

Stockton Brook Railway Station, which said intended line or lines of pipes is wholly situate in the parish of Norton-in-the-Moors, in the county of Stafford.

Which said intended works will be situate in the parishes or places following, or some of them, that is to say:—

The parishes of Swynnerton and Trent-ham, in the rural district of Stone; the parish of Clayton, in the rural district of Newcastle-under-Lyme; the parish and borough of Newcastle-under-Lyme; the parish of Norton-in-the-Moors, in the rural district of Leek; all in the county of Stafford.

2. To divert the public footpath leading from the Milton and Endon-road to Edge Fields so far as it exists alongside the site of the roadway (Work No. 2) as shown on the deposited plans on to the said roadway.

3. To alter, remove and reconstruct the existing bridge over the Trent and Mersey Canal carrying the public footpath from the public road from Milton to Endon to Edge Fields, and which bridge is on the site of the proposed roadway (Work No. 2), and to divert temporarily the said public footpath.

4. To extend the period limited for the construction of the works authorized by section 5 of the Staffordshire Potteries Waterworks Act, 1912.

5. To authorize the Company to deviate from the lines and levels of the intended works as shown on the plans and sections thereof, to be deposited as hereinafter mentioned to such extent as may be prescribed or authorized by the intended Act.

6. To enable the Company to make and maintain all such cuts, channels, catchwaters, tunnels, adits, pipes, conduits, culverts, drains, sluices, bye-washes, shafts, wells, bores, water towers, overflows, waste-water channels, gauges, filter beds, tanks, banks, walls, roads, bridges, embankments, piers, approaches, engines, machinery, telegraphs, telephones and other apparatus, works and appliances as may be necessary or convenient in connection with or subsidiary to their undertaking or for the purpose of inspecting, maintaining, cleansing, repairing, conducting and managing the same, or for the obtaining, raising, taking and distributing of water.

7. To enable the Company by compulsion or agreement to purchase and acquire and to hold lands in the before-mentioned parishes and places, and any rights or easements in, over, under or affecting such lands, for the purposes of the said works and for other purposes of the intended Act, and of the Company's undertaking.

8. To enable the Company to purchase and acquire and to take on lease and to hold lands, buildings, waters, wells, springs, streams, easements and rights of water and other rights, easements and hereditaments, for the purposes aforesaid, and for the general purposes of their undertaking, and of the intended Act (including the protection of their water supply) and to vary or extinguish all rights over any such lands and notwithstanding the provisions of the Lands Clauses Acts to hold, use, lease, sell, exchange or dispose of any lands and buildings for the time being belonging to them, with or without reservation of the water or water rights or other easements belonging thereto.

9. To enable the Company to lay down,

maintain, alter, repair, take up, and renew mains, pipes, culverts, tubes, wires, and other works and apparatus, for the distribution and supply of water, and for the detection of waste, and for effecting telegraphic or telephonic communication between, to or from the Company's works and offices, and to open, break up, cross, divert, alter, or stop up, and interfere with, whether temporarily or permanently, all such roads, highways, footpaths, streets (including streets not dedicated to public use), dykes, pipes, sewers, canals, navigations, rivers, springs, streams, bridges, railways and tramways as it may be necessary or convenient to pass along, cross, divert, alter, or stop up and interfere with for the purposes of the Company for or in connection with the supply of water or of the intended Act.

10. To empower the Company from time to time to discharge water from any of the existing or intended works of the Company into any available stream, watercourse or drainage channels.

11. To alter and increase the amount of the guarantee to which the Company are entitled under section 35 of the Waterworks Clauses Act, 1847, when required to afford a supply of water under that section, and to extend the period during which such guarantee shall continue, and to alter the amount at present limited of the Reserved Fund which the Company is authorized to make.

12. To empower the Company to alter, vary or increase the rates, rents and charges which they are now authorized to demand, take and recover in respect of the supply of water for domestic purposes, including water-closets and baths, and for the supply of water by meter for other than domestic purposes, and to alter, amend, extend or repeal all or some of the provisions of the Staffordshire Potteries Waterworks Consolidation and Extension Act, 1853, and the Orders of the Board of Trade with reference thereto.

13. To make further provision with reference to meetings of the Company and the election of the Directors of the Company and otherwise with reference to the more convenient administration of the Company's affairs.

14. To empower the Company to make superannuation and other allowances and to provide for the payment of pensions and gratuities to their officers, servants and employees and to empower the Directors to fix and alter the remuneration of the Secretary of the Company.

15. To confer special powers on the Company and to make provision for and with respect to the prevention and detection of waste, the laying, repairing, maintaining and renewing of communication pipes and pipes common to the supply of several premises by the Company or the persons supplied or to be supplied, and whether by agreement with owners and occupiers or otherwise, and whether on public or private premises, and the recovery of the cost thereof from owners and occupiers, and to confer upon persons liable to maintain pipes and apparatus powers of breaking open streets and other property for that purpose.

16. To confer upon the Company all or any powers commonly conferred on water undertakers and not hereinbefore specifically referred to.

17. To define and regulate the capital and
