESSELS TO FLY THEIR COLOURS, &c.

(36) All merchant vessels which are within the limits of the Firth of Forth must—

(a) Keep their colours flying day and night.

(b) Keep their commercial code number flying from sunrise to sunset.

(c) Show the regulation navigation lights by night unless ordered to the contrary. (See Section II., clause 9.)

Section XII.

ORDINARY NAVIGATION RULES TO BE ADHERED TO.

(37) The ordinary rules for the navigation and safe conduct of ships are to be adhered to in the Firth of Forth, except as far as they are affected by these Regulations.

Nothing in these Regulations will exonerate the owner, master, or agent of any ship from any neglect of the ordinary rules for the navigation and safe conduct of ships.

APPENDIX A.

WARNINGS TO MASTERS OF VESSELS IN THE FIRTH OF FORTH.

1. You are to strictly obey all orders given you by the officer who boards you, or by the King's Harbour Master or his representative.

2. When in the Examination Anchorage, or lying off any port in the Firth of Forth below the Forth Bridge, waiting to dock, or for "Official Day" after undocking during the night, or when at anchor in consequence of fog, &c., you are forbidden, except in emergency which you will be called upon to prove, to lower

any boats or to communicate with the shore, or to work the cables, or to move the ship, or to allow anyone to leave the ship without permission "of the Deputy Examining Officer, if anchored off Leith, or the Port Authority of Ports other than Leith in the Firth of Forth." You are also to keep your National Colours and the Signal Letters of your ship's name flying day and night.

3. Before leaving any port or anchorage in the Firth of Forth you must obtain permission from the proper authorities (see Section V, clause 25).

4. The use of wireless telegraphy is prohibited. You are to forthwith lower all aerial wires, and disconnect them from their halliards and from the operating room. They are not to be rehoisted whilst your ship is in British territorial waters, except by special permission from the Admiralty as laid down in Section V, "Instructions for Owners and Masters of British Merchant Ships, &c."

5. To communicate with the Port Authorities, hoist flags J.G.C. by day, or lights Red, White, Red, vertically, by night.

Note.

This Notice is a revision of Notice No. 899 of 1916.

Caution.

Any person found guilty of such an offence is liable to severe penalties both of imprisonment and fine.

Any person aiding or abetting the commission of such an offence is himself guilty of an offence against the Regulations.

Attention is also drawn to the fact that any infringement of the directions contained in this Admiralty Notice to Mariners is liable to result in the detention of the ship or vessel.
