Ministry of Transport.

The Minister of Transport hereby gives notice that he has revoked the Wormit and Woodhaven Electric Lighting Order, 1900, as confirmed by the Electric Lighting Orders Confirmation (No. 8) Act, 1900, as to the whole of the area of supply as from the 30th day of June, 1923, and that the said revocation is to take effect from that date.—Dated this 30th day of June, 1923.

J. R. Brooke,
Secretary,
Ministry of Transport.

NOTICE.

By virtue of the powers conferred upon him by Section 6 of the Weights and Measures Act, 1904, and Section 8 of the Weights and Measures Act, 1889, the Minister of Transport, as successor to the Board of Trade, has, with the approval of the Treasury, fixed the following fees for the examination and testing at the National Physical Laboratory, of meter types submitted for approval in accordance with the Electric Lighting (Clauses) Act, 1899, as amended by Section 11 of the Electric Lighting Act, 1909:—

Fees (Payable in advance).

For original tests of new type	...	£75
For examination of modified form of approved type	£20

If a new type of meter proves unsatisfactory under test, or if a formal inspection only is necessary on a modified form of approved meter, such part of the fee, not exceeding one-half, as the Minister may decide, may be returned.

The Minister reserves the right to decide on the advice of the Laboratory whether a meter submitted as a modified form of an approved type is justifiably so described, or whether the meter is to be regarded as a new type requiring complete examination.

All correspondence on the subject of the testing and examination of meter types should be addressed to the Director, National Physical Laboratory, Teddington, Middlesex.

By Order of the Minister of Transport.

J. R. Brooke,
Secretary.

27th June, 1923.
