BRITISH NATIONALITY AND STATUS OF ALIENS ACTS, 1914 AND 1918.

In the Matter of Ludwig Neider-Hofheim.
Revocation of Certificate of Naturalization.

Whereas I am satisfied that Ludwig Nieder-Hofheim, to whom a certificate of naturalization numbered A8568 was granted on the 15th October, 1895, has shown himself by act to be disloyal and disaffected to His Majesty, and has since the date of the grant of the certificate been for a period of not less than seven years ordinarily resident out of His Majesty's Dominions otherwise than as a representative of a British subject, firm, or company carrying on business, or an institution established, in His Majesty's Dominions, or in the service of the Crown, and has not maintained substantial connection with His Majesty's Dominions, and that the continuance of the certificate is not conducive to the public good:

Now, therefore, by this Order, made in pursuance of the powers conferred upon me by Section 7 of the British Nationality and Status of Aliens Acts, 1914 and 1918, I revoke the said certificate, and I direct such revocation to have effect from the date hereof, and I further order the said certificate to be given up and to be cancelled.

And I further direct that Alice Nieder-Hofheim, the wife of the said Ludwig Nieder-Hofheim, shall cease to be a British subject.
