(III) The Licensee shall be entitled to call upon the owner of the copyright to take proceedings to prevent infringement thereof, and if within two months after being so called upon such owner fails to take the required proceedings, the Licensee may institute the same in his own name as though he himself were the owner of the copyright making the actual owner thereof a defendant, but so nevertheless that such owner when so added as defendant shall not be liable for any costs unless he enters an appearance and takes part in the proceedings.
