3. Where in any action or other proceeding no final judgment can be duly given in consequence of a difference of opinion between the judges the final judgment may be entered *pro forma* on the application of any party to such action or other proceeding according to the opinion of the Chief Justice or, in his absence, of the Senior Puisne Judge of the Court, but such judgment shall only be deemed final for purposes of an Appeal therefrom, and not for any other purpose.

4. Applications to the Court for leave to appeal shall be made by motion or petition within 3 months from the date of the judgment to be appealed from, and the applicant shall give the opposite party notice of his intended application.

5. Leave to appeal under Rule 2 shall only be granted by the Court in the first instance:—

(a) upon condition of the Appellant, within a period to be fixed by the Court, but not exceeding 3 months from the date of the hearing of the application for leave to appeal, entering into good and sufficient security, to the satisfaction of the Court, in a sum not exceeding £500 for the due prosecution of the Appeal, and the payment of all such costs as may become payable to the Respondent in the event of the Appellant's not obtaining an order granting him final leave to appeal, or of the Appeal being dismissed for non-prosecution, or of His Majesty in Council ordering the Appellant to pay the Respondent's costs of the Appeal (as the case may be); and

(b) upon such other conditions (if any) as to the time or times within which the Appellant shall take the necessary steps for the purpose of procuring the preparation of the Record and the despatch thereof to England as the Court, having regard to all the circumstances of the case, may think it reasonable to impose.

6. Where a judgment appealed from requires the Appellant to pay money or perform a duty, the Court shall have power, when granting leave to appeal, either to direct that the said judgment shall be carried into execution, or that the execution thereof shall be suspended pending the Appeal, as to the Court shall seem just, and in case the Court shall direct the said judgment to be carried into execution, the person in whose favour it was given shall, before the execution thereof, enter into good and sufficient security, to the satisfaction of the Court, for the due performance of such Order as His Majesty in Council shall think fit to make thereon.

7. The preparation of the Record shall be subject to the supervision of the Court, and the parties may submit any disputed question

arising in connexion therewith to the decision of the Court, and the Court shall give such directions thereon as the justice of the case may require.

8. The Registrar, as well as the parties and their legal agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and generally to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be copied or printed shall be enumerated in a list to be placed after the index or at the end of the Record.

9. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, the Record as finally printed (whether in Nigeria or in England) shall, with a view to the subsequent adjustment of the costs of and incidental to such document, indicate in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

10. The Record shall be printed in accordance with the Rules set forth in the Schedule hereto. It may be so printed either in Nigeria or in England.

11. Where the Record is printed in Nigeria the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof, and by affixing thereto the seal of the Court.

12. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by or on behalf of the parties to the Appeal.

13. Where part of the Record is printed in Nigeria and part is to be printed in England, rules 11 and 12 shall, as far as practicable, apply to such parts as are printed in Nigeria and such as are to be printed in England respectively.

14. The reasons given by the Judge, or any of the Judges, for or against any judgment pronounced in the course of the proceedings out of which the Appeal arises, shall by such Judge or Judges be communicated in writing to the Registrar, and shall by him be transmitted to the Registrar of the Privy Council at the same time when the Record is transmitted.

15. Where there are two or more applications for leave to appeal arising out of the same matter, and the Court is of opinion that it would be for the convenience of the Lords of the Judicial Committee and all parties concerned that the Appeals should be consolidated, the Court may direct the Appeals to be consolidated, and grant leave to appeal by a single order.

16. An Appellant, who has obtained an order granting him conditional leave to appeal may at any time prior to the making of an order granting him final leave to appeal withdraw his Appeal on such terms as to costs and otherwise as the Court may direct.

17. Where an Appellant, having obtained an order granting him conditional leave to appeal, and having complied with the conditions imposed on him by such order, fails thereafter to apply with due diligence, to the Court for an order granting him final leave to appeal, the Court may, on an application in that behalf made by the Respondent, rescind the order granting conditional leave to appeal, notwithstanding the Appellant's compliance with the conditions imposed by such order, and may give such directions as to the costs of the Appeal and the security entered into by the Appellant as the Court shall think fit, or make such further or other order in the premises as, in the opinion of the Court, the justice of the case requires.

18. On an application for final leave to appeal the Court may inquire whether notice, or sufficient notice, of the application has been given by the Appellant to all parties concerned, and, if not satisfied as to the notices given, may defer the granting of the final leave to appeal, or may give such other directions in the matter as, in the opinion of the Court, the justice of the case requires.

19. An Appellant who has obtained final leave to appeal, shall prosecute his Appeal in accordance with the Rules for the time being regulating the general practice and procedure in Appeals to His Majesty in Council.

20. Where an Appellant, having obtained final leave to appeal, desires, prior to the despatch of the Record to England, to withdraw his Appeal, the Court may, upon an application in that behalf made by the Appellant, grant him a certificate to the effect that the Appeal has been withdrawn, and the Appeal shall thereupon be deemed, as from the date of such certificate, to stand dismissed without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

21. Where an Appellant, having obtained final leave to appeal, fails to show due diligence in taking all necessary steps for the purpose of procuring the despatch of the Record to England, the Respondent may, after giving the Appellant due notice of his intended application, apply to the Court for a certificate that the Appeal has not been effectually prosecuted by the Appellant, and if the Court sees fit to grant such a certificate, the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

22. Where at any time between the order granting final leave to appeal and the despatch of the Record to England the Record becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, notwithstanding the order granting final leave to appeal, on an application in that

behalf made by any person interested, grant a certificate showing who, in the opinion of the Court, is the proper person to be substituted or entered on the Record in place of, or in addition to, the party who has died or undergone a change of status, and the name of such person shall thereupon be deemed to be so substituted or entered on the Record as aforesaid without express Order of His Majesty in Council.

23. Where the Record subsequently to its despatch to England becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court shall, upon an application in that behalf made by any person interested, cause a certificate to be transmitted to the Registrar of the Privy Council showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died or undergone a change of status.

24. The Case of each party to the Appeal may be printed either in Nigeria or in England, and shall, in either event, be printed in accordance with the Rules set forth in the Schedule hereto, every tenth line thereof being numbered in the margin, and shall be signed by at least one of the Counsel who attends at the hearing of the Appeal, or by the party himself if he conducts his Appeal in person.

25. The Case shall consist of paragraphs numbered consecutively, and shall state as concisely as possible the circumstances out of which the Appeal arises, the contentions to be urged by the party lodging the same, and the reasons of appeal.

Reference by page and line to the relevant portions of the Record as printed shall, as far as practicable, be printed in the margin, and care shall be taken to avoid, as far as possible, the reprinting in the Case of long extracts from the Record. The Taxing Officer, in taxing the costs of the Appeal, shall, either of his own motion or at the instance of the opposite party, inquire into any unnecessary prolixity in the Case, and shall disallow the costs occasioned thereby.

26. Where the Judicial Committee directs a party to bear the costs of an Appeal incurred in Nigeria, such costs shall be taxed by the proper Officer of the Court in accordance with the Rules for the time being regulating taxation in the Court.

27. The Court shall conform with, and execute, any Order which His Majesty in Council may think fit to make on an Appeal from a Judgment of the Court in like manner as any original Judgment of the Court should or might have been executed.

28. Nothing in these Rules contained shall be deemed to interfere with the right of His Majesty, upon the humble petition of any person aggrieved by any Judgment of the Court, to admit his Appeal therefrom upon such conditions as His Majesty in Council shall think fit to impose.

At the Court at *Buckingham Palace*, the 22nd day of *August*, 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the 3rd and 4th years of Her late Majesty Queen Victoria, Chapter 113, Section 66, and of an Act of the 4th and 5th years of Her said late Majesty, Chapter 39, Section 20, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 26th day of July, in the year 1917, in the words and figures following, that is to say:—

“ We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 3rd and 4th years of Her late Majesty Queen Victoria, Chapter 113, Section 66, and of the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, Section 20, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for regulating the incomes of the Canons of the Cathedral and Metropolitan Church of York :

“ Whereas in addition to certain Residences situate within the precincts of the Cathedral Church, and to two estates known respectively as Saint Peter's Estate, and the Fabric Estate, the revenues from which are appropriated exclusively to the maintenance of the services in the Cathedral Church, and to the repair of the fabric thereof, the Dean and Chapter of the Cathedral and Metropolitan Church of Saint Peter at York are endowed with an annual payment of £25 made by us, the said Ecclesiastical Commissioners, under an Order of Her said late Majesty in Council made the 8th day of February, 1855, and published in the London Gazette on the 16th day of February, 1855, and with certain lands tenements and hereditaments transferred to them by us, the said Ecclesiastical Commissioners, under and by virtue of an Order of Her said late Majesty in Council made on the 19th day of July, 1862, and published in the London Gazette on the 25th day of the same month, which lands tenements and hereditaments were at the time of such transfer calculated to yield a net annual income of £4,410 :

“ And whereas by the said Section 66 of the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, as amended by Section 20 of the said Act of the 4th and 5th years of Her said late Majesty, Chapter 39, it is provided that by a Scheme of us, the said Ecclesiastical Commissioners, ratified by Order of Your Majesty in Council in the manner in the said Acts contemplated, such annual sums may be determined on to be paid, and shall accordingly be paid, by us, the said Ecclesiastical Commissioners, as after due enquiry and a calculation of the average annual revenues of the said Dean and Chapter shall give to each of the Canons of the said Cathedral Church an average annual income of £500, and that it shall be lawful by

such Scheme and Order in Council to carry such purpose into effect by any mode of payment contribution augmentation or endowment which may be deemed fit, and that the scale of payments and receipts may from time to time in any case be revised and if need be varied by the like Authority of Scheme and Order in Council so as to preserve as nearly as may be the intended average annual incomes respectively, but not so as to affect any Canon in possession at the time of making any such variation:

"And whereas it has been made to appear to us, the said Ecclesiastical Commissioners, that the share of the annual income derived from the said annual payment of £25, and from the estates transferred by us as aforesaid, and applicable to the payment of the incomes of the four Canons has not in fact been sufficient to provide the said average annual income of £500, and that for many years past the average annual income of each of the Canons of the said Cathedral Church has been less than that amount, and we have satisfied ourselves after due enquiry and consideration that the arrangements hereinafter recommended and proposed should be adopted for regulating such incomes:

"Now, therefore, with the consent of the Dean and Chapter of the Cathedral and Metropolitan Church of York in their corporate capacity (testified by the Corporate Seal of the Dean and Chapter affixed to this Scheme) and with the consent of the Reverend John Watson, the Reverend George Austen, the Reverend Albert Darrell Tupper Carey and the Reverend Charles Carlyle Bell, the four present Canons of the said Cathedral and Metropolitan Church, testified by their having respectively signed and sealed this Scheme, we humbly recommend and propose that there shall be delivered to us by the said Dean and Chapter in respect of the year ending the 29th day of September, 1916, and in respect of every succeeding year immediately after the annual audit to be made not later than the 30th day of November in each year of the accounts of the Dean and Chapter of the said Cathedral and Metropolitan Church, correct accounts in writing, in such form and verified to our satisfaction in such manner as we shall from time to time direct, of all the revenue and expenditure of the said Dean and Chapter of the said Cathedral and Metropolitan Church other than the revenue and expenditure of the said Saint Peter's Estate, and Fabric Estate, and in particular showing every sum of money, from whatsoever source arising, which in accordance with the statutes and usages of the said Cathedral and Metropolitan Church, or the Chapter thereof, shall have been paid in the same year out of the revenues of the Dean and Chapter to each of the Canons of the said Cathedral and Metropolitan Church, which payments in the year shall be deemed to have been made in respect of the income of each such Canon for the same year ending the 29th day of September, and that when it shall appear by any such account that the amount paid to any Canon for the time being in respect of the income of his Canonry for the year is less than the sum of £500 then and in every such case there shall be paid by us forthwith to the said Dean and Chapter, on account of such Canon for the time being, such a sum of money as shall make up the deficiency; and such payment by us shall be a good and sufficient discharge of

any claim which such Canon may have on us in respect of the average annual income to which he may be entitled for the same year under the provisions of the said Acts and of any Order of Your Majesty in Council ratifying this Scheme: Provided always that if at any time it shall appear by any such accounts that the amount so paid out of the revenues of the said Dean and Chapter to any Canon for the time being in respect of the income of his Canonry for the year exceeds the sum of £500 then and in every such case the amount of such excess shall be paid by the Dean and Chapter or by such Canon to our credit at the Bank of England, and that upon any account so delivered being examined and approved by two of our joint Treasurers or by our Accountant for the time being, their or his receipt for the amount of any such excess shall be given to the said Dean and Chapter, and shall be a good and sufficient discharge for the sum so paid and for any claim which we may have on the said Dean and Chapter or any such Canon under this provision of this Scheme: Provided further that the income of £500 for each Canon shall be deemed to be accruing from day to day and shall be apportionable accordingly as between any Canon or the Representatives of any Canon and the Successor of such Canon in the event of any Canonry becoming vacant on any day other than the 29th day of September in any year.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the said Cathedral and Metropolitan Church, or the Dean and Canons thereof, in conformity with the provisions of the said Acts, or either of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the Diocese of York.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 22nd day of *August*, 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 8th and 9th years of Her late Majesty Queen Victoria, Chapter 70, of the Act of the 14th and 15th years of Her said late Majesty, Chapter 97, and of the Act of the 19th and 20th years of Her said late Majesty, Chapter 55, duly prepared, and laid before His

Majesty in Council, a Representation, bearing date the 26th day of July, in the year 1917, in the words and figures following, that is to say:—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 8th and 9th years of Her late Majesty Queen Victoria, Chapter 70, of the Act of the 14th and 15th years of Her said late Majesty, Chapter 97, and of the Act of the 19th and 20th years of Her said late Majesty, Chapter 55, have prepared, and now humbly lay before Your Majesty in Council, the following Representation as to the assignment of a Consolidated Chapelry to the Consecrated Church of Saint John the Baptist, situate within the New Parish (sometime District Chapelry) of Saint Mark, North End, Portsea, in the County of Southampton, and in the Diocese of Winchester:

“Whereas at certain extremities of the said New Parish of Saint Mark, North End, Portsea, and of the New Parish (sometime District Chapelry) of All Saints, Portsea, in the said County and Diocese, which said extremities lie contiguous one to another, and are described in the Schedule hereunder written, there is collected together a population which is situate at a distance from the several Churches of such New Parishes:

“And whereas it appears to us to be expedient that certain contiguous portions (being the portions containing the population aforesaid) of the said New Parish of Saint Mark, North End, Portsea, and of the said New Parish of All Saints, Portsea, should be formed into a Consolidated Chapelry for all ecclesiastical purposes, and that the same should be assigned to the said Church of Saint John the Baptist, situate as aforesaid:

“Now, therefore, with the consent of the Right Reverend Edward Stuart, Bishop of Winchester, as such Bishop, and with the consent of the Reverend Cyril Forster Garbett, Clerk in Holy Orders, an Honorary Canon of the Cathedral Church of Winchester, and the Vicar or Incumbent of the Vicarage of the Parish of Portsea, in the said County and Diocese, and as such Vicar or Incumbent the Patron as well of the Vicarage of the said New Parish of Saint Mark, North End, Portsea, as of the Vicarage of the said New Parish of All Saints, Portsea, (in testimony whereof they the said consenting parties have respectively signed and sealed this Representation), we, the said Ecclesiastical Commissioners for England, humbly represent that it would, in our opinion, be expedient that all those contiguous portions of the said New Parish of Saint Mark, North End, Portsea, and of the said New Parish of All Saints, Portsea, which are described in the Schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the *Map or Plan* hereunto annexed, should be united and formed into one Consolidated Chapelry for the said Church of Saint John the Baptist, situate as aforesaid, and that the same should be named ‘The Consolidated Chapelry of Saint John, Rudmore, Portsea.’

“We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal Consideration, and to make such Order in respect thereto as to Your Majesty, in Your Royal Wisdom, shall seem meet.

“The SCHEDULE to which the foregoing Representation has reference.

“The Consolidated Chapelry of Saint John, Rudmore, Portsea, comprising:—

“1. All that portion of the New Parish (sometime District Chapelry) of Saint Mark, North End, Portsea, in the County of Southampton, and in the Diocese of Winchester, which is bounded upon the north-west by the Parish Boundary in the middle of the channel known as Portchester Lake, upon the south and upon the south-east by the New Parish (sometime District Chapelry) of All Saints, Portsea, in the said County and Diocese, and upon the remaining sides, that is to say, upon the east and upon the north-east, by an imaginary line commencing upon the boundary which divides the said New Parish of All Saints, Portsea, from the said New Parish of Saint Mark, North End, Portsea, at the junction of the road called Kingston Crescent with Mills Road, and extending thence northward along the middle of Mills Road for a distance of $7\frac{1}{2}$ chains or thereabouts to its junction with the road connecting it with Twyford Avenue almost opposite to the wall or fence forming the eastern boundary of the houses and premises situate on the eastern side of Stamshaw Road, and extending thence, first north-westward to the said wall or fence, and then first northward, and then in various directions, along such wall or fence for a distance in all of $2\frac{1}{2}$ chains or thereabouts to its northern end on the southern side of Seagrove Road, and extending thence, first north-eastward to, and then north-westward along, the middle of Seagrove Road for a distance in all of $1\frac{1}{2}$ chains or thereabouts to its junction with Stamshaw Road, and extending thence north-westward and in a straight line for a distance of 1 chain or thereabouts to the southern end of the fence forming the eastern boundary of the house and premises known as Number 76, Twyford Avenue, and extending thence, first northward, then eastward, and then north-eastward, along the wall or fence forming the eastern boundary of the houses and premises situate on the eastern side of Twyford Avenue for a distance of $4\frac{1}{2}$ chains or thereabouts to the point where such wall or fence meets the wall or fence forming the southern boundary of the houses and premises situate on the southern side of Derby Road, and extending thence, first westward, then northward, and then again westward, along the last-mentioned wall or fence for a distance of 2 chains or thereabouts to the point where it meets the eastern side of Twyford Avenue, and extending thence, first westward to, and then northward along, the middle of Twyford Avenue for a distance in all of $1\frac{1}{2}$ chains or thereabouts to its junction with Derby Road, and extending thence eastward along the middle of Derby Road for a distance of $1\frac{1}{2}$ chains or thereabouts to a point opposite to the southern end of the wall or fence forming the eastern boundary of the houses and premises situate on the eastern side of Twyford Avenue, and extending thence, first northward to such wall or fence, and then first northward, then eastward, then again northward, then westward, and then again northward, along the same wall or fence for a distance in all of $4\frac{1}{2}$ chains or thereabouts to the point where it meets the southern side of St. Mark's Road and extending thence northward and in a straight line across St. Mark's Road for a distance of 13 yards or thereabouts to the point

"II. And also all that contiguous portion of the said New Parish of All Saints, Portsea, which is bounded upon the north and upon the north-east by the above described portion of the said New Parish of Saint Mark, North End, Portsea, and upon the remaining sides, that is to say, upon the east and upon the south-west, by an imaginary line commencing upon the boundary which divides the said New Parish of Saint Mark, North End, Portsea, from the said New Parish of All Saints, Portsea, at the junction of Rudmore Road with Commercial Road, and extending thence southward along the middle of Commercial Road for a distance of $2\frac{1}{4}$ chains or thereabouts to its junction with Watergate Road, and extending thence north-westward along the middle of Watergate Road for a distance of $3\frac{1}{2}$ chains or thereabouts to its western end, and continuing thence north-westward in precisely the same direction and in a straight line (thereby crossing the channel known as Rotten Row Lake) for a distance of $20\frac{3}{4}$ chains or thereabouts to the boundary which divides the said New Parish of All Saints, Portsea, from the said New Parish of Saint Mark, North End, Portsea."

And whereas the said Representation has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

GENERAL ORDER OF THE LOCAL GOVERNMENT BOARD.

ORDER under the Defence of the Realm Regulations.

THE LOCAL AUTHORITIES (FOOD CONTROL) ORDER (No. 2), 1917.

To the Mayor, Aldermen, and Commons of the City of London, in Common Council assembled;—

To the Councils of the several Metropolitan Boroughs, Municipal Boroughs, and other Urban Districts in England and Wales;—

To the Councils of the several Rural Districts in England and Wales;—

To the Council of the Isles of Scilly;—

And to all others whom it may concern.

Whereas by Regulation numbered 2J. of the Defence of the Realm Regulations it is among other things provided that We, the Local Government Board, may, by arrangement with the Food Controller, confer and impose on any local authorities and their officers any powers and duties in connection with the enforcement of certain of the Defence of the Realm Regulations, and any powers and duties necessary to provide for the due discharge of any functions assigned to local authorities by any Order made by the Food Controller under the said Regulations;

And whereas the Food Controller has, in pursuance of the said Regulations, made the Food Control Committees (Constitution) Order, 1917:

Now therefore, in pursuance of Our powers in that behalf, and by arrangement with the Food Controller, We hereby Order as follows:—

ARTICLE I.—In these Regulations, unless the contrary intention appears:—

(a) The expression "Local Authority" means, as the case may be, the Mayor, Aldermen, and Commons of the City of London in Common Council assembled, the Council of a Metropolitan Borough, the Council of a Municipal Borough or other Urban District, the Council of a Rural District, or the Council of the Isles of Scilly;

(b) The expression "District" means the District subject to the jurisdiction of the Local Authority for the purposes of the Public Health (London) Act, 1891, or of the Public Health Act, 1875, as the case may be.

(c) The expression "Food Control Committee" means a Food Control Committee appointed pursuant to the Food Control Committees (Constitution) Order, 1917.

ARTICLE II.—We hereby confer and impose upon the Local Authority and upon such of their officers as they may designate or appoint for the purpose the powers and duties necessary to provide for the due discharge within their District, in conformity with the Defence of the Realm Regulations, of the functions assigned to Local Authorities by the Food Control Committees (Constitution) Order, 1917.

ARTICLE III.—A Local Authority may lend without charge to any Food Control Com-

mittee wholly or partly appointed by them, for the purposes of the powers and duties of the Committee, and for such period as the Local Authority may from time to time determine, any premises which the Local Authority may have available, and the services of any of the officers and servants of the Local Authority.

ARTICLE IV.—(1) Any expenses incurred by a Local Authority in the execution of this Order shall be defrayed in like manner as if the expenses had been incurred in the execution of the Public Health Act, 1875, or the Public Health (London) Act, 1891, as the case may be.

(2) Where two or more Local Authorities have concurred in the appointment of a Food Control Committee, any expenses incurred by those Local Authorities under this Order shall be defrayed in such proportions as may be agreed upon, or in default of agreement as may be determined by the Local Government Board.

ARTICLE V.—This Order may be cited as "The Local Authorities (Food Control) Order (No. 2), 1917."

Given under the Seal of Office of the Local Government Board, this Twenty-second day of August, in the year One thousand nine hundred and seventeen.

W. Hayes Fisher,

President.
