Ministry of Labour,
Whitehall, S.W. 1.

27th August, 1920.

In pursuance of the powers conferred on him by the Trade Boards Acts, 1909 and 1918, the Minister of Labour is pleased to establish a Trade Board in Ireland for the branch of the trade specified in the Trade Boards (Waste Materials Reclamation) Order, 1920, which is set out below:—

The General Waste Branch of the Waste Materials Reclamation Trade, that is to say:—

1. The collecting, sorting or grading of the following materials:—rags; waste paper; paper stock; woollen, worsted, cotton, jute, flax, hemp or other textile waste; textile clippings or cuttings; used bags, sacks or sacking; scrap rubber; scrap iron or other scrap metal; fur cuttings; rabbit skins; bones or fat; used tins; broken glass or earthenware;

2. the collecting, sorting or grading of the following articles when collected, sorted or graded in association with or in conjunction with the collecting, sorting or grading of the waste materials specified above:—discarded clothing (including head-gear or foot-gear); discarded textile articles; old ropes; used bottles or used jars;

3. the following operations when carried on in association with or in conjunction with the collecting, sorting or grading of any or all of the waste materials specified in 1 above:—the ripping of worn clothes for rags; the picking of old ropes; the trimming of paper salvage; the washing of used bottles or used jars; the washing of used tins; the breaking of scrap metal; the drying of rabbit skins; the making or repairing of sacks or bags; the willowing, pulling, scouring, carbonising, or putting down mixings of textile waste;

4. the operations of receiving, packing, compressing, teagling, craning, despatching or warehousing when carried on in association with or in conjunction with any of the above-mentioned operations;

but excluding:—

(a) Any of the above-mentioned operations when carried on in the establishment in which the waste materials are produced or in which they are used as raw materials for further manufacture;
