

atus, including any mains, pipes, works and apparatus acquired by them from Sir Richard Henry Williams Bulkeley, Bart., and to lay down and maintain and from time to time renew or discontinue new or additional mains, pipes and other works and apparatus for the purpose of supplying gas and of carrying or conveying any products or residuum of any materials employed in or resulting from the manufacture of gas or the treatment of residual products, and to lay down, place, erect, maintain, renew or remove mains, pipes and other works and apparatus requisite for supplying gas for motive or other power or for heating or manufacturing purposes or for lighting or for any other public or private purpose or otherwise for carrying out the objects of the Order, and to open, break up, cross, divert, alter or stop up, remove and interfere with, whether temporarily or permanently, all such roads, highways, footpaths, public and private streets, sewers, drains, streams, bridges, railways and tramways, gas and water mains and pipes, telegraphic, telephonic, pneumatic, electric lighting and other tubes, pipes, lines, wires and apparatus as it may be necessary or convenient to pass along, cross, divert, alter, or stop up and interfere with for the purposes of the Order.

To authorize and empower the Corporation to maintain and use, alter, improve and renew the existing gas works acquired by them from Sir Richard Henry Williams Bulkeley, Bart., and the works connected therewith, and to erect, maintain, and use, alter, improve, renew or discontinue gasworks and works for the conversion, manufacture, utilisation and distribution of materials used in and about or resulting from the manufacture of gas and of residual and manufactured products, matters and things, and to manufacture, store, supply and sell gas, and to manufacture, produce, store, convert, utilise, buy, sell and dispose of coke, coal, patent fuel, tar, lime, pitch, asphaltum, ammoniacal liquor, oil, and all other residual and manufactured products, matters and things upon the following lands, that is to say:—

Lands in the said parish and borough of Beaumaris containing 2 roods and 2 perches or thereabouts forming part of the enclosure numbered 71 on the Ordnance Map (Scale $\frac{1}{2500}$ Anglesey Sheet XX.1, edition of 1914) comprising the site of the existing gasworks together with the garden adjoining the said gasworks on the eastern side thereof and a strip of land with stream flowing through the same extending along the northern side of the said gasworks and off the said garden, the said lands being bounded on the north by the roadway leading from Beaumaris to the entrance to the said gasworks, on the west in part by the said roadway and in part by a continuation of the said stream, on the south, in part by other lands forming part of the said enclosure numbered 71 and in part by land forming part of enclosure numbered 72 on the said Ordnance Map, and on the east by lands also forming part of the said enclosure numbered 72.

To authorize the Corporation to purchase residual products arising from the manufacture of gas by other gas undertakers, and to purchase from other gas undertakers and elsewhere

and use materials required to work up and convert residual products.

To empower the Corporation by agreement to purchase, take on lease or otherwise acquire, and to hold lands, houses and buildings and rights or easements in or over lands, houses and buildings, and also to appropriate or set apart and use for the purposes of the Order any lands from time to time belonging to or held by the Corporation or to be acquired by or vested in them under the powers of the Order, and to sell, let, exchange or otherwise dispose of any lands, houses and buildings or other property, and to empower the Corporation to purchase, erect or take on lease or let dwelling houses for persons employed by them in connection with their gas undertaking, and offices, showrooms and other buildings for the purposes of that undertaking.

To make provision with reference to the charges to be made by the Corporation for gas supplied by them and among other things to provide (if thought fit) that as from such date as may be prescribed or provided for by the Order the Corporation may charge for gas supplied by them according to the calorific value of the gas supplied instead of on the basis of a charge per 1,000 cubic feet, and to relieve the Corporation from all liability in respect of the supply of gas of any prescribed illuminating power, and to provide that the provisions of the Order with reference to the quality and price of gas shall have effect as if the intended Order were an Order made by the Board of Trade under section 1 of the Gas Regulation Act, 1920.

To provide for the declaration by the Corporation of the calorific value of the gas to be supplied by them and for variations from time to time in the declared calorific value, and to make provision with reference to the pressure at which gas shall be supplied.

To prescribe maximum prices to be charged per thousand cubic feet, and as from such date as may be prescribed or provided for in the Order per therm, for gas supplied by the Corporation, and to authorize the Corporation to make increased or additional charges for gas supplied by them beyond such distance or distances from the gasworks or from the lands hereinbefore described or other point or points as may be prescribed or provided for in the Order.

To authorize the Corporation to vary the prices charged for gas according to the purposes for which it is supplied.

To authorize the Corporation to make discounts or rebates to consumers of gas in such circumstances and under such conditions as may be prescribed or provided for in the Order.

To make provision with reference to the construction, placing specification and inspection of pipes, meters and fittings.

To empower the Corporation to purchase, sell and let or hire, fix and repair or remove engines, stoves, ranges, pipes and other fittings, apparatus and appliances incidental to the supply, use or consumption of gas, and to exclude the same from liability to distress or to be taken in execution, and to provide that
