The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1914, and of every other power enabling him in this behalf, hereby orders as follows:—

1. The restrictions on movement of swine imposed by the Swine-Fever (Regulation of Movement) Order of 1908, and the Swine-Fever (Regulation of Movement) Application Order of 1917 (No. 1), shall not apply to the movement of swine from the sale mentioned in the Schedule hereto to any premises in Great Britain not being a Swine-Fever Infected Place, and not being in any Scheduled District

(i) The swine shall be moved to the place of destination specified in the licence and not elsewhere, and shall be there detained and kept separate from all other swine for twenty-eight days unless they are slaughtered on such premises before the expiration of that period, or are moved under and in accordance with the conditions of a licence in the Form C set forth in the said First Schedule to a bacon factory or slaughterhouse in the same Scheduled Area.

(ii) The swine shall be moved by the nearest available route without unnecessary delay, and during the movement shall, so far as is practicable, be kept separate from all swine not being moved with a licence under this Order.

(iii) After completion of the movement the licence shall forthwith be delivered up at, or sent by post to the nearest police-station in the same district by the person in charge of the swine at the time of completing such movement.

2. Swine may also be moved from the Sale mentioned in the Schedule hereto to premises situate in any Scheduled District for the purposes of the Foot-and-Mouth Disease (Control of Movement) Order of 1920, subject to the provisions of the Order of the Minister declaring such district to be a Scheduled District.
