FRIDAY, 19 NOVEMBER, 1920.

At the Court at Buckingham Palace, the 9th day of November, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 21st day of October, 1920, in the words and figures following, that is to say:—

“ We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorizing the sale and disposal of certain property in the Parish of Northallerton, in the County of York, now vested in us:

“ Whereas under and by virtue of the several Indentures, particulars whereof are set forth

in the Schedule hereunder written, the lands, tenements and hereditaments situate in the Parish of Northallerton aforesaid, and particularly described in the same Indentures and Schedule became with their appurtenances and are now vested in us:

“ And whereas none of the said lands, tenements and hereditaments is subject to any outstanding beneficial lease or grant but the same are now in our possession, but some portions thereof on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed:

“ And whereas with a view to the advantageous appropriation of the same or of the proceeds thereof for the ultimate improvement of our Common Fund it is expedient that the said lands, tenements and hereditaments or such part or parts thereof as we shall at any time and from time to time think fit should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such lands, tenements and hereditaments, or in

any part or parts thereof, in such manner as shall appear to us advisable :

" Now, therefore, we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements and hereditaments so vested in us as aforesaid, under and by virtue of the said several Indentures, or any of them, with their appurtenances, and all our estate, right, title and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same and his or their heirs, executors, administrators or assigns, or otherwise, as he or they shall direct or appoint and for such consideration as shall upon due

calculation and enquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands, tithes, rent charges, tenements, or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary Stock or other public securities in England.

" And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

The following Statute made by the Governing Body of Worcester College, Oxford, on the 28th day of June, 1920, and the 20th day of October, 1920, and sealed on the 15th day of November, 1920, has been submitted for the approval of His Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions of "The Universities of Oxford and Cambridge Act, 1877."

EX PARTE THE PROVOST AND FELLOWS OF WORCESTER COLLEGE IN THE UNIVERSITY OF OXFORD.

A Statute made to amend certain Statutes framed by the Commissioners appointed under the Universities of Oxford and Cambridge Act, 1877 (40 and 41 Victoria, c. 48), in relation to Worcester College in the University of Oxford, duly passed at General Meetings of the Governing Body of the said College, specially summoned for this purpose on the 28th day of June, 1920, and the 20th day of October, 1920, by the votes of the whole number of persons present and voting and submitted to His Majesty the King in Council.

Whereas in Statute III., Clause 1, Paragraph 2, of the Statutes of the said College it is enacted:—

"The emoluments of a Fellowship shall be such a yearly sum, not more than £200, as the revenues of the College available for the time being will permit." And in Clause 10 of the same Statute it is enacted, inter alia:—"Any Fellow holding the office of Tutor or Bursar, who for not less than thirty years has served the College as Tutor, Lecturer, or Bursar, or in any one or more of those capacities, shall retain his Fellowship for life."

And whereas in Statute IX., Clause 1, it is enacted:—

"The application of the revenues of the College under the provisions and to the purposes of these Statutes shall be subject to any Statute or Statutes made for the University under the powers of the Universities of Oxford and Cambridge Act, 1877, for enabling or requiring the Colleges to make contributions out of their revenues to University purposes, and to the payment of the charges imposed thereby:"

And whereas it appears to us, the Provost and Fellows of the said College, that it is desirable that the said Statutes shall be altered and amended in manner hereinafter appearing:

Now, we, the Provost and Fellows of the said College, in exercise of the powers vested in us under and by virtue of the 54th Section of the Universities of Oxford and Cambridge Act, 1877, do by this present instrument under our Seal, alter and amend the Statutes of the said College as hereinbefore set out in manner following, that is to say:—

In Statute III., Clause 1, Paragraph 2, by substituting for the figures "£200" the figures "£300." And in Clause 10 of the same Statute by inserting after the words "shall retain his Fellowship for life" the words "and any Fellow who has thus acquired the right to retain his Fellowship for life, and has, by reason of election to the office of Provost, forfeited this right, shall, if he resigns the said office, recover the right thus forfeited, provided that a Fellowship so held shall not be included in reckoning the number of Fellows fixed for any purpose by these Statutes."

In Statute IX., Clause 1, by adding at the end of the Clause the words: "Provided that (1) any sum paid by the College for any University purpose in any year under the provisions of any amending Statute made by the College on or after December 1, 1919, and subsequently approved by His Majesty in Council, shall not be reckoned against the amount of the contribution due from the College under the provisions of the Statute 'Concerning College Contributions for University purposes' made by the University of Oxford Commissioners wholly for the University under the powers of that Act; (2) any charges (including any increase of existing charges) imposed or authorized to be imposed on the revenues of the College, whether for College or for University purposes, by any amending Statute made by the College on or after December 1, 1919, and subsequently approved by His Majesty in Council, shall in the event of any deficiency of the revenues of the College in any year be postponed to any charges for University purposes imposed or authorized by any Statute in force on November 30, 1919, and not subsequently repealed, or made by the College on or before November 30, 1919, and subsequently approved by His Majesty in Council."

Given under our Common Seal this 15th day of November, 1920.

The Seal of the College was affixed in the presence of—

(B) Workers Employed on Piece-Work.

I.—All Male Workers (including Learners) employed on Piece-work shall receive in respect of each hour of Overtime worked as set out in this Part of this Schedule, in addition to payment at Piece-Rates each of which would yield, in the circumstances of the case, to an Ordinary worker not less than the General Minimum Time-Rate applicable, an amount equal to the appropriate General Minimum Time-Rate, to One-Half of the appropriate General Minimum Time-Rate, or to One-Quarter of the appropriate General Minimum Time-Rate, according as the Overtime Rate which would have been payable under the provisions of paragraph (A) of this Section, if the worker had been employed on Time-work, were Double-Time, Time-and-a-Half, or Time-and-a-Quarter respectively.

Provided that an employer may employ a Female Learner on her first employment without a certificate of registration for a probation period not exceeding eight weeks, but the pro-

In order that this regulation may be clearly interpreted, the following amplifying rules have now been applied by the French Government:—

AIR MINISTRY NOTICE TO AIRMEN.

No. 123 of the year 1920.

ISSUE OF METEOROLOGICAL REPORTS:
W/T ROUTINE.

It is hereby notified:

HOURLY WEATHER MESSAGES ON
CIVIL AIR ROUTES:

1. Commencing from midnight, 5th/6th November, 1920, the hourly reports of meteorological information, prepared by the Forecast Service of the Meteorological Office and issued by W/T from the Air Ministry, are being sent in a modified code, of which particulars are given below. The essential features of the code are the same as those for Collective Station Reports of Class 3 of Annex G of the Convention for International Air Navigation, 1919, but the following modifications are to be noted:

(a) The figures for fitness for flying (F_1, F_2) are replaced by figures reporting direction and approximate speed of the low cloud.

(b) The separate codes for high or medium, and low cloud have been replaced by a single code in which clouds are grouped, but no change is made in the number of figures allocated to cloud reports.

(c) An additional group has been added to provide for the inclusion of information available only occasionally, or at sea coast stations. This group includes more precise specification of the height of the base of the low cloud when it is below 1,000 ft. It includes also the character of the swell and sea disturbance and the visibility towards the sea, as distinguished from the visibility landwards.

(d) The direction of the surface wind is reported on the scale 0-32, and not, as hitherto, on the scale 0-72.

2. Reports are issued daily, Sundays included, according to the following schedule:—

Wave Length	1,680 metres.
Nature of Transmission ...	Continuous Wave.
Call Sign	G.F.A.

Times of issue:

0735 G.M.T. giving observations for 0700 G.M.T.

0835 G.M.T. giving observations for 0800 G.M.T.

0935 G.M.T. giving observations for 0900 G.M.T.

- 1035 G.M.T. giving observations for 1000 G.M.T.
- 1135 G.M.T. giving observations for 1100 G.M.T.
- 1235 G.M.T. giving observations for 1200 G.M.T.
- 1335 G.M.T. giving observations for 1300 G.M.T.
- 1435 G.M.T. giving observations for 1400 G.M.T.
- 1535 G.M.T. giving observations for 1500 G.M.T.
- 1635 G.M.T. giving observations for 1600 G.M.T.

3. After the call sign G.F.A. comes the word "METEOR," indicating that a meteorological message is being transmitted. This is followed by one 4-figure group, giving the hour (G.M.T.) at which the observations were made. This time group is in turn followed by station index letters and figure groups giving the conditions at the following stations:—

Index Letters.	Station.
FXT ...	Felixstowe.
CDN ...	Croydon.
BGL ...	Biggin Hill.
LMP ...	Lympne.
BCD ...	Beachy Head.
DNS ...	Dungeness.
BOTLEY ...	Botley Hill (North Downs).

4. The letters DNS, when included, will be followed by a figure giving the Channel visibility at Dungeness. The Channel visibility at Hythe is given as the last figure of the 4th group of the report for LMP (Lympne) and the Channel visibility at Beachy Head is given as the last figure of the 4th group of the report for BCD (Beachy Head).

5. The word "BOTLEY" is followed by a statement in plain language of the conditions on the North Downs as viewed from Biggin Hill, when such a statement adds material information to that contained in the rest of the message.

6. At the end of the message a short forecast is given in plain language of the changes in the weather conditions anticipated in the period of daylight following the time of issue.

This begins with the word "FORECAST." The words "FORECAST UNALTERED" mean that there is no reason to modify the forecast sent in the preceding message.

7. The message transmitted at 0735 includes the values of pressure at Mean Sea Level at 0700 at Felixstowe, Croydon and Lympne, and the barometric change at these places in the three hours 0400-0700 G.M.T.

This information is sent in the following form:—

BAR B₁B₁B₁b₁b₁ B₂B₂B₂b₂b₂ B₃B₃B₃b₃b₃

Where B A R are index letters to signify that pressure values follow, and—

- B₁B₁B₁b₁b₁ = pressure and barometric change at Felixstowe.
- B₂B₂B₂b₂b₂ = pressure and barometric change at Croydon.
- B₃B₃B₃b₃b₃ = pressure and barometric change at Lympne.

The pressure is given in millibars and tenths (initial 9 and 10 omitted) and the barometric change in half-millibars per three hours (50 added for a falling barometer).

8. The message transmitted at 0835 includes the complete results of a pilot balloon ascent at Croydon or Lympne, when available, immediately before the forecast referred to in paragraph 6.

This part of the message is preceded by the index letters of the station, and by the five-figure index group 49860.

9. Copies of the detailed codes are to be found in the *Convention for the Regulation of Aerial Navigation*, 1919 (Command Paper 670), which can be obtained, price 1s., from H.M. Stationery Office, or through the usual agents.

Copies of the additional codes mentioned in paragraph 1, (a) (b) and (c) can be obtained on application to the Director, Meteorological Office, Air Ministry, Kingsway, W.C.2.

10. French reports similar to the above are issued from *Le Bourget* (Call Sign ZM, wave length 1,680 metres continuous wave) at the following times (G.M.T.):—

0730 giving observations for 0700	
0930 " " 0900	
1030 " " 1000	
1130 " " 1100	
1330 " " 1300	
1530 " " 1500	
1830 " " 1800	

(Paragraph 3 (2) of Notice to Airmen No. 98 of 1920, regarding the wave length used for this work by *Le Bourget* is amended accordingly).

The French hourly air route reports at the above times include observations from the following stations:—

	Index Group.
Le Bourget ...	P.1
St. Inglevert ...	P.2
Abbeville ...	P.3
Maubeuge ...	P.4
Havre ...	P.5

The code used is identical with that in which the collective reports for S.E. England are sent, except that in the codes for present and past weather (ww and WW in the third group) only a selection of the numbers in S.E. England code is employed.

In addition, a special message is sent at 0945 (G.M.T.) giving the upper wind at Le Bourget at 0800 in the code:—

Sernae HHHH—P1 Pilot DDVV, DDVV, DDVV, DDVV, DDVV

where HHHH—Time of message.

DD—Direction of wind on the scale 1 to 72 points.

VV—Speed of wind in metres per second.

the five groups DDVV referring to the wind at heights of 500 metres (1,500 ft.), 1,000 metres (3,000 ft.), 1,500 metres (5,000 ft.), 2,000 metres (7,000 ft.) and 3,000 metres (10,000 ft.).

11. Synoptic Reports and General Inferences are issued from the Air Ministry (G.F.A.) on 1,400 metres at 0205, 0805, 0915, 1405, 1905, 2000 G.M.T. and from Aberdeen (BYD) on 3,300 metres at 0230, 0830, 1430, 1930 G.M.T. Particulars of these are given in Notice to Airmen No. 94 of the year 1920.
