ARMY COUNCIL ORDER.

DEFENCE OF THE REALM
REGULATIONS.PROHIBITION OF THE LIFTING AND USE OF HAY
AND STRAW IN ENGLAND AND WALES.

In pursuance of the powers conferred on them by the Defence of the Realm Regulations and of all other powers thereunto enabling them the Army Council hereby give notice that all hay and threshed hay, oat straw and wheat straw, rye wheat straw, buckwheat straw, barley straw, mustard straw, rye straw, pea straw, bean straw and threshed tares (hereinafter in this Order referred to as hay and straw forage) now standing in bulk in England and Wales or as and when harvested, except such hay or straw of the 1917 or earlier crop as has been released by sale licence, is taken possession of by the Army Council and shall from the date of this Order, or as and when harvested, be held at the disposal of the duty authorised officers of the War Department.

2. Producers and consumers having hay and straw forage in their possession at the date of this Order may continue (subject as regards producers to the provisions of paragraph 3 hereof) to use a reasonable quantity of such hay and straw forage for consumption by stock in their possession or under their control.

3. Every producer desirous of using hay and straw forage in his possession for consumption by stock in his possession or under his control must forthwith make application in writing to the District Purchasing Officer for Supplies of the County in which the hay and straw forage is situate for such hay and straw forage to be inspected with a request that a producer consumer's licence may be issued to him for such quantity thereof as he may require for consumption by stock in his possession or under his control for the period ending the 30th September, 1919. Such application must state (a) the description and estimated quantity of hay and straw forage in the applicant's possession, and if it is standing in ricks or bays the number of such ricks or bays and the approximate tonnage of each (b) the description of hay and straw forage and the estimated quantity of each description he will require for consumption by stock in his possession or under his control (c) the number and description of stock in his possession or under his control.

4. Until inspection has been made and the application for a producer consumer's licence has been finally disposed of the producer may continue to use a reasonable amount of hay and straw forage in his possession for consumption by stock in his possession or under his control.

5. Any producer consumer's licence shall be liable to revision on and after the 15th April, 1919.

6. All hay and straw forage in the possession of the producer for which a producer consumer's licence has not been issued as aforesaid will be taken by the Army Council.
