

(4) An Inspector may in any such case require the detention of the animal in the Landing Place until it has received a proper and sufficient supply of food and water; and, until the Inspector is satisfied that the animal has received it, the animal shall not be moved from the Landing Place.

*Disinfection of Landing Place, &c.*

14.—(1) An Inspector may give notice to the occupier or Superintendent of a Landing Place requiring the cleansing and disinfection by such occupier of any portion of the Landing Place, or any fittings, pens, hurdles or other things that have been used in connection with the landing of animals under this Order, and when such notice shall have been given, that portion of the Landing Place, or those things, as the case may be, shall not be used for animals unless and until the same shall have been cleansed and disinfected to the satisfaction of an Inspector.

(2) The provisions of Article 2 (*Cleansing and Disinfection of Markets and Sales*) of the Markets and Sales Order of 1910 or of any Order amending those provisions shall not apply to any market or sale of animals held in a Landing Place.

*Disinfection of Persons and Clothes.*

15. An Inspector or the Superintendent of a Landing Place is hereby empowered to affix at or near the entrance thereof or of any building therein a notice to the effect that persons before leaving such Landing Place or building will be required to disinfect themselves and their clothes in the manner specified in such notice, and thereupon every person shall disinfect himself and his clothes accordingly.

*Power to exclude Persons.*

16.—(1) An Inspector or the Superintendent of a Landing Place is hereby empowered to affix at or near the entrance thereof or of any building therein a notice forbidding persons to enter therein without the permission mentioned in the notice; and thereupon any person who enters or goes into, on, or over such premises without that permission shall be deemed guilty of an offence against the Act of 1894.

(2) An Inspector or the Superintendent of a Landing Place is hereby empowered to direct any person to quit such Landing Place, or any particular building, lair, landing-stage, pier, quay, or other portion thereof; and thereupon any person who fails to quit such premises on direction as aforesaid shall be deemed guilty of an offence against the Act of 1894.

*General Power of Detention.*

17.—(1) No carcase, fodder, litter, dung or manure, or any fittings, pens, hurdles or utensils that have been used for or about animals, shall be moved from a Landing Place or from any lair or other place therein, except with the permission of an Inspector.

(2) If it appears to an Inspector with respect to any carcase, fodder, litter, dung, or other thing brought in the same vessel with animals landed under this Order, that disease may be thereby introduced, he may seize and detain the same; and he shall forthwith report the facts to the Minister, who may give such directions as he thinks fit, either for the destruction, disinfection or further deten-

tion thereof or for the delivery thereof to the owner on such conditions, if any (including payment by the owner of expenses incurred by them in respect of detention thereof), as he thinks fit.

*Conditional Permits.*

18. An Inspector may impose conditions on the removal of anything from a Landing Place for which a permission granted by an Inspector is required, and if any person fails to comply with any such condition, which is specified in the permission, and which he is thereby required to observe, he shall be deemed guilty of an offence against the Act of 1894.

*Movement within a Landing Place.*

19. Notwithstanding any provision in this Order, an animal may, with the permission of an Inspector, and shall forthwith, if so directed by an Inspector, be moved from a reception lair or other part of the Landing Place to any other reception lair or part of the Landing Place authorised or directed by the Inspector.

*Injured Animals.*

20. If an Inspector is of opinion that an animal in a Landing Place is mortally injured, or so severely injured, or otherwise in such physical condition, that it is cruel to keep it alive, he may require the person in charge of the animal to slaughter it forthwith with such instruments or appliances and with such precautions and in such manner as to inflict as little suffering as practicable, and if the person so required shall refuse or neglect to do so, or if there is no person in charge present in the Landing Place, the Inspector may cause the animal to be slaughtered.

PART III.

DISEASE OR CALVING IN A LANDING PLACE.

*Procedure in Case of Cattle-Plague, Pleuro-Pneumonia, Foot-and-Mouth Disease, or Sheep-Pox.*

21.—(1.) If an Inspector is of opinion that an animal in a Landing Place is affected with or suspected of cattle-plague, pleuro-pneumonia, foot-and-mouth disease, or sheep-pox, he shall so certify and forthwith direct the Landing Place to be closed, and the Inspector shall give notice of such closing to such persons and in such manner as he may think expedient for the purposes of carrying into effect the provisions of this Article.

(2.) Where a certificate has been so made the following Rules shall apply to the Landing Place unless and until the Minister by Order otherwise directs:—

Rule 1. Animals shall not be landed at, or moved into or out of, the Landing Place except with, and subject to the conditions imposed by, a Licence of an Inspector.

Rule 2. Carcases shall not be removed from the Landing Place except with the permission in writing of an Inspector.

Rule 3. Fodder, litter, dung, utensils, pens, hurdles, or other things shall not be removed from the Landing Place except with the permission in writing of an Inspector, which permission shall not be granted until such things have been thoroughly disinfected to the satisfaction of the Inspector.
