At the Court at Buckingham Palace, the 16th day of November, 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order in Council, dated the twenty-eighth day of November, nineteen hundred and fourteen, His Majesty was pleased to make regulations (called the "Defence of the Realm Regulations") under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas the said Act has been amended by the Defence of the Realm (Amendment) Act, 1915, the Defence of the Realm (Amendment) (No. 2) Act, 1915, and the Munitions of War Act, 1915, and other enactments:

And whereas the said regulations have been amended by various subsequent Orders in Council:

And whereas it is expedient further to amend the said regulations in manner hereinafter appearing:

Now, therefore, His Majesty is pleased, by

and with the advice of His Privy Council, to order, and it is hereby ordered, that the following amendments be made in the said regulations:—

1. Regulation 2J shall be amended as follows:—

(1) By the insertion in subsection (1) thereof after the words, "any section of the public," of the words, "or which is otherwise required for the public safety or defence of the Realm."

(2) By the insertion at the end thereof of the following new paragraph:—

"(5) Without prejudice to the powers of the Army Council the Board of Trade may exercise as respects horses (including mules) and horse-drawn vehicles all the powers that they may exercise under this regulation with respect to an article of commerce not being an article of food, and orders under this subsection may provide for the giving of instructions in relation to horses and horse-drawn vehicles in such manner and by such persons as the Board of Trade may direct, and for enabling the Board to take possession of any horse or

horse-drawn vehicle either absolutely or by way of hire.

"Such compensation shall be paid for any horse or horse-drawn vehicle so taken possession of as shall in default of agreement be determined by the arbitration of a single arbitrator appointed in manner provided by an order of the Board of Trade, but in determining the amount of the compensation the arbitrator shall have regard to the age and condition of the horse or vehicle, to the allowance of a reasonable profit on the price, if any, paid by the person from whom the same is taken, and to any other circumstance without necessarily taking into consideration the market price at the time.

"Nothing in this subsection shall apply to horses or horse-drawn vehicles used wholly or mainly in agriculture or to vehicles licensed to ply for hire."

2. Regulation 2m shall be amended as follows:—

(1) By the substitution of the following paragraph for paragraph (i) of subsection (1) thereof:—

"(i) by notice served on the occupier or person in control of any dam, mill, lock, sluice, weir, or other structure affecting the flow of water in any river or stream, require such occupier or person to keep open or closed any mechanical appliance by which the inflow or outflow of water is capable of being regulated during such times and in such manner as the Board, having regard to the use by such occupier or person of the structure and of the water thereby impounded, consider to be necessary or desirable for the prevention of floods or for the draining of land adjoining or near the river or stream; and"

(2) By the insertion after paragraph (j) of subsection (1) thereof of the following new paragraphs:—

"(k) enter on or take possession of any dam, mill, lock, sluice, weir, or other structure affecting the flow of water in any river or stream and remove or repair or alter or maintain and use the same where such action is in the opinion of the Board necessary or desirable for the prevention of floods or for the drainage of agricultural land; and

"(l) for the purpose of removing any obstruction to or otherwise improving the flow of water in any river or stream, or maintaining or improving the banks of any river or stream or any sea defence or drainage outfall, enter on the river or stream or any land adjoining or near the river, stream, defence, or outfall; and

"(m) where any expenses are incurred by the Board in the exercise of any of their powers under paragraphs (k) or (l) of this regulation, recover those expenses, so far as they are directly attributable to the default of any person in carrying out his obligations under statute or otherwise, from that person."

(3) By the substitution in subsection (4) thereof for the words, "the person then entitled to resume occupation of the land," of the words, "any person then interested

in the land as owner or tenant or otherwise."

(4) By the substitution in paragraph (9) thereof for the words, "paragraphs (h) (i) and (j), wherever those words occur, of the words, "paragraphs (h) to (m) (both inclusive)."

3. The following shall be substituted for Regulation 2nn:—

"2nn.—(1) Subject to the provisions of this regulation, the acreage planted with hops on any holding in England or Wales shall, before the first day of April, nineteen hundred and eighteen, be reduced to one half of the acreage on the holding which is proved by the occupier of the holding to have been planted with hops in the month of June, nineteen hundred and fourteen (excluding from such last-mentioned acreage land which was planted with hops after the first day of October, nineteen hundred and thirteen), and thereafter, so long as this regulation remains in force, the acreage on the holding so planted shall not exceed that proportion.

"(2) This regulation shall have effect notwithstanding any covenant, agreement, condition, or provision as to the user of a holding whether contained in any lease or other instrument affecting the holding or in any verbal contract of tenancy or implied by law, and no such covenant, agreement, condition, or provision shall operate so as to penalise, impede, or interfere with compliance with any obligation imposed by this regulation.

"(3) The Board of Agriculture and Fisheries may by licence exempt any occupier wholly or partly or for a specified period from any obligation imposed by this regulation in any case where it appears to the Board that by reason of exceptional circumstances the issue of such a licence is advisable.

"(4) If the occupier of any holding fails to comply with the provisions of this regulation, or with any condition subject to which a licence under this regulation has been granted, he shall be guilty of a summary offence against these regulations.

"(5) Any person authorised by the Board in that behalf, may, for the purposes of this regulation, and upon production if so required of his authority, enter on and inspect any land.

"(6) The Board may, with respect to land in any district, authorise any person or any body constituted by the Board for the purpose to exercise on behalf of the Board any of the powers of the Board under this regulation, and prescribe the procedure of any such body, and the authentication of any notice or other instrument issued by any body or person so authorised.

"(7) Any authority given by the Board under any of the provisions of the regulation for which this regulation is substituted shall, unless and until revoked by the Board, be deemed to have been given under and for the purposes of the corresponding provision of this regulation."

4. In the third paragraph of Regulation 14B the word "modify" shall be substituted for the word "relax," and after the words "such restrictions" there shall be inserted the

following words, "and if any person so interned escapes or attempts to escape from the place of internment or commits any breach of the rules in force therein he shall be guilty of an offence against these regulations."

5. After Regulation 27B the following regulation shall be inserted:—

"27c. It shall not be lawful for any person to print, publish, or distribute, any leaflet relating to the present war or to the making of peace unless—

"(a) There is printed on every copy of the leaflet the true name and address of the author and of the printer thereof; and

"(b) The contents thereof have previously been submitted to and passed by the Directors of the Official Press Bureau, or some other person authorised in that behalf by the Secretary of State;

and if any person contravenes the foregoing provisions he shall be guilty of a summary offence against these regulations, and if any person without lawful authority or excuse has in his possession or on premises in his occupation or under his control any leaflet the publication of which would be a contravention of the foregoing provisions he shall be guilty of a summary offence against these regulations, unless he proves that he did not know and had no reason to suspect that the leaflet related to such matters as aforesaid or that he had no intention of transmitting or circulating the leaflet or distributing copies thereof to or amongst other persons:

"Provided that a person shall not be deemed to have contravened this regulation by reason only that proofs of a leaflet have been printed for submission to the Directors of the Official Press Bureau or other person authorised as aforesaid.

"For the purposes of this regulation the expression 'leaflet' includes a pamphlet or circular, but does not include any newspaper or other periodical which was in existence on the sixteenth day of November nineteen hundred and seventeen, or any leaflet issued by or under the authority of His Majesty's Government."

PRESENT,

The KING'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 8th day of November, in the year 1917, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen

Victoria, Chapter 37, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorizing the sale and disposal of certain property in the Parish of Billingham, in the County of Durham, now vested in us:

"Whereas under and by virtue of a certain Indenture bearing date the 1st day of November, 1917, and made between the King's Most Excellent Majesty of the first part, George Granville Leveson Gower, Esquire, a Commissioner of Woods in charge of the interests of the Crown in the lands thereafter mentioned, of the second part, the Tees Conservancy Commissioners of the third part, and us, the Ecclesiastical Commissioners for England, of the fourth part, a certain strip or piece of land, situate at Haverton Hill, in the Parish of Billingham, in the County of Durham, delineated and coloured pink on the Plan annexed to the said Indenture, became with its appurtenances and is now vested in us:

"And whereas the said land is not subject to any outstanding beneficial lease or grant but is now in our possession, but some portion thereof on account of its character and situation is unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed:

"And whereas with a view to the advantageous appropriation of the same, or of the proceeds thereof, for the ultimate improvement of our common fund it is expedient that the said land or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such land, or in any part or parts thereof, in such manner as shall appear to us advisable:

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered, by Instrument or Instruments in writing duly executed according to law, from time to time to sell or dispose of and duly to convey, according to the provisions of the said Act, all or any of the said land so vested in us as aforesaid, under and by virtue of the said Indenture, with its appurtenances, and all our estate, right, title and interest therein, or in any part or parts hereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands, tithes, rent-charges, tenements or hereditaments, or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary Stock or other Public Securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

"All of which we humbly recommend and propose to Your Majesty in Council."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

### SUPERPHOSPHATES.

The Minister of Munitions, in exercise of the powers conferred upon him by the Defence of the Realm Regulations, and of all other powers enabling him, hereby orders that the provisions of the Order relating to Superphosphates made by the Minister of Munitions on the 20th August, 1917, shall, as on and from the 21st November, 1917, apply to sales of Superphosphates for export from the United Kingdom to the Channel Islands and the Isle of Man, and clause 2 of the said Order shall as on and from the date aforesaid be modified accordingly.

### DEFENCE OF THE REALM REGULATIONS.

In exercise of the powers conferred on them by the Defence of the Realm Regulations, and all other powers thereunto enabling them, the Lords Commissioners of the Admiralty hereby make the following Regulations:—

All British Merchant Vessels of 2,500 gross tonnage and upwards shall include in their crew four (4) men, specially engaged, who will when required act as look-outs at the Masthead or elsewhere, but the total number of the crew should not be increased for this purpose.

When in areas in which submarines may be encountered these Look-outs are to be employed solely on their special duty, keeping watch in four watches, each watch to be of not more than two hours duration. When off watch in these areas they are not to be employed upon any of the ordinary work of the ship.

Before men are signed on for this duty they must agree to undertake this special work whilst in the areas mentioned.

These men must obtain the special Board of Trade Certificate as to eyesight, and men are not to be signed on for this particular service unless they are in possession of this Certificate.

Any members of the ship's crew may be selected, provided it is clearly understood that none of the ship's Officers, Petty Officers, or any of the Guns' Crew are to be considered as borne for this special duty.

These special Look-outs, provided their duties are carried out to the satisfaction of the Master, who will be required to give a written certificate that this is the case, should be given extra pay at the rate of 15s. per month whilst the ship is in areas in which submarines may be met.

A proper Crow's Nest is to be provided for Look-out purposes as high as possible in every ship which has a mast suitable in character and position for the purpose.

From daybreak till dark the Look-out is to be stationed in the Crow's Nest when fitted. In other cases the Look-out is to be stationed as high aloft as possible.

From dark to daybreak the Look-out will be stationed in the position the Master considers the most suitable.

Given under our hands, this 16th day of November, 1917.

**NOTE.**—Information as to the areas in which submarines may be encountered may be ob-

tained from the Shipping Intelligence Officers at home ports and the Reporting Officers abroad.

The KING has been graciously pleased to confer the Decoration of the Albert Medal on:—

Surgeon Probationer Robert Sydney Steele Smith, R.N.V.R.

The following is the account of the services in respect of which the Decoration has been conferred:—

Surgeon Probationer Robert Sydney Steele Smith, R.N.V.R., was Medical Officer of one of H.M. ships which was torpedoed by an enemy submarine.

When the enemy torpedo struck the ship Surgeon Probationer Smith was in the wardroom aft with the 1st Lieutenant. The explosion wrecked the wardroom and rendered the 1st Lieutenant unconscious. All other exit being blocked, Surgeon Probationer Smith piled the wrecked furniture under the skylight, and got the 1st Lieutenant through this on deck. He then attended to a Petty Officer who was lying on deck with a broken arm and leg, adjusted and blew up his life-belt, and after doing the same for the 1st Lieutenant got him overboard, as the ship was then foundering.

The 1st Lieutenant was by then partially conscious, but was again stunned owing to an explosion when the vessel foundered, and when he was picked up by the boat he was apparently dead. Surgeon Probationer Smith applied artificial respiration until the 1st Lieutenant showed signs of life; he afterwards attended to the injured in the boat so far as the circumstances allowed, until they were picked up forty-three hours later.

CORN PRODUCTION ACT, 1917,

AND

RULES PUBLICATION ACT, 1893.

Provisional Regulations made by the Board of Agriculture and Fisheries under Section 12 of the First Schedule to the Corn Production Act, 1917, with respect to the establishment and constitution of District Wages Committees and the delegation of powers to Sub-committees.

In pursuance of the provisions of Section 12 of the first Schedule to the Corn Production Act, 1917, and of Section 2 of the Rules Publication Act, 1893, the Board of Agriculture and Fisheries hereby certify that on account of urgency the following regulations with respect to the establishment and constitution of District Wages Committees and the delegation of powers to sub-committees should come into immediate operation, and accordingly make the following regulations to come into operation forthwith as provisional regulations:—

1. District Wages Committees shall as soon as practicable be established by the Agricultural Wages Board for the whole of England and Wales, and each such Committee shall act for such area as the Wages Board shall determine, and shall consist of:—

(a) Representatives of local employers and workmen engaged in agriculture in equal proportions, who are hereinafter referred to as 'representative members';

(b) Additional members (hereinafter called "appointed members") up to a number not exceeding one-fourth of the total number of members of the Committee.

At least one member of each District Wages Committee shall be a woman.

2. Any appointed member of the Wages

Board shall have the right to attend any meeting of a District Wages Committee and take part in the proceedings, but without the power to vote unless he is an appointed member of the Committee.

3. When the Wages Board have determined the area for which a District Wages Committee is to be established they shall furnish a statement thereof to the Board of Agriculture and Fisheries together with a statement of the number of representative and appointed members respectively of which they propose that the Committee shall consist.

4. The Board of Agriculture and Fisheries, after consideration of the statements so furnished by the Wages Board and any suggestions made to them as to persons suitable for nomination to act on the Committee, shall determine the number of representative members and appointed members of which the District Wages Committee shall consist and nominate the persons to act as such members, the nomination of representatives of workmen being made after consultation with the Minister of Labour.

5. The Chairman and Deputy-Chairman of each District Wages Committee shall be chosen from among the appointed members of the Committee by the Board of Agriculture and Fisheries.

6. The Secretary of each District Wages Committee shall be appointed from time to time by the Board of Agriculture and Fisheries.

7. The Wages Board may, if they think it necessary or desirable in order to secure proper representation of any class of employers or workmen on a District Wages Committee, after giving the Committee an opportunity to be heard, nominate persons to act as additional representatives of local employers and workmen engaged in agriculture in equal proportions to serve for such period, not exceeding two years, as they may determine. The total number of such additional representative members on any Committee shall not exceed four.

8. Any member representing employers or workmen who by reason of change of occupation or otherwise shall in the opinion of the Wages Board cease to represent employers or workmen respectively shall, if so required by the Wages Board, vacate his seat.

9. Any representative member who, in the opinion of the Wages Board, fails without reasonable cause to attend one half of the total number of meetings in a calendar year shall vacate his seat.

10. The Board of Agriculture and Fisheries may in any case where in their opinion there is good and sufficient cause terminate the appointment of any member of a District Wages Committee.

11. Subject to the provisions of these regulations the term of office of a member of a District Wages Committee shall be two years, provided that:—

(a) Any member may retire by notice in writing to the Secretary of the Committee;

(b) A member appointed to fill a casual vacancy shall act only for the unexpired portion of the term of office of his predecessor; and

(c) A member whose term of office expires shall continue to act as a member until a successor is appointed.

12. Any person vacating his seat on a District Wages Committee shall be eligible to be re-appointed as a member of the Committee.

13. A vacancy among representative members on a District Wages Committee shall be filled by nomination by the Wages Board of a representative of employers engaged in agriculture or a representative of workmen engaged in agriculture as the case may be.

A vacancy among appointed members on a District Wages Committee shall be filled by nomination by the Board of Agriculture and Fisheries after considering suggestions made by the Wages Board.

14. Every member of a District Wages Committee shall have one vote. If, at any meeting of a Committee the number of members present representing employers and workmen respectively is unequal, it shall be open to the side which is in the majority to arrange that one or more of their members shall refrain from voting so as to preserve equality. Failing such an arrangement the Chairman of the meeting may, if he thinks it desirable, adjourn the voting on any question to a subsequent meeting of the Committee.

15. In order to constitute a meeting of a District Wages Committee, the Chairman or Deputy Chairman, or some other appointed member of the committee selected in writing by the Chairman to preside at such meeting, must be present, and the members present must be at least one-third of the whole number of members of the Committee.

16. When a District Wages Committee is authorised by the Wages Board to delegate any powers to a sub-committee, a sub-committee appointed by the District Wages Committee for such purpose shall consist of one or more representatives of employers and one or more representatives of workmen on the Wages Committee in equal proportions, together with such one or more of the appointed members of the Wages Committee as may be selected by the Wages Committee. The term of office of a member of a sub-committee shall be such period, not exceeding one year, as the Wages Committee may determine.

17. Any appointed member of the Wages Board shall have the right to attend any meeting of a sub-committee of a District Wages Committee and take part in the proceedings, but without the power to vote, unless he is a member of the sub-committee.

18. Where a District Wages Committee delegate any of their powers to a sub-committee the District Wages Committee may direct that the exercise of the powers by the sub-committee shall be subject to such conditions as to appeal to them from the decision of the sub-committee or otherwise as the District Wages Committee may think desirable and except and in so far as the District Wages Committee with the consent of the Wages Board shall otherwise direct the following condition shall apply, that is to say, any decision by the sub-committee shall be reported as soon as may be to the District Wages Committee, who may vary or annul the decision but not so as to affect or prejudice anything done or suffered under or by reason of the decision of the sub-committee before it is varied or annulled.

19. The proceedings of a District Wages Committee or sub-committee shall not be in-

validated by any vacancy in their number or by any defect in the appointment of any member.

20. The expressions "agriculture" and "workmen" in these Regulations shall have the meanings given in Section 17 (1) of the Corn Production Act, 1917.

21. Any question upon the construction or interpretation of these Regulations shall in the event of dispute be referred to the Board of Agriculture and Fisheries for decision.

22. These Regulations may be cited as the District Wages Committees Provisional Regulations, 1917.

Given under the Official Seal of the Board of Agriculture and Fisheries this twentieth day of November, in the year one thousand nine hundred and seventeen.

**NOTICE TO MARINERS.**

No. 1191 of the year 1917.  
ENGLAND, EAST COAST.

*Thames Estuary and River Medway—Regulations with regard to Yachts and Pleasure Craft.*

*Former Notice.—No. 1052 of 1917; hereby cancelled.*

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

1. (i) The cruising of yachts and pleasure craft in the Thames Estuary and River Medway will be permitted under the following restrictions:—

(a) No mechanically propelled vessel may be used for pleasure cruising.

(b) No commercial vessel may take out pleasure parties or any persons other than the regular crew.

(c) No professional fisherman or boatman may be employed on a pleasure craft.

(d) Pleasure cruising is only allowed on the understanding that all persons using pleasure craft will do their utmost to increase the food supply by catching fish; pleasure craft which ignore this condition are liable to be laid up by order of the local Police.

(ii) Except as stated in paragraph (xiii) no pleasure craft are allowed:—

(a) In the Estuary of the Thames East of a line drawn between the Grain Spit and West Shoebury Buoys.

(b) In the area enclosed between a line drawn in a 0° (N. 1¼° E. Mag.) and 180° (S. 1¼° W. Mag.) direction through the Ovens Buoy and a line joining Holehaven Point and the Blyth Middle Buoy.

(c) In the Medway East of Rochester Bridge.

(iii) For the purposes of this order the Estuary of the Thames includes the North Coast of Kent from North Foreland to Sheerness, and the Coast of Essex from Shoeburyness to the Naze.

(iv) All pleasure craft of any description are prohibited from being under weigh between sunset and sunrise, except as provided for in par. (xiii).

(v) Pleasure craft using the waters to the West of the line mentioned in par. (ii) (a), in which cruising is permitted, and also pulling boats which are permitted under par. (xi), must obtain a licence from the local Police.

(vi) No licences are, however, required for pleasure cruising to the West of Rochester Bridge, nor is par. (i) (d) applicable to such pleasure cruising. Otherwise pleasure cruising to the West of Rochester Bridge, so far as the tide flows, is to be governed by these regulations.

(vii) The licence to be in the following form:—

Mr. (name, Christian and Surname) of (address) is hereby authorised to use a (here state whether sailing vessel, rowing boat, etc.) in (area to be specified in detail) from sunrise to sunset.

This licence is available for six months from date of issue, when it is to be returned and a new licence will be issued, if required.

If more than one craft is used, a separate licence is required for each.

(viii) The name must be marked legibly on every yacht. All open, half-decked and other craft must have the number and distinguishing letter of the licence clearly painted on each side of the bow.

(ix) The licence must be carried in the craft, and is to be available for inspection.

(x) Boats licensed for hire may be taken out by British subjects other than those in whose names the licences are made out, provided that they be returned to the licensees by sunset on the day of hire. The licence for the boat must be carried by the person hiring it.

(xi) Pulling boats are allowed within the area prohibited by par. (ii) (a) provided:—

(a) A separate licence is obtained for each boat.

(b) Pars. (i) (v) (vii) (viii) (ix) and (x) are complied with.

(c) No such boats proceed more than one mile from the shore, nor, in the area between Margate Coast Guard Station and the North Foreland, more than half a mile from the shore.

Pulling boats are forbidden to go alongside or communicate with any vessel lying off the shore.

(xii) No pleasure pulling boats are allowed in the Medway to the Eastward of Rochester Bridge, nor are any allowed in the area mentioned in par. (ii) (b).

(xiii) Amateurs desiring to fish for fish as food, outside the areas in which pleasure cruising is permitted, may obtain permits as laid down in (f) below, authorising them to fish in those areas in which, and subject to the conditions under which, fishing is permitted to commercial fishing boats, subject to the following provisions:—

(a) The crew of the boat, and if desired an alternative for each, shall be named on the permit, which shall be signed by each of those persons, and no persons other than those named on the permit may be at sea in the boat.

(b) Boats sailing under amateur fishing permits shall not carry as members of their crews bona fide fishermen or boatmen holding or qualified to hold commercial fishing permits.

(c) Amateurs and visitors who propose to hire boats for periods of not less than one week, and whose credentials are satisfactory, may obtain amateur fishing permits as laid down in (f) below. The period of such a permit shall be stated on it together with the holder's home address and the permit must be given up to the Local Correspondent of the Board of Agriculture and Fisheries at the end of the period for which it is valid.

(d) The crews of boats fishing under these regulations may be called upon to make returns of their catches and if these returns are considered to be unsatisfactory their permits will be liable to be withdrawn.

(e) Amateur fishing permits will be issued by the Board of Agriculture and Fisheries and countersigned by the Senior Naval Officer.

(f) Applications for permits should be made to the Local Correspondent of the Board of Agriculture and Fisheries in the port to which the boat belongs or at the nearest port at which there is such a correspondent.

(g) Copies of the regulations governing fishing in the Nore area can be obtained from the Board of Agriculture and Fisheries, 43, Parliament Street, London, S.W. 1, or from the Board's Local Correspondents.

(xiv) Amateur fishing permits may be endorsed, suspended or withdrawn by the Senior Naval Officer or the Board of Agriculture and Fisheries, by whom, acting in conjunction, the provisions as to fishing may be modified locally.

(xv) Boats fishing under these Regulations are liable at any time to be ordered to port or detained in port by the Naval Patrol Boats or other Naval Authority.

(xvi) Where it is proved that there is a shortage of bona fide fishermen to form the crews of fishing boats provided with commercial fishing permits, licences may be granted by the Board of Agriculture and Fisheries or

their representatives to a limited number of approved amateur fishermen or yachtsmen enabling them to ship as whole time crew or such boats.

(xvii) It should be noted that, although mechanically propelled craft are prohibited from pleasure cruising, such craft are not prohibited from fishing under the amateur permit system defined above.

(xviii) Commercial fishing vessels are governed by the terms of the Notices issued by the Board of Agriculture and Fisheries.

2. (i) In the Colne, Blackwater, Crouch and Roach Rivers the cruising of yachts and pleasure craft will be permitted under the following restrictions:—

(a) A licence must be held and be available for inspection at any time; see paragraphs (iii), (iv) and (vii).

(c) No commercial vessel may take out pleasure parties or any persons other than the regular crew.

(d) No professional fisherman or boatman may be employed on a pleasure craft.

(e) Pleasure cruising is only allowed on the understanding that all persons using pleasure craft will do their utmost to increase the food supply by catching fish; pleasure craft which ignore this condition are liable to be laid up by order of the local Police.

(ii) All pleasure craft of any description are prohibited from being under weigh between sunset and sunrise, and every such vessel shall return to the anchorage from which she started by sunset, excepting as follows:—

Pleasure craft may proceed from place to place in the area for which the licence is issued provided that the local Police are clearly notified previously of the anchorage proposed for the night, and that the local Police are again informed on arrival at the new anchorage.

Upon this condition, the persons named in the licence (and no one else) may remain on board for the night. They must otherwise disembark before dark and in any case by 9.30 p.m. G.M.T. (except as laid down in paragraph xi).

(iii) Pleasure craft using the areas mentioned in paragraphs (ix) and (x), in which cruising is permitted, must obtain a licence from the local Police.

(iv) The licence to be in the following form:—

Mr. (name, Christian and Surname) of (address) is hereby authorised to use a (here state whether sailing vessel, pulling boat, etc.) in (area to be specified in detail) from sunrise to sunset.

This licence is available for six months, when it is to be returned and a new licence will be issued, if desirable.

The names and addresses of all persons who it is proposed shall utilise the vessel as passengers must be furnished to the Police and attached to the licence before any such persons use the vessel.

If more than one craft is used, a separate licence is required for each.

(v) The name must be marked legibly on every yacht. All open, half-decked and other craft must have the number and distinguishing letter of the licence clearly painted on each side of the bow.

(vi) The licence must be carried in the craft, and is to be available for inspection.

(vii) Boats licensed for hire may be taken out by British subjects other than those in whose names the licences are made out, provided that they be returned to the licencees by sunset on the day of hire. The licence for the boat must be carried by the person hiring it, and the licencee will be responsible for the bona fides of the person hiring it.

(viii) Local craft used for business purposes are subject to the foregoing regulations, but may in certain instances be allowed in prohibited areas if permission in writing has been previously obtained from the Naval or Military Authorities.

(x) Cruising is permitted in the Crouch West of a line joining Holliwel and Foulness points. Cruising is also permitted in the Roach as far as Paglesham Hard, but owners of yachts are to intimate their intention to proceed up the Roach to the Coastguard, Burnham, before leaving, and report their return.

Landing in the Roach may be permitted only at Paglesham Hard and permits are to be exhibited to the Military Patrol stationed there.

(xi) Owners of vessels anchored within sight of Burnham Coastguard Station, in Mersea Quarters, or Brightlingsea Creek may go on board their vessels up to 9.30 p.m. G.M.T. and remain, provided that a permit to do this has been obtained from the Senior Naval Officer, Brightlingsea, and provided also that the vessel remains at anchor.

(xii) Amateurs desiring to fish for fish as food, outside the areas in which pleasure cruising is permitted, may obtain permits as laid down in (f) below, authorising them to fish in those areas in which, and subject to the conditions under which, fishing is permitted to commercial fishing boats, subject to the following provisions:—
