MERSEY CONSERVANCY ACT.

*Mersey Conservancy,
Private Office,
Admiralty, London, S.W. 1,
4th February, 1919.*

I hereby give notice, pursuant to the 9th Section of the Act 5 & 6 Victoria, cap. 110, intituled "An Act for better preserving the Navigation on the River Mersey," that I have received a notice from Messrs. H. & C. Grayson, Limited, Garston, Liverpool, given pursuant to the provisions of the above mentioned Act, of their intention to construct a portable launchway in accordance with plans and sections deposited at this Office, a copy of which notice is subjoined.

*A. Mostyn Field,
Admiral,*

Acting Conservator of the Mersey.

To Admiral Sir A. Mostyn Field, K.C.B., F.R.S., &c., Acting Conservator of the Mersey.

In pursuance of an Act for better preserving the Navigation of the River Mersey (5 & 6 Vic., cap. 110), We, Messrs. H. & C. Grayson, Limited, Shipbuilders and Engineers, Garston, Liverpool, hereby give you notice that we propose to construct at our Garston Shipbuilding Yard a portable launchway extension in accordance with plans and sections deposited at the Office of the Mersey Conservancy.

Position about 500 yards south of Stalbridge Dock Entrance, extending 60' beyond river wall and built of timber.

The object of such extension is to enable us to launch vessels at neap tides.

The structure is portable, and made so that it can be floated to positions to suit Nos. 1, 2, 3 and 4 building berths.

It will not, in our opinion, impede or interrupt in any way the tidal waters of the River Mersey.

Dated this 29th day of January, 1919.
