

been buried at the date of this Order, the burial may be allowed of the body of the widow or widower of a person heretofore buried in such grave, subject to the condition that no part of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave.

*Almeric FitzRoy.*

*Privy Council Office, 5th June, 1923.*

The following Statutes made by the Governing Body of Sidney Sussex College, Cambridge, on the 8th day of May, 1923, and sealed on the same day, have been submitted for the approval of His Majesty in Council, and notice of them having been so submitted is published in accordance with the provisions of "The Universities of Oxford and Cambridge Act, 1877."

STATUTES to alter and amend the Statutes of Sidney Sussex College in the University of Cambridge, which amending Statutes were duly made at a Meeting of the Governing Body of the College, specially summoned for this purpose, and held on the eighth day of May one thousand nine hundred and twenty-three, and having been passed at such Meeting by the votes of more than two-thirds of the persons present and voting, are now submitted for the approval of His Majesty the King in Council.

We the Master, Fellows and Scholars of the said College, in exercise of the powers given to us by the 54th Section of the Universities of Oxford and Cambridge Act, 1877, do hereby alter and amend the Statutes of our said College in manner following, that is to say:—

By repealing Chapter IVa, intituled "Of a Research Fellowship" and substituting therefor the following new Statute:—

*Chapter IVa.*

*Of Research Fellowships.*

1. At a College Meeting, of which at least one month's notice shall have been sent to all the Fellows, the Governing Body may, by the vote of a majority of their number, elect any person of marked ability in arts or science to a Research Fellowship for a period of two years, with power to re-elect for a further period of one year. Research Fellows so elected shall receive one dividend of the same amount as that paid to Fellows under Chapter XIX, paragraph 2.

2. After providing for all Scholarships chargeable on the Taylor Scholarship Fund the Governing Body may also in like manner as in the last preceding paragraph elect any person of marked ability in mathematics or natural sciences to a Taylor Research Fellowship for a period of two years, with power to re-elect for a further period of one year, and a Research Fellow elected under this paragraph shall receive a stipend not exceeding two hundred and fifty pounds (£250) from the Taylor Scholarship Fund.

3. Research Fellows shall not be members of the Governing Body, but shall be allowed such privileges with respect to commons, the occupation of rooms and other advantages as the Governing Body may from time to time determine.

4. It shall be the duty of Research Fellows to devote their whole time to research, and they shall not engage in any work other than research, except by the permission of the Governing Body.

By repealing in Chapter XIII, intituled "Of the Bursar, the annual College Officers and the Audit of Accounts" the two concluding sentences of the second paragraph and substituting therefor the two following sentences:—

"The Bursar shall submit his accounts, duly audited, to a College Meeting, once a year, within sixty days after Michaelmas. The Master shall give at least four weeks' notice of this Meeting to all the Fellows."

By substituting in Chapter XIX, intituled "Of Dividends," the word "yearly" for the word "half yearly" in the opening part of the second paragraph, and also in the third paragraph of this Statute.

By substituting the sum of "two hundred and fifty pounds (£250)" for the sum of "one hundred and twenty-five pounds (£125)" in the concluding part of the second paragraph and also in the third paragraph of the same Statute.

(L. S.) Given under our Common Seal this eighth day of May, one thousand nine hundred and twenty-three.

*Whitehall, 2nd June, 1923.*

The following Address was presented to The KING on Thursday, the 31st ultimo, on the occasion of the laying of the foundation stones of the new Hospital Buildings and the opening of the new Anatomy Building at University College, Gower Street, W.C.:—

UNIVERSITY COLLEGE HOSPITAL  
AND MEDICAL SCHOOL

and

UNIVERSITY OF LONDON,  
UNIVERSITY COLLEGE.

May it please Your Majesty. We are assembled in Your gracious presence and in that of Her Majesty the Queen, for the purposes of promoting important developments in medical education in the Capital of Your Empire.

Shortly after the conclusion of the Great War, Your Majesty's Government provided the means of establishing at the Medical School of University College Hospital whole-time Professorships in Medicine and Surgery. Attracted by the establishment of these Professorial Chairs and by the other plans in contemplation at the Medical School of the Hospital and at University College, the Rockefeller Trustees selected these Institutions as the recipients for a great International Gift, in order to put them in a position to realise a co-operative programme for the improvement of medical education and research.

This Gift, although made in two portions, one to the Medical School and the other to the College, has a single aim, which is indicated by the fact that these two Institutions, each with its functions clearly defined, form constituent parts of a co-operative educational centre within the University of London.

The scheme, so far as it affects University
