Ministry of Munitions.

9th May, 1917.

ORDER OF THE MINISTER OF MUNITIONS, DATED 9TH MAY, 1917.

TAKING POSSESSION OF ROAD STONE QUARRIES IN THE UNITED KINGDOM.

Whereas under Regulation 9 GG. of the Defence of the Realm Regulations (which was inserted in those regulations by Order in Council dated the 13th day of March, 1917, and is set out at the foot of this Order), the Minister of Munitions has power to apply that regulation to any quarries:

Now, therefore, the Minister of Munitions, being of opinion that, for securing the public safety and the defence of the realm, it is expedient that the said regulation should be applied to all road stone quarries in the United Kingdom, in the exercise of his powers under the said regulation, hereby orders that from and after the date of this order and until further notice Regulation 9 GG. of the Defence of the Realm Regulations shall be applied to all road stone quarries throughout the United Kingdom of Great Britain and Ireland.

Regulation 9 GG. "(1) Where the Minister of Munitions is of opinion that for securing the public safety and the defence of the realm it is expedient that this regulation should be applied to any metalliferous mines, or to any mines of stratified iron stone, shale, or fire clay, not being coal mines, or to any quarries, he may by order apply this regulation, subject to any exceptions for which provision may be made in the order, to all or any of such mines or quarries, either generally or in any special area, or to any special mine or quarry.

"(2) Any mine or quarry to which this regulation is so applied shall by virtue of the order pass into the possession of the Minister of Munitions as from the date of the order, or from any later date mentioned in the order; and the owner, agent, and manager of every such mine or quarry and every officer thereof, and where the owner of the mine is a company, every director of the company, shall comply with the directions of the Minister of Munitions as to the management and user of the mine or quarry, and if he fails to do so he shall be guilty of a summary offence against these regulations.

"(3) It is hereby declared that the possession by the Minister of Munitions under this regulation of any mine or quarry shall not affect any liability of the actual owner, agent or manager of the mine or quarry under the Coal Mines Act, 1887 to 1914, or the Metalliferous Mines Regulation Acts, 1872 and 1875, or the Quarries Act, 1894, or the Factory and Workshop Act, 1901, or any Act amending the same.

"(4) Any order of the Minister of Munitions under this regulation may be revoked or varied as occasion requires."
