**ORDER OF THE MINISTER OF MUNITIONS TAKING POSSESSION OF ALL IRON ORE MINES IN THE COUNTIES OF CUMBERLAND AND LANCASTER.**

Whereas under Regulation 9GG of the Defence of the Realm Regulations (which was inserted in those Regulations by Order in Council dated the 13th day of March, 1917, and is set out at the foot of this Order), the Minister of Munitions has power to apply that regulation to any metalliferous mines, or to any mines of stratified iron stone, not being coal mines:

Now, therefore, the Minister of Munitions, being of opinion that for securing the public safety and the defence of the realm, it is expedient that the said regulation should be applied to all iron ore mines in the counties of Cumberland and Lancaster, in the exercise of his powers under the said regulation and all other powers enabling him in that behalf, hereby orders that from and after the 24th day of July, 1917, and until further notice, Regulation 9GG of the Defence of the Realm Regulations shall be applied to all iron ore mines in the counties of Cumberland and Lancaster.

9GG (1) Where the Minister of Munitions is of opinion that for securing the public safety and the defence of the realm it is expedient that this regulation should be applied to any metalliferous mines, or to any mines of stratified iron stone, shale, or fire clay, not being coal mines, or to any quarries, he may by order apply this regulation, subject to any exceptions for which provisions may be made in the order, to all or any of such mines or quarries, either generally or in any special area, or to any special mine or quarry.
