NOTE (6).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms such as "Handel Maatschappij" (Trading Company) or "Naamlooze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the firm under its proper name, followed by the general descriptive term "Handel Maatschappij" or "Naamlooze Venootschap" (N.V.) as in the case of an English company. For instance, Handel Maatschappij van den Berg & Company and Naamlooze Venootschap de Komeet v/h Dumonceau Frères will be found under "Berg" and "Komeet" respectively, and not under "Handel" or "Naamlooze."
