exceeds 5, notwithstanding that the number of hours worked in the week does not exceed 48.

5. Provided:—

(a) That where it is or may become the established practice of an employer only to require attendance on 5 days a week, the Overtime Rate shall only be payable where on any day the number of hours worked exceeds 9½.

(b) That where it is or may become the established practice of an employer to require attendance only on alternate Saturdays, the normal number of hours for the week in which attendance on Saturday is required shall be deemed to be 50.

But in the application of these Provisos, where the employer requires attendance on any day on which it is not the established practice of the employer to require attendance, all time worked on such day (not being a Sunday or a customary public or statutory holiday) shall be paid for at time and a quarter for the first two hours and time and a half thereafter.

The above rates shall apply, subject to the provisions of the Trade Boards Act, to all workers who are employed during the whole or any part of their time in any branch of the trade specified in the Trade Boards (Corset) Order, 1919—that is to say:

(a) The manufacture of corsets, stays, children's corset bodices, infants' stay bands, bust confiners, such as brassieres and bandeaux when boned or with elastic webbing in their construction.

(b) The manufacture of support or abdominal belts and similar articles, except where made in association with or in conjunction with the manufacture of surgical instruments.

(c) The assembling of stocking suspenders in conjunction with or in association with the manufacture of any of the above-mentioned articles.

(d) All warehousing, packing, or other operations incidental to or appertaining to the manufacture of any of the above-mentioned articles.

The Trade Board will consider any Objections to the above Proposals to Fix which may be lodged with them within two months from 18th August, 1919. Such objections should be in writing and signed by the person making the same (adding his or her full name and address), and should be sent to the Secretary of the Corset Trade Board, 5, Chancery Lane, London, W.C. 2.

It is desirable that objections should state precisely, and so far as possible with reasons, what is objected to.

Application for further information as to the rates proposed to be fixed should be made to the Secretary of the Trade Board.
