CARGOES EX THE ENEMY VESSELS
SEIZED BY PORTUGAL.

Foreign Office,
April 8, 1919.

With reference to the notifications which were published in the London Gazette of May 30, 1916, and August 3, 1917, respecting the release of Allied and neutral merchandise found on enemy vessels in Portuguese harbours, a translation of a further Decree which has now been issued by the Portuguese Government on the subject is appended:—

DECREE No. 5334, MARCH 22, 1919.

[TRANSLATION.]

Considering that it was only after the signature of the armistice and the liberation of Belgium that it has been possible for some of the subjects of that country to obtain the documents necessary to support the applications for the delivery of goods which formed part of the cargoes of the ex-German ships in Portugal and her colonies; considering that not only such subjects but also those of other countries, either allied in war or friendly, equally contend that only now, owing to the new international situation, they are able to put forward their claims in these matters; desiring to afford the Governments of all these countries a proof of their good will in taking into consideration such restoration of property:

The Government of the Portuguese Republic decrees, and I hereby promulgate, to have the force of law, as follows:—

ARTICLE I.

The period for the presentation of any claims for the delivery of goods referred to in Article 32 of Decree No. 2350 of the 20th of April, 1916,* and for the production of documents relating to fresh claims or in support of claims already presented, is hereby extended to the 31st December, 1919.

ARTICLE II.

The provisions of Article II. of Decree No. 3246 of the 13th of July, 1917,† intended to simplify the ordinary procedure by presentation of the guarantee certificates therein specified, are hereby extended to all claims for goods made during the above-mentioned period, provided such certificates are produced within the same period.

ARTICLE III.

Legislation to the contrary is hereby revoked.

It is therefore commanded that all the authorities to whom the knowledge and execution of this Decree with force of law appertain shall fulfil it and cause it to be fulfilled in its integrity as therein contained.

The Ministers of all the Departments shall cause this Decree to be published.

(Increase of Borrowing Powers, Temporary and otherwise; Redeemable Debenture Stock; Substitution of Standard Calorific Value for Standard Illuminating Power; Repeal of Sections 15, 16, 17 and 18 of Dover Gas Act, 1901, as to Sale of Stock by Auction or Tender; and other Provisions in Lieu thereof; Incorporation, Repeal and Amendment of Acts.)

APPPLICATION is intended to be made to Parliament in the present Session by the Dover Gas Company (hereinafter called "the Company") for leave to bring in a Bill (hereinafter called "the Bill") for all or some of the following purposes (that is to say):—

To increase or provide for an increase in the amounts which the Company may raise by the creation and issue of debenture stock or may borrow under the Dover Gas Works Act, 1860, or under any other Act relating to the Company or of the proportionate amounts which the Company may so raise or may borrow in relation to the capital authorized by or from time to time issued, accepted or paid up under the said Acts or any of them and to create or provide notwithstanding any provisions relating to the raising or the issue of such stock or such borrowing for further borrowing and for the creation and issue of further amounts of debenture stock by the Company or their directors to such extent and in such manner and otherwise as may be prescribed by or provided for under the Bill.

To authorize the Company to issue as a redeemable stock any debenture stock created by the Company upon such terms and conditions as may be provided by the Bill or prescribed by the resolution of the Company creating the same, including an option to the Company to call in and pay off such Debenture Stock or any part thereof at any time before the date fixed for the redemption thereof, and to authorize the creation and issue of new debenture stock (whether redeemable or otherwise) or the re-issue of redeemable debenture stock originally created and issued as aforesaid for the purpose of providing the moneys required for redemption or in or by way of substitution for such redeemable debenture stock or any part thereof, and to empower the Company to redeem such debenture stock by either or both of such methods.

To authorize the Directors of the Company from time to time after providing for the payment of interest on any loan or on any mortgage debentures and debenture stock and any preference shares or stock of the Company and providing for other fixed charges and obligations, to set apart out of revenue such sums either annual or otherwise as they may consider necessary to provide for the redemption of any redeemable debenture stock and to enable the directors to accumulate and hold the sums so provided and to invest the same and the resulting income and to apply the sum so accumulated in the redemption of any redeemable debenture stock or in the purchase from time to time for cancellation of such redeemable debenture stock, and to enable the Company

to borrow money and apply the same and the revenues of the Company to all or any of those purposes.

To authorize the directors of the Company from time to time by virtue of the intended Act and without further or other sanction or authority to exercise all or any of the powers conferred upon the Company by the Bill.

To repeal Sections 15, 16, 17 and 18 of the Dover Gas Act, 1901, and to enact other provisions as to sale of stock by auction or tender in lieu thereof.

To repeal, alter or amend the existing provisions of the Dover Gas Order, 1885, and any Act incorporated therewith relating to the testing of the illuminating power of gas and the liability of or obligations on the Company in respect thereof and to relieve the Company from any liability, obligation, penalty or forfeiture in connection with the illuminating power of gas supplied by them.

To render inapplicable to the Company the provisions relating to the matters lastly hereinbefore mentioned of the Gasworks Clauses Act, 1871, and any other general enactment.

To repeal or alter any existing limitation on the amount of any dividends payable by the Company on preference shares or stock, and to make new and further provisions with reference to the dividends payable on any such shares or stock.

To provide that ordinary meetings of the Company shall be held annually instead of half-yearly, and to authorize the directors of the Company to declare half-yearly dividends without the sanction or direction of a general meeting, and to make provisions as to the closing of the register of transfers, and to relieve the Company and the directors thereof from the obligation to make up half-yearly balance-sheets.

To authorize the Company to apply to any of the purposes of the Bill any capital or funds belonging to the Company.

To vary or extinguish all rights, privileges and exemptions which would interfere with the intended objects, and to confer other rights, privileges and exemptions.

To repeal, alter and amend, in addition to the enactments hereinbefore particularly referred to, all or any of the provisions of the Dover Gas Works Act, 1860, and any other Act or Provisional Order relating to the Company or their undertaking.

To incorporate and apply, with or without modification, or to render inapplicable all or some of the provisions of the Companies Clauses

Acts, 1845 to 1889 and the Gasworks Clauses Acts, 1847 and 1871.
