Madrid, March 16. The Preparations are continued in all the parts for reinforcing he Spanish Army in Carabias. The Letters from Alicant or the 21th past advise, that 4 great from h Ships laden with Corn were lately advantable. cit away by a Storm at Port Negro on the Coult of Bar-let. The Moors do still befinge Genera; They know ac-need an Outwork which they had undermined, but were watermined by the Spinia; ds, and beaten off with gat loss. A thousand Men of those that were in Genome what it was taken the laif year, are ordered to march to Missa, from whence they will be fent to the relief of Cura. The Conde de Montellano is made Governor of the Council of the Indies. The Galcons will be fent out

commas, April 2. The Spanish Expedition Pacquet Both, Captain Francis Clies Commander, arrived here the job past from Falmouth, and in his Voyage himer took a French Vessel bound to Newsoundland. The last letters from Lisban give an account, that the Queen of Pringal was brought to Bed of a Prince: And that the Reinsster had brought in a French Ship laden with Fruit.

Leghone, March 21. Yesterday morning came into this Road the Southampton, Plimouth, Falmouth, Carlille, Adminer, and Newcastle, in 10 days from Messina, where they left their two Prizes the Contens and the Trident; The said Frigats stayed here but a few hours, and then said Frigats stayed here but a few hours, and then said Frigats stayed here but a few hours, and then said Frigats stayed here but a few hours, and then said Frigats to the Westward with some Merchant Ships under their Convolution to meet with two French. filed again to the Westward with some Merchant Ships much their Convoy; hoping to meet with two French hiracers, who went out of this Port the 18th, and were sempessed of Cape Corso. The Ruby, Bonadventure, Propress African, and Jacob, are arrived at Messina from Isst: We have advice, that the Princess, a Merchant Ship that lately failed from hence on her Voyage homeward, was met and taken near the Island of Sardinia by the two French Men of War who were returning to Toula from cruising in the Channel of Malta, where they off their two Companions before-mentioned; Most of the samenbelonging to the Princess were sent to Callary, and some of them are come hisher.

fine of them are come hither.

Thin, March 28. The Duke of Savoy went from hence.

Milan. Prince Eugene Twin, March 28. The Duke of Savoy went from hence the 19th, and met the Governor of Milan, Prince Eugene of Savoy, and the other General Officers of the Army at France, where they held a Council of War, and went amounts to view the Ground about Cazal, in order to the besteging it; A Train of Artillery is ordered thither, and its faid the Troops are to be all before the place by the 2d or 3d of the next month; In the mean time the Dike of Savoy is returned hither for a few days. We hear ken Dauphine, that the French Troops are preparing to put the Montatins, and that they are to Rendezvous near pas the Mountains, and that they are to Rendezvous near

Foice, March 28. The great Convoy for the Levant fe ful on Wednesday last; and another will be ready to follow in a short time, with which will be sent thither a tailer Relationement of 18 o Soldiers. We have Advice from the Marca, that the Venerian Forces appointed for the Grand of the Isthmus of Corines, had attack'd some

of the Enemies Troops that were posted near Thebes, and of the Enemics Troops that were possed near Thebes, and had routed them, killing 7 or 800 upon the piace, and taking several Prisoners. The Senate have received Letters of the 10th Instant from their Fleet, which continued in the Road of Spalmasori, near the Island of Scio, to observe the Motions of the Enemy, whose Galleys were at Metelin, and their Men of War at Freis and Smirna. The new Fortifications at Scio are finished, and the place in a very good condition to resist the Turks in case they shall make any attempt upon it a Fer which their preparations

new fortifications at sold are findined, and the place in a very good condition to reflit the Turks in case they shall make any attempt upon it; For which their preparations go on but flowly.

Vienna, March 30. Prince Lewis of Baden will go from hence the next week to his House in Bohemia, where he intends to stay some few days, and then will return to Germany to command the Confederate Army on the Rhine. Recruits are sent early to Hungary; and the Imperial Forces that are to act on that side are ordered to be at their Reflections in May; Tis not yet declared who shall command them. There is a Discourse, that the Elector of Saxony will find some of his Forces to the Emperors assistance in Hungary. An Expressarrived here yesterday from Silesta, with an account, that the Princess Radzeville, Wise of Prince Charles of Newbourgh, was brought to Bed the 22th Instant of a Son, who died the same day, and she the day tollowing; This Princess was Heiress to a very great Estate in Polana. The last Letters from Turkey say, the new Grand Signior had continued all the great Officers in the several Stations wherein they served his Predecesser; and that the Turks went on with their design to regain Seto.

Francfort, April 6. The Elector of Mentz died the 3 oth of the last month at Aschaffenburg, and is succeeded in that Archbishoprick and Electorate by the Bishop of

goth of the lair month at Aschaffenburg, and is succeeded in that Archbishoprick and Electorate by the Bishop of Bamburg, who was before his Coadjuror.

Paris, April 3. The French Kings Journey to Compeigne remains fixed for the 26th of this month; The General Officers of the Army in Flanders are not yet declared; but 'tis generally believed the Chief Commind of it will be given to the Mareschal de Villeroy: A Detachement of 150 Men is ordered to be made out of each Company of the Musketeers, but 'tis not yet said where they are to serve. The Mareschal de Noailles has sent away his Servants and Baggage to Catalona; and he himself will tollow in a day or two, his departure being hastned by the news of another defeat our Troops in those parts have lately received near Blanes on the Sea Coast, which place they had quitted, and in their retreat were attack'd by the Spaniards, and after a sharp dispute put to slight; The French lost in this Action 400 Men, besides Officers. The Frigats that have been sitted out at Rochesfort and other places on the Ocean, are commanded by the Marquis de Nismind, sexcept some that are designed for Convoys to the West-Indies and other parts) and they say he is to have with him in all 15 or 20 Sil, whereof 6 are Ships of good force. The great Ships at Brest and Toulos are laid up. They are very apprehensive at this Court of some Insult upon their Coasts: Monsieur de Vanbon is sent to Brest, and is made Lieurenant General of the Marine. Monsieur Philippeaux, Son of Monsieur de Ponehartrin, is sone to view the Maritime Places of Provence, where we to Brest, and is made Lieutenant General of the Marine. Monsieur Philippeaux, Son of Monsieur de Ponehartrin, is gone to view the Maritime Places of Provence, where we are told they are making a floating Machine with Parapets of Cannon proof, on which are to be planted Cannon, to secure the Entrance of the Port of Marseilles. A Fleet of between 30 and 40 Szil of French Vesses bound from Rechelle to the Westward, were lately attacked by several English and Dutch Frigars, and most of them taken or destroyed; there being only g or 10 of them got into Haure de Graze.

Bruffils. #

Ь

Bruffels, April 10. The Duke of Holftein-Ploen went from hence the last week to Melines, and returned hither again yesterday in the Evening, together with the Duke of Wirtemberg. The Mareschal de Boufflers was some days ago at Courtray, and gave Orders for making a new Line or Fortification between the Rivers Lys and new Line or Fortification between the Rivers Lys and Schelde, to cover Couriray and Harlebecke, and we hear fince that the French have drawn together a Body of their Troops to protect the Werkmen that are employed in this Service; and in order to hinder this defign of the Enemies, we are told that the Troops of the Neighbouring Garifons are ordered to move towards Flanders; and part of these quartered in this City will begin their march to morrow. Brigadier Lumley arrived here the last week, and had Audience of their Electoral Highnesles of Barvaria, to Compliment them upon their Marriage in the Name of His Majesty of Greaz-Britain. A Party of the Garison of Huy has again cavied away 3 Vessels laden with Hay that lay in the Meuse near Namur, and missed very narrowly of taking a 4th that had on board several Pieces of Cannon. The French have begun to Bake Ammunition Bread at Mons for their Forces that are to assemble near that place. that place.

Hague, April 12. rgo upon all Mer N. S. The States have laid an Emall Merchant Ships until their Fleet shall be Manned. The Spanish Envoy has made an Agreement with the Owners and Masters of several Ships to Transport 3000 Men from Flanders to Catalonia; who are to Embark in few days at Fulfing in Zealand. Several Bomb

Vessels are fitting out at Rotterdam.

Falmouth. April 1. This day come in here the Spanish-Expedition in 7 days from Corunna. In her passage out-ward she took a French Ship of 60 Tuns. Chatham, April 5. This day was Launched at His Majesty's Yard a New Bomb Vessel Named The Serpent, built by Mr. William Lee, His Majesty's Master Ship-wrights Assistant at the said Yard.

Whitehall, April 6. The Count de Buteliere, Envoy from the Duke of Savoy, had the 4th Instant Audience of Her Royal Highness the Princess, and the next day of His Royal Highness the Prince of Denmark, to Condole the Death of the late Queen, to which he was Conducted by Sir Charles Cotterell Master of the Ceremonies.

Kenfington, April 6. The High Sheriff, Grand Inquest, and Justices of the Peace for the County of Warwicke, met at the late Assizes there, have made an Humble Address to His Majesty, in which they Condole the Death of our late Gracious Queen of Blessed Memory, and beg Leave to give His Majesty a faithful Assurance of their readiness to serve His Majesty to the unfolf of their Power in conscious to all the Majesty. their Power, in opposition to all His Majesty's Enemies whatsoever; Which was delivered by William Bromley Esq;and Andrew Archer Esq;Knights of the Shire for the faid County.

The High Sheriff, Justices of the Peace, and Grand Jury of the County of Cornwall, do in like manner with the deepest Sorrow Condole the Queens Death, and Assure His Majesty, that they will with their Lives and Fortunes assert His Majetty's Rightful and Lawful Title to these Kingdoms, and Support and Defend His Sacred Person and Government, against all His Enemies at Home

and Abroad.

The High Sheriff, Justices of the Peace, and Grand Jury of the County of Hereford, do in an Humble Address to His Majesty, beg Leaveto Express themselves to be deeply afflicted for the Death of the late Queen, and under the strictest Obligacions of Duty and Gratitude to Assure His Majesty of their firm Adherance and constant Fidelity to His Majesty's Person and Government, and that they will be most vigilant and active in supporting His Majesty's Interest and Government against the open Affaults, and fecret Infinuations, of all His Ma-Foreign or Domeslick; Which was delivered by the Right Honourable the Lord Coningiby.

All which Addresses His Majesty

All which Addresses His Majesty Accepted very Graciously.
