2.—(a) The movement of cattle, sheep, goats or swine into or out of the Prohibited Area is prohibited, except as provided in the next following Article, provided that this Order shall not prevent the movement of animals through such Area direct by railway without avoidable delay if the animals are not untrucked within such Area.

(b) The movement of any such animal along or across any road or other highway or by water within the Prohibited Area is prohibited.

(c) No such animals shall be allowed by the owner or person in charge thereof to stray upon a road or other highway within the Prohibited Area.

(d) No slaughterhouse manure or refuse shall be moved out of the Prohibited Area or be brought into contact with animals in such Area.

(e) No market, sale or exhibition of animals shall be held in the Prohibited Area.

(i) A licence authorising the movement must be obtained from an Inspector of the Local Authority of the destination before the movement commences. This licence must accompany the animals throughout the whole movement.

(ii) The animals must be put on rail at a station outside the Prohibited Area, and be moved by railway without being untrucked within the Prohibited Area until arrival at the railway station nearest to the place of destination: Provided that where the distance from the railway station in the Area to the place of destination is greater than the distance to be covered within the Area if the movement were to take place by road, the Inspector granting the licence may specify therein any other route if he thinks it desirable, and may require the animals to be moved by float, or other suitable vehicle.

(iii) On completion of the movement the licence shall be delivered up to the nearest police station without delay by the person in charge of the animals at the time of completing the movement.

4.—(1) An Inspector of the Ministry or of the Local Authority may (notwithstanding the existence of any footpath or right of way) prohibit the entry of any person into any field, shed or other place in the Prohibited Area by giving notice in writing to that effect to the occupier. In such cases the owner of any cattle, sheep, goats or swine in such places, or his agents or servants, may enter for the sole purpose of feeding or tending the animals, but no other person shall enter any such place until such notice has been withdrawn by a further notice from an Inspector, unless he has obtained a licence to do so from an Inspector of the Ministry, or of the Local Authority.

(2) Copies of such notices shall be affixed or exhibited by the Inspector in such manner as he may think desirable for ensuring notification of the restrictions thereby imposed.

(3) Copies of such notices, when served, shall be sent to the Ministry.

Control of Dogs and Poultry.

5.—(1) An Inspector of the Ministry or of the Local Authority may, by written notice served upon the occupier of any premises in the Prohibited Area on which dogs or poultry are kept, require such occupier to keep such dogs or poultry under such control as may be prescribed in the notice, or to confine them to any specified part of the premises.
