PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order in Council, dated the twenty-eighth day of November, nineteen hundred and fourteen, His Majesty was pleased to make regulations (called the "Defence of the Realm Regulations") under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas it is expedient further to amend the said regulations in manner hereinafter appearing:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the following amendments be made in the said regulations:—

"(5) No individual return or part of a return made, and no information obtained, under this regulation, shall without lawful authority be published or disclosed by any person except for the purpose of a prosecution under this regulation.

"(6) If in any case the Board are of opinion that it is expedient to obtain information from any person in connection with any horses or vehicles, the Board may, without making an order for the purpose, require that person to furnish them with that information, and where the Board so require any information to be furnished the provisions of this regulation shall apply to information furnished and the furnishing of the information as they apply to returns made and the making of returns.

"(7) The powers conferred by this regulation shall not be exercised as respects horses and vehicles used wholly or mainly in agriculture except in connection with a preconceived scheme to be put in operation in case of invasion or special military emergency, and nothing in this regulation shall authorise any person to sell or part with the possession of, or buy, any horse in contravention of Regulation 2r or of the conditions of any licence granted thereunder.

Nothing in this provision shall affect any covenant or condition as to the user of premises.

"(3) If in any case the Board of Agriculture and Fisheries with a view to maintaining the food supply of the country certify that a local authority has been unreasonable in refusing to grant any permission under this regulation or that any directions required by a local authority to be observed are unreasonable, the Local Government Board may exercise such powers as are hereinafter conferred upon the local authority and any permission granted or directions given by the Local Government Board in such a case shall have effect as if they had been granted or given by the local authority.

"(4) Where any permission has been granted under this regulation such permission shall continue in force until withdrawn and shall not be withdrawn for a period of five years after it has been granted, if and so long as such rules as may be made by the Board of Agriculture and Fisheries, with the concurrence of the Local Government Board, with respect to the keeping of pigs are observed.

HIGH COURT OF AUSTRALIA.

As of Tuesday, the 4th day of December, A.D. 1917.

It is ordered as follows:—

I. The following Rules shall stand as Order XLIIA. of the Rules of the High Court and may be cited as the "Admiralty Rules."

ORDER XLIIA.

PRACTICE IN ADMIRALTY ACTIONS.

1. Except as by this Order otherwise pro-

vided the Rules of the Court relating to the procedure of the Court in its original jurisdiction shall so far as they are respectively applicable apply to Admiralty actions.

1. General.

2. The term "Admiralty Action" means any action, cause, suit, or other proceeding instituted in the Court in the exercise of the jurisdiction conferred on it by the *Colonial Courts of Admiralty Act, 1890*, and the *Judiciary Act, 1914*.

3. Admiralty actions shall be commenced by writ of summons. Every such action shall be entitled "In the High Court of Australia in Admiralty." The title "Emperor of India" shall be added to the titles of the Sovereign.

4. In Admiralty actions for seamen's or master's wages, two or more persons claiming relief against the same person or property may be joined as plaintiffs.

5. Actions for condemnation of any ship, boat, cargo, proceeds, slaves, or effects, or for recovery of any pecuniary forfeiture or penalty, shall be instituted in the name of the King.

6. In an Admiralty action *in personam* the defendants may be described as the owners of the ship instead of by their personal names.

7. In Admiralty actions *in rem* the description of the *res* shall be in such one of the forms following, as may be applicable, with such variations as circumstances may require, that is to say:—

(a) The Ship ;
or (b) The Ship and freight ;
or (c) The Ship her cargo and freight ;

or (if the action is against cargo only),

(d) The cargo *ex* the Ship (state the name of ship on board of which the cargo now is or lately was laden) ;

or (if the action is against the proceeds realized by the sale of the ship or cargo),

(e) The proceeds of the ship ;

or (f) The proceeds of the cargo *ex* the Ship ; (or as the case may be.)

8. The indorsement of claim on the writ shall be in such one of the forms in the Schedule to this Order as may be applicable.

9. In Admiralty actions for seamen's or master's wages, or for master's wages and disbursements or for necessaries, or for bottomry, or any other Admiralty action in which the plaintiff desires an account, the indorsement on the writ may include a claim to have an account taken.

10. A seaman suing in an Admiralty action for his wages or for the loss of his goods or clothes in a collision shall not be required to give security for costs.

2. Arrest of Property.

11. In Admiralty actions *in rem* a warrant for the arrest of property, which shall be in the Form in the Schedule, with such variations as circumstances may require, may be issued by the Registrar at the instance either of the plaintiff or the defendant, at any time after the writ of summons has been issued. But, except by leave of the Court or a Justice, a warrant of arrest shall not be issued until an affidavit by the party or his agent setting forth the particulars hereby prescribed, has been filed, and

the following provisions have been complied with, that is to say:—

(a) The affidavit shall state the name and description of the party at whose instance the warrant is to be issued, and the nature of the property to be arrested and that the claim or counter claim has not been satisfied, and that the aid of the Court is required to enforce it;

(b) In an action for wages or of possession the affidavit shall state the national character of the ship, and, if the ship is foreign, that notice of the action has been served upon a consular officer of the State to which the ship belongs, if there is one resident in the place of the Registry in which the writ of summons is issued;

(c) In an action for necessaries the affidavit shall state the national character of the ship, the port to which the ship belongs, and that to the best of the deponent's belief, no owner or part owner of the ship is domiciled in the Commonwealth at the time of the commencement of the action;

(d) In an action between co-owners relating to the ownership, possession, employment, or earnings of a ship registered in the Commonwealth, the affidavit shall state the port at which the ship is registered and the number of shares in the ship owned by the party proceeding;

(e) In an action of bottomry, the bottomry bond, and, if it is in a foreign language, also a notarial translation thereof, shall be produced for the inspection and perusal of the Registrar, and a copy of the bond, or of the translation thereof, certified to be correct, shall be annexed to the affidavit.

12. The Court or a Justice may in any case, if they or he think fit, allow the warrant to issue, although the affidavit in the last preceding Rule mentioned may not contain all the prescribed particulars. The Court or a Justice may also, in an action for wages against a foreign ship, dispense with the service of the notice, and, in an action of bottomry, with the production of the bond.

3. Service and Arrest.

13. In Admiralty actions *in rem*, service of the writ of summons or warrant of arrest shall not be required when the defendant or his solicitor agrees to enter an appearance and put in bail, or pay money into Court in lieu of bail.

14. In Admiralty actions *in rem* the writ of summons and warrant of arrest shall be served by the Marshal or his officer, and the party issuing the warrant shall, within six days from the service thereof, file the same in the Registry with a certificate of service indorsed thereon.

15. In Admiralty actions *in rem*, the service of a writ of summons *in rem*, or warrant against a ship, freight, cargo, or other property, is to be effected as follows:—

(a) Upon a ship, or upon freight, cargo, or other property if the cargo or other property is on board the ship, by nailing or affixing the original writ or warrant for a short time on the mainmast or on the single mast of the ship, or on some other conspicuous part of the vessel, and on taking off the process leaving a true copy of it nailed or affixed in its place;

(b) Upon freight, cargo, or other property if the cargo or other property is not on board a vessel, by placing the original writ of summons or warrant for a short time on the

cargo or property and on taking off the process leaving a true copy of it thereon;

(c) Upon freight in the hands of any person, by showing the original writ or warrant to him, and leaving with him a true copy of it;

(d) Upon proceeds in Court by showing the original writ to the Registrar, and leaving with him a copy of it, which service shall be a sufficient arrest of the proceeds.

16. If access cannot be obtained to the property on which the writ or warrant is to be served the service may be made by showing it to the person appearing to be in charge of the property and leaving with him a copy of it and also publishing a copy in some newspaper ordinarily circulating in the locality where the property is.

4. Appearance.

17. A solicitor who fails to enter an appearance in pursuance of his written undertaking so to do, or who fails to put in security in an Admiralty action *in rem*, in pursuance of a like undertaking, shall be liable to attachment.

5. Pleadings. Discontinuance.

18. In Admiralty actions *in rem*, the plaintiff shall, if required to deliver a statement of claim, and unless otherwise ordered by the Court or a Justice, deliver his statement of claim within twelve days from the entry of appearance by the Defendant.

19. In Admiralty actions the Court or a Justice may extend or shorten the time for pleading to any pleading of the opposite party.

20. The discontinuance of an Admiralty action by the plaintiff shall not prejudice any action consolidated with it.

6. Caveats and Releases in Admiralty Actions.

21. A party desiring to prevent the arrest of any property, may cause a caveat against the issue of a warrant for the arrest thereof to be entered in the Registry.

22. For the purpose in the last preceding Rule mentioned, the party shall cause to be filed in the Registry a notice, signed by himself or his solicitor, undertaking to enter an appearance in any action that may be commenced against the property, and to give security in such action in a sum not exceeding an amount to be stated in the notice, or to pay such sum into Court; and a caveat against the issue of a warrant for the arrest of the property shall thereupon be entered in a book to be kept in the Registry, called the Caveat Warrant Book.

23. A plaintiff commencing an action against any property in respect of which a caveat has been entered in the Caveat Warrant Book, shall forthwith serve a copy of the writ upon the party on whose behalf the caveat has been entered, or upon his solicitor.

24. The party on whose behalf the caveat has been entered shall, if the sum in respect of which the action is commenced does not exceed the amount for which he has undertaken, give security in such sum within three days from the service of the writ.

25. After the expiration of twelve days from the filing of the notice in Rule 22 of this Order mentioned, if the party on whose behalf the caveat has been entered has not, within three days from the service of the writ, given security as required by the last preceding Rule, the

plaintiff may proceed with the action as upon default of appearance.

26. If, when the action comes before the Court, the Court is satisfied that the claim is well founded, it may pronounce for the amount which appears to be due, and may enforce payment thereof by attachment against the party on whose behalf the caveat has been entered, as well as by the arrest of the property, if it then is, or thereafter comes, within the jurisdiction of the Court.

27. Property arrested by warrant in Admiralty actions shall not be released except under the authority of an instrument issued from the Registry, to be called a release.

28. A party desiring to prevent the release of any property under arrest, shall file in the Registry a notice, and thereupon a caveat against the release of the property shall be entered in a book, to be kept in the Registry, called the Caveat Release Book.

29. Except as hereinafter provided, a party may obtain the release of any property by paying into Court the sum in respect of which the action has been commenced, or giving security for the like sum.

30. Cargo, arrested for freight only, may be released by filing an affidavit as to the value of the freight, and by paying the amount of the freight into Court, or upon an order of the Court or a Justice upon proof that the freight has already been paid.

31. In an action for salvage, the value of the property under arrest shall be agreed, or an affidavit of value filed, before the property is released, unless the Court or a Justice otherwise orders.

32. A party who has given security in the sum in respect of which the action has been commenced, or paid such sum into Court, and if the action is one of salvage, has also filed an affidavit as to the value of the property arrested, shall be entitled to a release for the same, unless a caveat against the release is outstanding in the Caveat Release Book.

33. A release may also be issued by the Registrar, unless there is a caveat outstanding in the Caveat Release Book, on a consent in writing being filed, signed by the party at whose instance the property has been arrested, or on discontinuance or dismissal of the action in which the property has been arrested.

34. The release, when obtained, shall be left with the Marshal by the party taking it out, who shall also at the same time pay all costs, charges, and expenses attending the care and custody of the property while under arrest; and the property shall thereupon be released.

35. The Registrar may refuse to issue a release without the order of a Justice.

36. A party delaying the release of any property by the entry of a caveat shall be liable to be condemned in the costs and damages occasioned thereby, unless he shows to the satisfaction of the Court or a Justice good and sufficient reason for having done so.

37. Nothing in these Rules shall prevent a solicitor from taking out a warrant for the arrest of any property, notwithstanding the entry of a caveat in the Caveat Warrant Book; but the party at whose instance any property in respect of which the caveat was entered has been arrested shall be liable to have the war-

rant discharged and to be condemned in costs and damages, unless he shows to the satisfaction of the Court or Justice good and sufficient reason for having so done.

38. A book shall be kept in the Registry, called the Caveat Payment Book, in which caveats shall be entered against the payment of money out of Court in Admiralty actions.

39. A person desiring to prevent the payment of money out of Court in an Admiralty action must file a notice objecting to the payment, and thereupon a caveat shall be entered in the Caveat Payment Book.

40. The party at whose instance a caveat payment is entered, shall be liable to be condemned in the costs and damages occasioned thereby, unless he shows to the satisfaction of the Court or Justice good and sufficient reason for entering the caveat.

41. If the person entering a caveat is not a party to the action, the notice shall state his name and address, and an address within one mile of the Registry, at which it shall be sufficient to leave all documents required to be served upon him.

42. A caveat may at any time be withdrawn by the person at whose instance it has been filed, on his filing a notice withdrawing it.

43. The Court or a Justice may set aside any caveat.

7. Trial.

44. Admiralty actions shall be tried by a Justice without a jury.

45. Notice of trial shall be given before entering the cause or questions or issues for trial; and a cause may be entered for trial, notwithstanding that the pleadings are not closed, provided that notice of trial has been given.

46. The entry must be made within six days after notice of trial is given; otherwise the notice of trial shall cease to have effect.

47. If the party giving notice of trial omits to enter the cause or issues for trial on the day or the day after giving notice of trial, the party to whom notice has been given may, within four days thereafter, enter the same for trial, unless in the meantime the notice has been countermanded.

48. In an Admiralty action, if no appearance has been entered, the plaintiff may, at any time after the time limited for appearance, apply to a Justice for leave to enter the action for trial *ex parte*.

49. In an Admiralty action, if an appearance has been entered, either party may give notice of trial and enter the action for trial as soon as the last pleading has been delivered, or as soon as the time allowed to the opposite party for delivering any pleading has expired without such pleading having been delivered.

50. In Admiralty actions either party may, at any stage of the proceedings, apply to the Court or a Justice for an Order that the trial shall take place on an early day to be appointed by the Court or Justice; and on such application the Court or Justice may appoint that the trial shall take place on any day or within any time which the Court or Justice may think fit; and for such purpose may dispense with giving notice of trial, or may abridge the time or

times appointed by these Rules for giving notice of trial or for the delivery of pleadings, or for doing any other act or taking any other proceedings in the action, upon such terms, if any, as may be just.

51. In an Admiralty action *in rem*, if the writ of summons has been indorsed with a claim to have an account taken, or if the liability has been admitted or determined and the question is simply as to the amount due, the Justice may, on the application of either party, fix a time within which the accounts and vouchers, and the proofs in support thereof, shall be filed, and at the expiration of that time either party may give notice of trial and enter the action for trial.

52. The party entering the cause or questions or issues for trial, shall deliver to the proper officer two copies of the whole of the pleadings, if any, and of the issues, or of such other proceedings as show the questions for trial, one of which shall be for the use of the Justice at the trial.

56. In an Admiralty action a party desiring to make a tender in satisfaction of the whole or any part of the adverse party's claim, shall pay into Court the amount tendered by him, and shall file a notice of the terms on which the tender is made.

57. Within eight days after the filing of the notice, the adverse party shall file a notice stating whether he accepts or rejects the tender, and if he does not do so, he shall be deemed to have rejected it.

58. Pending the acceptance or rejection of a tender, the proceedings in the action shall be suspended.

8. Motions.

61. The Court or a Justice may refer the assessment of damages and the taking of any account to the Registrar, either alone or assisted by a merchant or merchants.

62. Within twelve days from the day when the order for the reference is made, the claimant shall file his claim and his affidavits verifying the same; and within twelve days from the day when the claim and affidavits are filed, the adverse party shall file his counter affidavits.

63. After the filing of the counter affidavits, six days shall be allowed to either party for filing further affidavits, and after that period no further affidavits shall be filed, unless by order of the Court or a Justice, or by permission of the Registrar.

64. Within three days from the expiration of the time allowed for filing the last affidavits, the claimant shall file in the Registry a notice, praying to have the reference set down for hearing, and if he does not do so, the adverse party may apply to the Court or a Justice to have the claim dismissed with costs.

65. At the time appointed for the reference, if either party is present, the reference may be proceeded with; but the Registrar may adjourn the reference from time to time as he may deem proper.

66. Witnesses may be produced before the Registrar for examination, and the evidence may, on the application of either party, but at the expense in the first instance of the party on whose behalf the application is made, be taken down by a shorthand writer or reporter appointed by the Justice, who shall be sworn faithfully to report the evidence; and a transcript of the shorthand writer's or reporter's notes, certified by him to be correct, shall be admitted to prove the oral evidence of the witnesses on an objection to the Registrar's report.

67. Counsel may attend the hearing of any reference, but the expenses attending the employment of counsel shall not be allowed on taxation, unless the Registrar is of opinion that the attendance of counsel was necessary.

68. When a reference has been heard, the Registrar shall make a report in writing of the result in the form of a certificate, showing the amount, if any, found due, and to whom, together with any further particulars that may be necessary.

69. The Registrar may, if he thinks fit, report whether any and what part of the costs of the reference shall be allowed, and to whom.

70. When the report is ready, notice shall be sent to the parties, and either party may thereupon take up and file the report.

71. Within two weeks from the date of the filing of the Registrar's report, either party may give notice of motion to vary the report, specifying the items objected to.

72. At the hearing of the motion the Justice may make such order thereon as he thinks just, or may remit the matter to the Registrar for further inquiry or report.

73. If a notice of motion to vary the report is not filed within two weeks from the date of the filing of the Registrar's report, the report shall stand confirmed.

10. Appraisement or Sale.

74. In Admiralty actions the Court or a Justice may, either before or after final judgment, order any property under the arrest of the Court to be appraised, or to be sold without appraisement, and either by public auction or by private contract.

75. If the property is deteriorating in value, the Court or a Justice may order it to be sold forthwith.

76. If the property to be sold is of small value, the Court or a Justice may, if they or he think fit, order it to be sold without a commission of sale being issued.

77. The Court or a Justice may, either before or after final judgment, order any property under arrest of the Court to be removed, or any cargo under arrest on board ship to be discharged.

78. The appraisement, sale, and removal of property, the discharge of cargo, and the demolition and sale of a vessel condemned under any Slave Trade Act, shall, except as provided by Rule 76 of this Order, be effected under the authority of a commission which, unless the Court or a Justice otherwise orders, shall be addressed to the Marshal, and executed by the Marshal or his officers.

79. The commission shall, as soon as possible after its execution, be filed by the Marshal, with a return setting forth the manner in which it has been executed.

80. The Marshal shall pay into Court the gross proceeds of sale of any property which has been sold by him, and shall at the same time bring into the Registry the account of sale, with vouchers in support thereof, for taxation by the Taxing Officer, who shall proceed to tax the same.

81. Any person interested in the proceeds may be heard before the Taxing Officer on the taxation of the Marshal's account of expenses, and an objection to the taxation shall be heard in the same manner as an objection to the taxation of a solicitor's bill of costs.

11. *Books, &c.*

There shall be kept in the Registry a separate book, to be called the "Admiralty Minute Book," in which the Registrar shall enter in order of date, under the head of each Admiralty action, and on a page numbered with the number of the action, a record of the commencement of the action, of all appearances entered, all documents issued or filed, all acts done, and all judgments and orders made in the action, whether made by the Court or a Justice or by consent of the parties.

12. *Service of Process by Marshal.*

87. Every instrument to be served or executed by the Marshal shall be left with the Marshal by the party at whose instance it is issued, with written instructions for the service or execution thereof.

88. The service or execution of any instrument by the Marshal or his officer shall be sufficiently proved by his return, which shall state by whom the warrant has been served or executed, and the date and mode of service or execution, and shall be signed by the Marshal. When any instrument issued in an Admiralty action is served by any other person, the service shall be proved by affidavit.

13. *Time.*

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd day of May, 1918, in the words following, viz. :—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions, as are from time to time directed by Order in Council:

"And whereas Your Majesty was graciously pleased, by Your Orders in Council bearing dates the 8th day of October, 1914, and the 22nd day of December, 1915, to authorize us to promote a number of Warrant Officers and Non-Commissioned Officers of the Royal Marines to Commissioned Rank for various services outside the ordinary requirements of Your Majesty's Fleet, and further to provide that such Officers should be permitted to retire either after 10 years' Commissioned Service, or on attaining the age of 55:

"And whereas we consider that the Officers who have been so promoted, and have reached the rank of Captain, should be borne supernumerary to Establishment on attaining the

normal age for the retirement of Captains, Royal Marines, who have not passed for Major, viz., 42 years, in order that their retention on the Active List after that age should not prejudice the promotion of other Officers, and that such Officers who are eventually promoted to the rank of Major should be eligible for improved pay:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction the following proposals:—

(1) Captains, Royal Marines, who were promoted under the Orders in Council before mentioned to be borne supernumerary to Establishment on attaining the age of 42 years.

(2) Such of these Officers as serve sufficiently long to be promoted in their turn to the Rank of Major, and are not selected for absorption in the Establishment of Majors, to remain supernumerary, and to receive on retirement the Retired Pay due to their Service, as provided in Your Majesty's Order in Council of the 5th of December, 1916, with an addition of £10 for each complete year served in the Rank of Major, provided that their total Retired Pay shall not exceed £250 per annum.

(3) Majors who are absorbed in the Establishment to be eligible, at the discretion of the Admiralty, for Retired Pay on Retirement for age or physical unfitness, or on Voluntary Retirement, as follows:—

(a) £250 per annum, after 23 years' Service. Service to reckon from age 18.

Service in the ranks to count as half and Service as Warrant Officer as full time.

(b) £300 per annum, after 7 years' service as Substantive Major in the Establishment.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Almeric FitzRoy.

CORN PRODUCTION ACT, 1917.
AGRICULTURAL WAGES BOARD
(ENGLAND AND WALES).

MINIMUM RATES OF WAGES FIXED FOR MALE WORKMEN IN NORFOLK, TO COME INTO FORCE ON THE 20TH MAY, 1918.

The Agricultural Wages Board (England and Wales), duly established and constituted under Section 5 (1) of the above Act, and the Regulations made by the Board of Agriculture and Fisheries, dated the 8th November, 1917, having given the Notice prescribed by the said Act, and having considered all Objections duly lodged with them, and having had regard to the provisions of sub-sections (6) and (7) of Section 5 of the Act, hereby give Notice, as required by sub-section (4) of the said Section, that they have fixed the following minimum rates of wages for male workmen of 18 years of age and over employed in agriculture for time-work in the area comprising the administrative county of Norfolk and the county boroughs of Norwich and Great Yarmouth, that is to say:

(1) The wages payable for employment in Summer (as hereinafter defined) of male workmen in agriculture of 18 years of age and over shall not be less than wages at the minimum rate of 30s. for 54 hours (exclusive of meal times).

(2) The wages payable for employment in Winter (as hereinafter defined) of male workmen in agriculture of 18 years of age and over shall not be less than wages at the minimum rate of 30s. for 48 hours (exclusive of meal times).

(3) The above minimum rates shall apply to all male workmen of 18 years of age and upwards who are wholly or partly employed in agriculture within the meaning of Section 17 (1) of the Corn Production Act, 1917, in the above-mentioned area during such time as they are so employed.

(4) For the purpose of the above minimum rates, employment in Summer shall be deemed to be employment during the period commencing on the first Monday in March and terminating on the last Sunday in October; and employment in Winter shall be deemed to be employment during the rest of the year.

(5) The above minimum rates shall come into operation on the 20th day of May, 1918.

Dated this eleventh day of May, 1918.

Signed by order of the Wages Board,
F. Popplewell,
Secretary.

Agricultural Wages Board,
80, Pall Mall,
London, S.W. 1.

It is provided by the above Act as follows:

4. (1) Any person who employs a workman in agriculture shall pay wages to the workman at a rate not less than the minimum rate, as fixed under this Act and applicable to the case, and, if he fails to do so, shall be liable on summary conviction in respect of each offence, to a fine not exceeding twenty pounds, and to a fine not exceeding one pound for each day on which the offence is continued after conviction therefor:

Provided that such a person shall not be liable to be so convicted if he proves that he

did not know, and could not with reasonable diligence have ascertained, that the wages paid were less than the wages required under this Act to be paid.

(2) In any proceedings against an employer under this Section the court may, whether there is a conviction or not, order the employer to pay, in addition to the fine, if any, such sum as appears to the court to be due to the workman employed on account of wages, the wages being calculated at the minimum rate; but the power to order the payment of wages under this provision shall not be in derogation of any right of the workman to recover wages by any other proceedings.

(3) Any agreement for the payment of wages in contravention of this section, or for abstaining to exercise any right of enforcing the payment of wages in accordance with this section, shall be void.

(4) The provisions of this section as to payment of wages at a minimum rate shall operate as respects able-bodied men as from the commencement of this Act (although a minimum rate of wages may not have been fixed), but only so as to enable any sum which would have been payable under this section to an able-bodied man on account of wages for time-work if a minimum rate for able-bodied men had been fixed to be recovered by the workman from his employer at any time not exceeding three months after the rate is fixed:

Provided that no sum shall be recoverable under this provision except in a case in which and to the extent to which the wages paid have not, in the opinion of the court, been equivalent to wages for an ordinary day's work at the rate of twenty-five shillings a week.

5. (3) If the Agricultural Wages Board are satisfied that any workman employed or desiring to be employed on time-work to which a minimum rate fixed by the Board is applicable is affected by any mental or other infirmity or physical injury which renders him incapable of earning that minimum rate, the Board may grant to the workman, subject to such conditions, if any, as they prescribe, a permit exempting the employment of the workman from the provisions of this Act requiring wages to be paid at not less than the minimum rate, and while the permit is in force an employer shall not be liable to any penalty for paying wages to the workman at a rate less than the minimum rate so long as any conditions prescribed by the Board on the grant of the permit are complied with.

6. Any workman employed in agriculture on piece-work for which no minimum piece-rate has been fixed, or any person authorised by such a workman, may complain to the Agricultural Wages Board that the piece-rate of wages paid to the workman for that work is such a rate as would yield in the circumstances of the case to an ordinary workman a less amount of wages than the minimum time-rate applicable in the case of that workman, and the Board may on any such complaint direct that the employer shall pay to the workman such additional sum by way of wages for any piece-work done by him at that piece-rate at any time within

fourteen days before the date of complaint, or at any time after the date of complaint and before the decision of the Board thereon, as in the opinion of the Board represents the difference between the amount which would have been paid if the work had been done by an ordinary workman at the minimum time-rate and the amount actually received by the workman making the complaint, and any sum so directed to be paid may be recovered by the workman from the employer summarily as a civil debt.

7. Any workman employed in agriculture, or any person authorised by a workman so employed, may complain to the Agricultural Wages Board that the wages paid to the workman by any employer are at a rate less than the minimum rate applicable in the case of that workman, and the Board shall consider the matter, and may, if they think fit, take any proceedings under this Act on behalf of the workman.

17. (1) (a) the expression "agriculture" includes the use of land as grazing, meadow, or pasture land, or orchard, or osier land, or woodland, or for market gardens or nursery grounds, and the expression "agricultural" shall be construed accordingly; and

(d) the expression "employment" means employment under a contract of service or apprenticeship, and the expressions "employ" and "employer" shall be construed accordingly.

Applications for Permit of Exemption under the proviso to Section 5 (3) of the Act may be made by employer or worker and should be addressed to the Secretary, the Norfolk District Wages Committee, Thelveton Grange, Scole, Norfolk, from whom forms of application for Permits can be obtained.

Complaints under Section 6 of the Act should also be addressed to the Secretary, the Norfolk District Wages Committee, as above.

Complaints under Section 7 of the Act should be addressed to the Secretary, the Agricultural Wages Board (England and Wales), 80, Pall Mall, London, S.W. 1.

3. Where the employment of a workman is for a week or longer period and the conditions of the employment provide for the working hours in each week being either generally or in certain events less than 54 in summer or 48 in winter, the minimum rates of wages set out in paragraphs 1 and 2 above (hereinafter referred to as the normal rates) shall not apply, and in lieu thereof the minimum rates of wages for the employment of the workman on time-work shall be such increased rates as will secure to the workman wages for employment on time-work during the lesser number of hours provided for by the conditions of his employment equal to the wages payable at the normal rate for 54 hours in summer or 48 hours in winter as the case may be.

4. For the purpose of the above minimum rates employment in summer shall be deemed to be employment during the period commencing on the first Monday in March and terminating on the last Sunday in October; and employment in winter shall be deemed to be employment during the rest of the year.

5. The above minimum rates shall apply to all male workmen of 18 years of age and upwards who are wholly or partly employed in agriculture within the meaning of Section 17 (1) of the Corn Production Act, 1917, in the above-mentioned area, during such time as they are so employed.

6. For the purpose of the above minimum rates meal times shall not be included in the period of employment.

The Agricultural Wages Board, as required by Section 5 (4) of the above Act will consider any objections to the above rates which may be lodged with them within one month from the date of this Notice. All objections should be in writing, and should be addressed to the Secretary, The Agricultural Wages Board (England and Wales), 80, Pall Mall, London, S.W. 1. The objections should state precisely,

ADMIRALTY

NOTICE TO MARINERS.

No. 593 of the year 1918.

ENGLAND, SOUTH COAST.

Tor Bay Approaches—Traffic Regulations.

Former Notice.—No. 534 of 1918; hereby cancelled.

Two ship-passages have been established as follows:—

Northern ship-passage, 600 feet wide, marked by light-buoys on either side, situated 8 cables, 142° (*S. 22^{\circ} E. Mag.*), from the Ore Stone. This ship-passage is to be used by:—

(1) All vessels approaching Tor Bay from the eastward.

Such vessels should make a position one mile, 44° (*N. 60^{\circ} E. Mag.*), from the ship-passage and enter on a course 224° (*S. 60^{\circ} W. Mag.*) till half a mile beyond the ship-passage.

(2) All east-bound vessels leaving Tor Bay.

Such vessels should steer so as to pass through the ship-passage on a course 44° (*N. 60^{\circ} E. Mag.*) and should continue on this course for one mile, when course is to be altered to join the route in force.

Southern ship-passage, 600 feet wide, marked by light-buoys on either side, situated 7 cables, 82° (*S. 82^{\circ} E. Mag.*), from Berry Head. This ship-passage is to be used by:—

(1) All vessels approaching Tor Bay from the southward and westward.

Such vessels should make a position one mile, 144° (*S. 20^{\circ} E. Mag.*), from the ship-passage, and enter on a course 324° (*N. 20^{\circ} W. Mag.*) till half a mile beyond the ship-passage.

(2) All south and west bound vessels.

Such vessels should steer so as to pass through the ship-passage on a course 144° (*S. 20^{\circ} E. Mag.*) and should continue on this course for a mile beyond the ship-passage, when course is to be altered to join the route in force.

Caution is necessary when entering southern ship-passage as the stream sets obliquely across the entrance. A drifter regulates traffic through each ship-passage, and when no signals are displayed by these drifters by day or by night the ship-passage is open for incoming traffic.

To indicate that the ship-passage is open for outgoing traffic these drifters will display:—

By day: A black shape.

By night: Two horizontal *white* lights.

No outgoing vessel is to approach within half a mile of the ship-passage unless this signal is displayed and permission has been given to proceed.

Priority will be given to incoming vessels over outgoing vessels in respect to passage through the ship-passages, but incoming vessels are not to approach within half a mile of the ship-passages while they are open to outgoing vessels. All vessels entering or leaving Tor Bay during darkness must exhibit their side lights.

During fog *three* long blasts on the steam whistle repeated at intervals of *five minutes* will indicate that the ship-passages are clear for outgoing vessels.

Vessels approaching Tor bay in foggy weather should sound the regulation fog-signal and proceed with great caution.

No. 30683.

C

ANCHORAGE REGULATIONS.

All orders given by the patrols are to be strictly carried out.

Vessels entering Tor bay anchorage in order to bunker at Brixham, and westbound vessels in ballast which are weather-bound and unable to round Start Point are to anchor as directed in Brixham roads to the westward of a line drawn in a 0° (*N. 16^{\circ} E. Mag.*) direction from Brixham breakwater light, and to the southward of a line drawn in a 90° (*S. 74^{\circ} E. Mag.*) from Goodrington.

Sailing vessels are to anchor as directed on the inshore side of a line drawn in a 219° (*N. 45^{\circ} W. Mag.*) direction through Brixham breakwater light, clear of the fairway into Brixham harbour.

All other vessels are to anchor as directed on entering.

REGULATIONS FOR BRIXHAM FISHING VESSELS.

No fishing vessel is on any account to attempt to pass through the ship-passages during the hours of darkness.

Fishing vessels are not to leave Brixham harbour until permission has been obtained from the Port Fishery Officer. The three organised fleets working from Brixham are to follow the motions of the Admiral of their fleet in respect to leaving harbour.

The conduct of these fleets is dealt with by local orders.

In addition to the restrictions to fishing laid down in Admiralty Notices to Mariners:—

Trawling or drifting is prohibited within two miles of the obstruction in any direction.

The laying of nets, crab or any other pots, or anchoring for the purpose of fishing with hand lines is entirely prohibited within half a mile of the obstruction in any direction.

REGULATIONS RESPECTING SMALL CRAFT AND PLEASURE BOATS.

The following regulations are to apply to all small craft and pleasure boats (exclusive of *bona fide* commercial fishing craft sailing under fishing permits) using the harbours of Brixham, Paignton and Torquay.

No small craft or pleasure boat will be permitted to go outside the ship-passages.

Small craft with amateur fishing permits can obtain special permission to pass through the ship-passages between the hours of sunrise and sunset provided they keep within the three-mile limit from their port. Such permission must be obtained from the Senior Naval Officer, Torquay, through the Station Officer of the Coast-guard Station.

Small craft must not go alongside, or hold communication with any vessel in the anchorage unless special permission from the Senior Naval Officer has been obtained to do so.

Variation.— 16° W.
