

lations, 1921, and of all other powers enabling them in that behalf, hereby direct as follows:—

1. The supply and acquisition of coal for consumption or otherwise in any dwelling house or in a building adjacent to or connected with a dwelling house and occupied or used as part thereof, or in any premises used or occupied for residential purposes, shall be subject to the provisions contained in these Directions.

2. No coal may be supplied or acquired for consumption or otherwise in any premises within the scope of these Directions unless a permit in writing shall first have been issued by the local authority or its duly authorised officer, prescribing the quantity of coal that may be supplied and acquired and specifying the premises and the consumer for which and by whom such quantity may be acquired.

3. No coal in excess of half-a-hundredweight may be supplied or acquired in any one week under the provisions of the last preceding Article, unless the local authority or its duly authorised officer shall certify that the supply and acquisition of a certain specified greater quantity is justified by exceptional circumstances and the nature of such exceptional circumstances is stated in writing upon any permit for such supply and acquisition: Provided that it shall be lawful for one hundredweight of coal to be so supplied and acquired in any one week in respect of that and the next succeeding week together.

4. The operation of Articles 3, 4 and 5 of the Coal (Emergency) Directions, 1921, is hereby suspended until further notice, and these Directions shall be substituted therefor during such suspension and shall be read as though they formed part of the said Coal (Emergency) Directions, 1921, and as though Part VIII thereof were incorporated with these Directions.

5. These Directions may be cited as the Coal (Emergency) Supplementary Directions, 1921, and shall come into force on the 15th day of April, 1921.

Dated this 14th day of April, 1921.

The Right Honourable W. C. Bridgeman, M.P., Secretary for Mines, has appointed Mr. William Wainwright to be a Junior Inspector of Mines under the Coal Mines Acts, 1887 to 1919, and has directed him to act also as an

Inspector for the purpose of the Metalliferous Mines Regulation Acts, 1872 and 1875, and of the Quarries Act, 1894.

ORDER OF THE BOARD OF TRADE DATED 16TH APRIL, 1921, PRESCRIBING THE QUALIFICATIONS OF SURVEYORS FOR THE PURPOSES OF SECTIONS 20 AND 21 OF THE COAL MINES ACT, 1911 (1 & 2 GEO. 5, c. 50).

In pursuance of the power conferred upon them by the Coal Mines Act, 1911, under the provisions of the Mining Industry Act, 1920, the Board of Trade hereby prescribe that, for the purposes of Sections 20 and 21 of the first-mentioned Act, a surveyor must hold a certificate from the Board for Mining Examinations or from an Institution approved by the Board of Trade, to the effect—

- (i) that he is at least 21 years of age;
- (ii) that he has had practical experience in the surveying of Mines
 - (a) for at least 4 years, or
 - (b) for at least 2 years and that he has received an approved Diploma or taken an approved Degree; or
 - (c) for at least 2 years and that he has passed satisfactorily a full course of instruction in surveying at an Institution approved as aforesaid; or
 - (d) for at least 2 years and that he served in His Majesty's Forces during the European War for a period of at least one year;
- (iii) that he is competent
 - (a) to make an accurate survey of the workings of a mine and to connect such survey with a surface survey;
 - (b) to make accurate levellings; and
 - (c) to plot accurately surveys and levellings;
- (iv) that he has given satisfactory evidence of his sobriety and general good conduct.

The Orders of the Board of Trade dated 21st January, 1921, and 23rd February, 1921, prescribing the qualifications of Surveyors, are hereby revoked, provided that any certificate of qualifications thereunder which is in force immediately before the date of this Order shall be deemed to be a certificate of qualifications under this Order.
