TUESDAY, 5 MARCH, 1918.

At the Court at *Buckingham Palace*, the 4th day of *March*, 1918.

PRESENT,

The KING's Most Excellent Majesty in Council.

THIS day the Right Honourable William Maxwell, Baron Beaverbrook, was, by His Majesty's command, sworn of His Majesty's Most Honourable Privy Council, and took his place at the Board accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 4th day of *March*, 1918.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order in Council, dated the twenty-eighth day of November, nineteen hundred and fourteen, His Majesty was pleased to make regulations (called the

"Defence of the Realm Regulations") under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas the said Act has been amended by the Defence of the Realm (Amendment) Act, 1915, the Defence of the Realm (Amendment) (No. 2) Act, 1915, and the Munitions of War Act, 1915, and other enactments:

And whereas the said regulations have been amended by various subsequent Orders in Council:

And whereas it is expedient further to amend the said regulations in manner hereinafter appearing:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the following amendments be made in the said regulations:—

1. For sub-section (8) of Regulation 2L the following sub-section shall be substituted:—

"(8) This regulation shall apply to Ireland subject to the following modifications:—

(i) The Department of Agriculture and Technical Instruction for Ireland shall be

substituted for the Board of Agriculture and Fisheries.

(ii) The following sub-section shall be substituted for sub-section (1):—

Where the Department of Agriculture and Technical Instruction for Ireland are of opinion that, with a view to increasing the production of food in the country, it is expedient that they should exercise the powers given to them under this regulation as respects any land the Department may enter on and take possession of the land,

(a) without any consent, if the land is for the time being unoccupied, or if the Department are of opinion that it is not being cultivated according to the rules of good husbandry;

(b) without any consent, if, at any time after the first day of February in any year, it appears to the Department that the occupier of the land has not taken the necessary steps to cultivate the minimum tillage portion of his holding in accordance with the requirements of any Order made by the Department under the Third Schedule of the Corn Production Act, 1917, and applying to the holding;

(c) without any consent, if the land is situated in or near a town to which the Towns Improvement (Ireland) Act, 1854, or any part thereof applies or an urban district, and the Department are of opinion that in order to provide necessary food for residents in the locality land in or near that town or district is immediately required for the purpose of being cultivated in allotments, and that the use of the land for that purpose is unreasonably withheld; and

(d) in any other case, with the consent of the occupier and the person in receipt of the rent of the land,

and cultivate the land or any part thereof, or arrange for its cultivation, by any person in such manner and upon such terms and conditions as the Department may direct.

(iii) For the purposes of this regulation the Department may:—

(a) on entering on any land enter on and take possession of any buildings thereon; and

(b) provide accommodation for persons, machinery, implements of husbandry or plant, farm produce, stock or animals, employed or used by the Department, or by any person authorised by the Department, for the cultivation of land or the increase of the food supply of the country, and for that purpose take or retain possession of any land or buildings.

(iv) Any person authorised by the Department in that behalf may, for the purposes of this regulation and upon the production, if so required, of his authority, enter on and inspect any land or building and inspect any machinery, implements of husbandry, farm stock or produce thereon.

(v) For the purposes of this sub-section the expressions 'cultivation' and 'cultivate' shall have the same respective meanings as in the Third Schedule to the Corn Production Act, 1917, and the expressions 'occupier' and 'unoccupied' refer to such occupation as involves liability to payment of poor rates:

Provided that where the poor rate is made in respect of a half rent under section sixty-three of the Poor Relief (Ireland) Act, 1838, instead of upon the occupier of the land, the land shall not on that account be deemed to be unoccupied.

(vi) Sub-sections (4) and (6) shall not apply.

(vii) The powers conferred by this regulation on the Department shall be in addition to and not in derogation of any other powers of the Department, and all such powers may be exercised concurrently in respect of any land."

2. After Regulation 5b the following regulation shall be inserted:—

"5c. Where with a view to prevent congestion of traffic on, or excessive damage to, public highways being caused by the haulage or transport of timber or other heavy material the Army Council consider it is expedient to do so, the Army Council may by order regulate or provide for the regulation of such haulage and transport on public highways outside the administrative county of London, and may by such order provide for directions being given for prescribing the routes to be followed and restricting the types of vehicles to be used, and if any person affected by the order fails to comply with the provisions thereof or with any directions given thereunder he shall be guilty of a summary offence against these regulations."

3. Regulation 14G shall be amended as follows:—

(1) After the words "His Majesty's forces" there shall be inserted the words "or of the forces of any of His Majesty's Allies";

(2) For the words "from one part of the United Kingdom to another" there shall be substituted the words "from one part of Great Britain to another or from one part of Ireland to another."

4. For paragraph (c) of Regulation 27 the following paragraph shall be substituted:—

"(c) Spread reports or make statements intended or likely to prejudice the recruiting of persons to serve in any of His Majesty's forces, or in any body of persons enrolled for employment under the Army Council or Air Council or entered for service under the direction of the Admiralty, or in any police force or fire brigade, or to prejudice the training, discipline or administration of any such force, body or brigade; or"

5. In Regulation 31 after the words "parts of military arms" there shall be inserted the words "military equipment," and after the word "ammunition" there shall be inserted the words "or components thereof."

6. In Regulation 33 for the words "dock harbour" there shall be substituted the words "dock or harbour"; after the words "in possession of" there shall be inserted the words "or have under his control"; after the word "firearms" there shall be inserted the words "military arms, military equipment," and after the words "or ammunition" there shall be inserted the words "or parts or components thereof."

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th year of Her late Majesty Queen Victoria, (Session 2), Chapter 26, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 26th day of July, in the year 1917, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th year of Her late Majesty Queen Victoria, (Session 2), Chapter 26, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for providing the Bishop of Sheffield with a more convenient House of Residence:

"Whereas the House and Premises known as Bishopsholme with the Appurtenances thereto belonging, situate in the City of Sheffield, form part of the Endowment Fund of the Bishopric of Sheffield, and are held as and for an Episcopal Residence for the Bishop of the said Bishopric:

"And whereas it has been represented to us by the Right Reverend Leonard Hedley, now Bishop of Sheffield, and it has been made to appear to us, that the said House has insufficient accommodation, and that the House and Appurtenances are expensive to maintain and undesirable for use as such Episcopal Residence:

"And whereas under the circumstances hereinbefore set forth it appears to us to be expedient and likely to conduce to the permanent benefit of the See of Sheffield that the sale of the said House and Premises known as Bishopsholme, Sheffield, with the Appurtenances thereto belonging, should be effected in

the manner hereinafter recommended and proposed:

"Now, therefore, with the Consent of the said Leonard Hedley, Bishop of Sheffield, (in testimony of which Consent he has signed this Scheme and sealed the same with his Episcopal Seal), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose as follows, that is to say:—That the said House and Premises known as Bishopsholme, Sheffield, with its Appurtenances, may be sold for such price or prices, and at such time or times, and in such manner, as shall be approved by us, and be transferred and conveyed to any purchaser or purchasers by an assurance or assurances to be made in manner and form approved by us, the said Ecclesiastical Commissioners, under our Common Seal, and that all moneys received by or on account of the said House and Premises, and the Appurtenances thereto belonging, or of any part thereof, shall be paid over to us, the said Ecclesiastical Commissioners, and shall be held by us and applied for the purposes and in the manner next hereinafter mentioned, that is to say:—*first*, in defraying all costs, charges and expenses of and incidental to the sale of the said Residence known as Bishopsholme, Sheffield, and *secondly*, in defraying the cost of providing, in such manner, and at such times as shall be approved by us, the said Ecclesiastical Commissioners, another Episcopal Residence, with the Appurtenances thereto, for the Bishop of Sheffield.

"And we further recommend and propose that, as soon as the above mentioned new Episcopal Residence shall have been provided, the said Leonard Hedley, Bishop of Sheffield, or his Successors, shall, at his or their personal charge and expense, insure and keep insured from loss or damage by fire the same Residence, with the outbuildings and Appurtenances, such insurance being effected in one of the Public Offices of Assurance in London or Westminster for such a sum as may be determined by us, the said Ecclesiastical Commissioners, and that such Bishop shall, within 14 days after any premium for such insurance shall have become payable, deliver to us the receipt for the same, and that in case of any loss or damage by fire to the said Residence any and every sum of money receivable under such insurance shall become and be payable and be paid to and deposited with us, in trust, to be applied, and we recommend and propose that the same together with any interest and accumulations thereof shall be applied, by us towards the rebuilding or repairing and reinstating of the said Residence, or any part thereof, which may have so suffered loss and damage in such manner as shall be determined on by us, with the concurrence of the said Bishop of Sheffield for the time being.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said Acts, or of either of them, or of any other Act or Acts of Parliament.

"All which we humbly recommend and propose to Your Majesty in Council."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby

to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Sheffield.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 4th day of *March*, 1918.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 16th and 17th years of Her late Majesty Queen Victoria, Chapter 50, and of the Act of the 23rd and 24th years of Her said late Majesty, Chapter 124, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 24th day of January, 1918, in the words and figures following, that is to say:—

“ We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 16th and 17th years of Her late Majesty Queen Victoria, Chapter 50, and of the Act of the 23rd and 24th years of Her said late Majesty, Chapter 124, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting an exchange of the Patronage of the Benefice (being a Vicarage) of Wincanton, situate in the County of Somerset, and in the Diocese of Bath and Wells, for the Patronage of the Benefice (being a Vicarage with Chapelry annexed) of Buckland Newton with Plush, situate in the County of Dorset, and in the Diocese of Salisbury :

“ Whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Wincanton is vested in the Right Reverend Huyshe Wolcott, Bishop of Worcester, in his private capacity, for an estate in fee simple, free from incumbrances :

“ And whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Buckland Newton with Plush is vested in the Dean and Chapter of the Cathedral Church of Wells (hereinafter called ‘ the said Dean and Chapter ’):

“ And whereas the said Huyshe Wolcott, Bishop of Worcester, and the said Dean and Chapter, have respectively signified to us their desire that the Patronage of the said two Benefices of Wincanton, and Buckland Newton with Plush, may be re-arranged by way of exchange in the manner which is hereinafter recommended and proposed :

“ And whereas we have made due inquiry and calculation as to the circumstances and relative values of the said two Benefices, and of the Patronage thereof respectively, and we do hereby certify to Your Majesty in Council that the circumstances and present values of the said two Benefices are as set forth in the Schedule hereunto annexed :

“ Now, therefore, with the consent of the said Huyshe Wolcott, Bishop of Worcester, acting in his private capacity, (in testimony whereof he has signed and sealed this Scheme), and with the consent of the said Dean and Chapter, (in testimony whereof they have caused their Common or Capitular Seal to be affixed to this Scheme), We, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Wincanton, and the Church thereof, shall be assigned and transferred from the said Huyshe Wolcott, Bishop of Worcester, and shall become and be absolutely vested in, and shall and may from time to time and at all times be exercised by, the said Dean and Chapter, and their Successors, for ever, and that in exchange for the same the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Buckland Newton with Plush, and the Church or Churches thereof, shall in like manner and upon and from the same date be assigned and transferred from the said Dean and Chapter, and from their Successors, and shall become and be absolutely vested in, and shall and may from time to time and at all times be exercised by, the said Huyshe Wolcott, Bishop of Worcester, and his Heirs and Assigns for ever.

“ And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

“ THE SCHEDULE to which the foregoing Scheme has reference.

The KING has been graciously pleased to confer the Albert Medal on:—

Mr. Alfred William Newman, Acting Mate, R.N.

The following is the account of the services in respect of which the Decoration has been conferred:—

On the 10th October, 1917, an alarm of fire was given in the after magazine of one of H.M. Ships. Mr. Alfred William Newman, Acting Mate, R.N., who was on the upper deck, proceeded to the magazine as soon as he heard the alarm, and, seeing smoke issuing from a box of cordite, opened the lid and passed the cartridges on to the upper deck, where they were thrown overboard. One cartridge in the middle of the box was very hot, and smoke was issuing from the end.

It is considered that, by his prompt and gallant action, Mr. Newman saved the magazine from blowing up and the loss of many lives.

ADMIRALTY NOTICE TO MARINERS.

No. 317 of the year 1918.

ENGLAND, SOUTH COAST.

(1) *Falmouth Harbour Approach—Traffic Regulations.*

Former Notices.—Nos. 88 and 151 of 1918.

All vessels bound to or from Falmouth harbour must pass between the two light-buoys situated at a distance of about 3 miles south-westward from St. Anthony point lighthouse as shown on charts, and maintain a course 0°

(*N. 17° E. Mag.*) and 180° (*S. 17° W. Mag.*), respectively, for a distance of a quarter of a mile from the light-buoys.

Any instructions given by the patrol vessels should be strictly observed. Vessels proceeding eastward must obtain instructions as to the route to be followed before attempting to leave the anchorage.

Inward-bound vessels will have priority over outward-bound vessels in respect of passage through the gateway. Vessels entering Falmouth harbour must close the Drifter, stationed about half a mile to the southward of the two light-buoys defining the gateway.

This Drifter regulates inward-bound and outward-bound traffic. When no signals are exhibited by day or night by this Drifter, inward-bound traffic may proceed to pass through the gateway.

To indicate that the gateway is clear for outward-bound vessels, the Drifter will display by day a black shape and by night two horizontal white lights.

During fog three long blasts on the steam whistle, repeated at intervals of five minutes, will indicate that the gateway is clear for outward-bound traffic.

Vessels approaching Falmouth in foggy weather should be careful to sound the regulation fog-signal and to proceed with great caution when within a depth of 30 fathoms at all states of the tide.

When the gateway is clear for inward-bound traffic, no outward-bound vessel may approach within half a mile of the gateway; and when the signals indicate that outward-bound traffic may pass through the gateway, no inward-bound vessels may approach within half a mile of the gateway.

During the hours of darkness all vessels entering or leaving Falmouth harbour must exhibit their side-lights.

(2) *Penzance Bay—Traffic Regulations.*

All vessels bound to or from Penzance bay must pass between the two light-buoys situated at a distance of about 1½ miles south-eastward from St. Paul Church, north-westward of Mousehole, as shown on charts, and maintain a course 0° (*N. 17° E. Mag.*) and 180° (*S. 17° W. Mag.*), respectively, for a distance of a quarter of a mile from the light-buoys.

Vessels approaching from the eastward must keep to the southward of the parallel of lat. 50° 02' N., until reaching a position about 3 miles southward of the gateway, which should then be steered for.

Any instructions given by the patrol vessels should be strictly observed.

Inward-bound vessels will have priority over outward-bound vessels in respect of passage through the gateway.

Vessels entering Penzance bay must close the Drifter, stationed about half a mile to the southward of the two light-buoys defining the gateway.

This Drifter regulates inward-bound and outward-bound traffic. When no signals are exhibited by day or night by this Drifter, inward-bound traffic may proceed to pass through the gateway.

To indicate that the gateway is clear for outward-bound vessels, the Drifter will display by day a black shape and by night two horizontal white lights.

During fog three long blasts on the steam whistle, repeated at intervals of five minutes, will indicate that the gateway is clear for outward-bound traffic.

Vessels making Mounts bay in foggy weather should be careful to sound the regulation fog-signal and to proceed with great caution when within a depth of 25 fathoms at all states of the tide.

When the gateway is clear for inward-bound traffic, no outward-bound vessel may approach within half a mile of the gateway; and when the signals indicate that outward-bound traffic may pass through the gateway, no inward-bound vessel may approach within half a mile of the gateway.

During the hours of darkness, all vessels entering or leaving Penzance bay must exhibit their side-lights.

Before attempting to leave Penzance bay, outward-bound vessels must obtain instructions as to the route to be followed.

ADMIRALTY NOTICE TO MARINERS.

No. 318 of the year 1918.

ENGLAND, SOUTH-EAST COAST.

Dover Channel.—Traffic Regulations.

Former Notice.—No. 152 of 1918.

1. Two light-vessels and four light-buoys have been established to mark a gateway in the Dover channel off Folkestone, as shown on the charts.

2. Shipping is hereby warned that the *only* passage for traffic proceeding between the Downs and Dungeness is between the North-East and South-East gate light-buoys and then between North and South Folkestone gate light-vessels shown on the chart, and between North-West and South-West gate light-buoys and *vice versa*, and that Article 25 of the Collision Regulations must be complied with, that is to say, East-bound traffic must keep to the Southern side of the passage and West-bound traffic must keep to the Northern side. Ships disregarding this warning will do so at their own peril.

3. *Caution.*—Mariners are warned to exercise great caution when approaching the ships' passage between the Folkestone gate light-vessels, as the tidal streams may at times set obliquely across the passage. Both light-vessels should be given as wide a berth as the

width of the passage and compliance with Article 25 of the Collision Regulations permit.

4. The latest route information and route instructions are to be obtained from the examination vessels off Calais and Boulogne, or in the Downs or from Patrol vessels westward of Folkestone gate or in the vicinity of Cape Gris Nez. Any deviation from these instructions may entail the destruction of the vessel.

5. No vessel is to anchor or to fish in the following area:—

The area is bounded by lines joining the following points:—

- (a) Admiralty pier light-house, Dover.
- (b) Les Quenocs buoy No. 4.
- (c) Cape Gris Nez lighthouse.
- (d) The light-buoy at the north-east end of the Bassure de Baas in lat. $50^{\circ} 48\frac{1}{2}'$ N., long. $1^{\circ} 33'$ E.
- (e) The light-buoy at the south-west end of Le Colbart in lat. $50^{\circ} 49\frac{1}{4}'$ N., $1^{\circ} 15\frac{1}{2}'$ E.
- (f) Sandgate castle.

6. British Merchant vessels approaching the Straits of Dover are to hoist their number in the International Code.

7. *Caution.*—Mariners are warned that light-buoys which are not shown on the chart may be met with between the parallels of lat. $51^{\circ} 04'$ N. and $51^{\circ} 20'$ N.

SCOTLAND, WEST COAST—FIRTH OF
CLYDE, ISLE OF ARRAN.

*Lamlash Harbour Entrances—Traffic
Regulations.*

Former Notice.—No. 154 of 1917.

A gateway, 500 feet in width, has been established at the entrance to North channel. This gateway is marked on its northern side by a light-buoy situated about $4\frac{1}{2}$ cables south-eastward from Hamilton rock as shown on chart.

A gateway, 500 feet in width, has also been established at the entrance to South channel. This gateway is marked on its western side by a light-buoy situated about $6\frac{3}{4}$ cables south-eastward from Stone on Kingscross point as shown on chart.

All vessels bound for Lamlash must approach by the Northern channel, and maintain a course 244° (*S. 82^{\circ} W. Mag.*) for a distance of a quarter of a mile on either side of the light-buoy, which should be left on the starboard hand at a distance not exceeding 75 yards.

Vessels must not attempt to enter by the Southern channel unless they have been definitely ordered by their route instructions or a Clyde Patrol vessel to do so, when they must maintain a course 329° (*N. 13^{\circ} W. Mag.*) for a distance of a quarter of a mile on either side of the light-buoy, which should be left on the port hand at a distance not exceeding 75 yards.

When using the Northern channel, inward-bound vessels will be given priority over those outward bound.

Vessels entering are not to approach the gateway at a speed exceeding 10 knots.

Vessels entering are to close the drifter, which will be lying off the gateway, for instructions. Any instructions which may be given by Patrol vessels in the outer reaches of the Clyde must also be strictly observed.

The drifter regulates the traffic both inward and outward bound as follows:—

To indicate that the gateway is clear for inward-bound traffic, she will display at both yard-arms:

By day—Two black balls hoisted vertically.
By night—One red light.

To indicate that the gateway is clear for outward-bound traffic, she will display at both yard-arms:

By day—One black cone, point up.
By night—One green light.

During fog or thick weather, she will sound three long blasts on her steam whistle at intervals of five minutes to indicate that the gateway is clear for outward-bound traffic.

There will be no sound signal for inward-bound traffic.

No vessel, either inward or outward bound, is to approach within half a mile of the gateway unless the drifter is displaying the traffic signal in her favour.

In foggy or thick weather, vessels approaching are to sound the regulation fog-signals, and proceed with great caution.

All vessels entering Lamlash by night are to burn side lights.

Vessels entering Lamlash by day are to anchor to the southward of a line joining the new Pier head and the north end of Holy island.

Vessels entering during the night may anchor to the northward of this line until the morning.

Before attempting to leave Lamlash, all vessels must obtain instructions as to the route to be followed.
