

subject to the terms of Article two of this Order.

4. No person other than a native shall occupy any portion of a Native Reserve except by special permission given in accordance with such regulations as may be issued by the Administrator, with the approval of the High Commissioner.

5. The boundaries of the belt of land six miles wide on each side of the railway line to be constructed between Umvuma and Odzi, which is excluded from the Sabi Reserve by the terms of the Government Notice No. 57 of the 15th February, 1918, shall be defined by a Government Notice to be published in the Gazette and shall be subject to the approval of the High Commissioner, who shall have power to require such modifications of the breadth of the belt (which shall no where exceed twelve miles) to be made as may, in his opinion, be necessary in the interests of native settlements.

6. The re-assignment of the Native Reserves effected by the Government Notices mentioned in Article 2 of this Order shall, subject to the provisions of this Order, be taken to be a final assignment by the Company to natives inhabiting Southern Rhodesia of land sufficient for their occupation, as required by Article 81 of the Principal Order, and that Article is hereby revoked accordingly.

7. In the case of any land hitherto forming part of a Native Reserve but no longer included in any Native Reserve under the provisions of this Order, such land shall be taken to be released from assignment as land for the occupation of natives inhabiting Southern Rhodesia, provided always that for a period of four years from the commencement of this Order no native shall be removed from any such land except in accordance with the provisions of Article 85 (1) of the Principal Order, and all questions relating to the settlement of natives on any such land shall be dealt with and decided in the manner provided by Article 82 of the Principal Order.

Provided further that in the case of the belt of land referred to in Article 5 of this Order, the period of four years hereinbefore mentioned shall be reckoned from the date of the publication of the Government Notice defining the boundaries of such belt.

8. This Order shall come into operation forthwith and shall be published in the Gazette, and the High Commissioner shall give directions for the publication of this Order at such places and in such manner and for such times as he thinks proper for giving the due publicity thereto.
