

by a licence (Form C) authorising such movement granted by an Inspector of the Local Authority of the district in which such show is held, or by some person specially authorised by the said Local Authority to grant such licences. In the case of movement to and from such shows the licence required may be granted without the production of a declaration (Form B).

CHAPTER II.

Regulation of Markets, etc., in Scheduled Area.

8. No sale of swine shall be held in any market, fairground, or saleyard in the Scheduled Area unless it is authorised by the Local Authority of the district under this Order (which authority the Local Authority are hereby empowered to grant) or is specially authorised under the Swine-Fever (Movement from Ireland) Order of 1904, or any Order amending it.

Regulation of Movement of Swine from Markets, etc., or Pig-Dealer's Premises, in Scheduled Area.

9. Swine shall not be moved from any market, fairground or saleyard in the Scheduled Area, or from premises in that Area in the occupation of, or used by, any pig-dealer, except in accordance with the following provisions of this Article:—

(1) If the market or saleyard is specially authorised by the Local Authority under the Swine-Fever (Movement from Ireland) Order of 1904, or any Order amending it, swine may, while the premises are being used for the purposes of that Order, be moved therefrom only to a bacon factory or slaughterhouse and only if accompanied by a licence (Form C). The swine shall, before the movement commences, be marked in the manner described in Article 11 of this Order.

(2) Swine may be moved from any other market, fairground or saleyard, or from premises in the occupation of, or used by, any pig-dealer, in the Scheduled Area, either:—

(a) To any bacon factory or slaughterhouse if the swine are marked before the movement commences in the manner described in Article 11 of this Order, and are accompanied by a licence (Form C); or

(b) To any premises, except a market, fairground or saleyard, either within or outside the Scheduled Area, if accompanied by a licence (Form A).

(3) Swine moved with a licence (Form A) shall not, for a period of 28 days after arrival at the place of destination specified in the licence, be moved therefrom except to a bacon factory or slaughterhouse, and then only if the swine are marked before the movement commences in the manner described in Article 11 of this Order and are accompanied by a licence (Form C). Swine while detained under this Article shall be kept separate from all other swine. This Article does not prohibit the movement of the carcass of a pig slaughtered on the premises during the said period of 28 days.

(4) Licences under this Article may be granted without the production of a declaration (Form B).

CHAPTER III.—General.

Provision for Movement through Scheduled Area.

10.—(1) This Order shall not prevent or affect the movement of swine through the Scheduled Area by railway direct from and to places outside the Area if the swine are not untrucked within the Area except for the purpose of feeding and watering within railway premises where such untrucking takes place.

(2) Where swine are moved out of the Scheduled Area for the sole purpose of transit to a place of destination within the Area, or where they have been moved into the Area for the sole purpose of transit to a place of destination outside the Area, the swine shall be accompanied by a licence (Form C) authorising such movement granted by an Inspector of the Local Authority of the District in which the swine are when the movement commences. The licence shall specify the route to be taken, as well as the place of destination to which the swine are to be moved. The swine so moved shall not be subject to any restrictions imposed by this Order.

Marking of Swine.

11. Where swine are required by this Order to be marked they shall be marked by and at the expense of the owner by the painting with an indelible composition of red colour of a broad line down the back and another broad line across the loins of each of the swine, thus +, each line being not less than nine inches long.

General Provisions as to Movement.

12.—(1) Swine while being moved under the authority of a licence granted under this Order shall so far as is practicable be kept separate from all swine which are not being so moved, and shall be moved from the premises from which they are by the licence authorised to be moved by the nearest available route and without unnecessary delay to the place of destination specified in the licence and not elsewhere. Where swine are moved with a licence under this Order to a bacon factory or slaughterhouse they shall be there detained until they are slaughtered.

(2) Nothing in this Order shall be deemed to authorise the movement of swine which are in a Swine-Fever Infected Place or of swine the movement of which is prohibited by any other Order of the Minister or by notice served by an Inspector of a Local Authority or of the Ministry under any Order of the Minister.

Granting of Movement Licences.

13.—(1) Except where it is otherwise expressly provided movement licences granted under this Order shall be granted by an Inspector of the Local Authority of the district in which the premises from which the swine are to be moved under the licence are situated.

(2) A movement licence granted under this Order shall not be available if granted by the owner of the swine to be moved, or by his agent, or by the consignee of the swine, or by the occupier of the farm or premises or slaughterhouse from or to which the swine are
