Notice is hereby given, that upon a special recommendation from the Postmaster-General and with the assent of the Treasury, Messrs. William Lamond Shand, William John Pooley Dodgson, John Frederick Geeson, Arthur Earland, John Albert George, George Albert Felce, Arthur Wade, and Thomas Marley Wood, having served as Clerks of the Second Division for upwards of eight years, have been promoted to Superintendentships in the Savings Bank Department of the General Post Office, with special certificates granted exceptionally by the Civil Service Commissioners.

Civil Service Commission, May 3, 1918.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the consent of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS respecting Open Competitive Examinations for the Situation of Woman Clerk in Certain Public Departments, viz. :—

The General Post Office, London.
The Office of the Public Trustee, London (and in the Branch Office at Manchester).
The General Register Office, London.
The National Health Insurance Commission, England.

The National Health Insurance Commission, Scotland.

These Regulations are liable to alteration from time to time.

1. The limits of age for these situations are 18 and 20. If an Examination begins in one of the first six months of any year, Candidates must be of the prescribed age on the first day of March in that year. If an Examination begins in one of the last six months of any year, Candidates must be of the prescribed age on the first day of September in that year.

In reckoning age for Competition, persons who have served for two full consecutive years in any Civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding five years which they may have spent in such service.

Persons transferred to situations in the Post Office from a Telephone Company or Municipal Telephone Undertaking, on the absorption of such Company or Undertaking by the Post Office, may reckon, as if it were service in a situation to which they were admitted with the Certificate of the Civil Service Commissioners; their continuous service in the Post Office, as well as so much of their previous continuous service in the Telephone Company or Undertaking (or in any Telephone Company or Municipal Telephone Undertaking previously absorbed by it) as was rendered in situations for which a Civil Service Certificate is ordinarily required.

2. Candidates will be required to satisfy the Civil Service Commissioners—

- (a) That they are unmarried, or widows.
- (b) That they are duly qualified in respect of health and character.
