PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th year of Her late Majesty Queen Victoria (Session 2), Chapter 26, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 31st day of July, 1919, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th year of Her late Majesty Queen Victoria (Session 2), Chapter 26, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorizing certain improvements at the Episcopal House of Residence belonging to the See of Gloucester, which is situate in the City of Gloucester:

"Whereas the Right Reverend Edgar Charles Sumner, now Bishop of Gloucester, is desirous that certain improvements should be made at the said Episcopal House of Residence and has submitted to us the particulars of such proposed improvements, and we have approved the same:

"And whereas the said Bishop is also desirous and it appears to us to be expedient that towards the cost of effecting the said proposed improvements a sum of £400 (being a sum which, together with the outstanding balance of the sum already borrowed upon the same security, does not exceed 2 years' income of the See) should be provided by the borrowing of the same sum by way of mortgage upon the security of all and every part of the lands tenements and hereditaments endowments or emoluments which now belong or may hereafter belong to the Bishopric of Gloucester:

"Now, therefore, with the consent of the said Edgar Charles Sumner, Bishop of Gloucester, (testified by his having affixed his signature and Episcopal Seal to this Scheme), We, the said Ecclesiastical Commissioners for England, humbly recommend and propose that the said Bishop be authorized to borrow from the Governors of the Bounty of Queen Anne and that the said Governors be empowered to lend under the provisions of the above-mentioned Acts any sum not exceeding £400 and that as a security for the same the said Bishop do mortgage all and every part of the lands tenements and hereditaments and endowments or emoluments which now belong or may hereafter belong to his said See to the said Governors by Deed for the term of 15 years or until the said sum so to be borrowed as aforesaid with the interest for the same as hereinafter mentioned, and all costs and charges which may attend the recovery thereof shall be fully paid and satisfied, and that such principal sum shall be repaid with interest in the manner following: that is to say, during and in respect of the first period of 12 months of the said term, computed from the day of the date of the mortgage, no part of the said principal sum shall be repayable, but the said Bishop or his successors shall yearly, at the end of the second period of 12 months so computed, and at the end of every such like period of 12 months thereafter, pay to the said Governors, their successors or assigns, one tenth part of the said principal sum until the whole thereof shall be repaid and shall also at the end of the first and each succeeding period of 12 months, computed as aforesaid, pay interest at the rate of £4 per centum per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid, and that if and when it shall happen that either the principal or the interest directed to be paid as hereinbefore mentioned shall be in arrear and unpaid for the space of 40 days after the same shall become due, it shall and may be lawful for the said Governors, their successors and assigns, to recover the same and the costs and charges attending the recovery thereof by distress and sale in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale and that such mortgage Deed shall be in the form and to the effect to be approved by us the said Ecclesiastical Commissioners and shall bind as well the said Edgar Charles Sumner, now Bishop of the said Diocese of Gloucester, as every succeeding Bishop of the same Diocese until the principal money and interest, costs and charges shall have been paid off and discharged.

"And we further recommend and propose that the said sum so to be borrowed as aforesaid shall be paid to us the said Ecclesiastical Commissioners and that the receipt of one of our Joint Treasurers for the time being indorsed on the said mortgage Deed shall be a good and sufficient discharge of the said Governors and their successors for the same who shall not be bound or required to see to the application thereof and that upon the receipt of the said sum so to be borrowed as aforesaid the whole or any part or parts thereof shall be applied by us at such times and in such manner as shall appear to us to be expedient towards effecting the said proposed improvements at the Episcopal House of Residence aforesaid:

"And We further recommend and propose that nothing herein contained shall prevent us
