

of the cares of keeping a boarding house and while willing to continue to teach he wishes to retain his house for his own private use.

And whereas the cost of building a boarding house is still almost if not quite prohibitive and it is inadvisable to appropriate any part of the land already belonging to the School as a site for a boarding house when additional space especially for football grounds is urgently needed.

And whereas in these circumstances by an agreement dated the fifth day of April One thousand nine hundred and twenty-four and made between John Henry Barker of No. 19, College Hill, Shrewsbury, Solicitor, of the one part and The Governing Body of Shrewsbury School of the other part the said John Henry Barker agreed to sell and the Governing Body agreed to purchase the freehold messuage known as Severn Hill House together with the lodge and other buildings and the land and hereditaments described in the First Schedule hereto and delineated on the said plan and therein coloured dark green for Five thousand two hundred and fifty pounds.

And whereas the said John Henry Barker required the Governing Body to decide at once whether they would purchase the said premises of him or not as he was unwilling to keep them for an indefinite period.

And whereas the purchase of the said premises from the said John Henry Barker is very desirable in the interest of the School for the following reasons in addition to those hereinbefore appearing namely (1) The house is substantial and well built and roomy and can be added to at comparatively small expense so as to afford suitable accommodation for thirty or forty boys (2) It would be impossible to find another suitable house in the immediate neighbourhood (3) There is a paddock adjoining the house which could be converted into a football ground (4) Except where it is bounded by the road the property is entirely surrounded by the property of the School and the grounds and drive of "Ridgemount" belonging to the School and shown on the said plan can be overlooked from Severn Hill House aforesaid and if the site of Severn Hill House was developed for building purposes it might seriously diminish the value of Ridgemount.

And whereas it is apprehended that the Governing Body have not power under the Original Scheme or the said Amending Schemes to acquire the said freehold hereditaments described in the said Schedule hereto.

The Governing Body of Shrewsbury School do hereby propose by virtue of and in pursuance of the powers hereinbefore mentioned to alter the Original Scheme as follows (that is to say):—

The Original Scheme shall throughout be read and construed as though the messuage lodge and other buildings land and hereditaments described in the said Schedule hereto and delineated and coloured dark green on the said plan annexed hereto had been described in the Schedule to the said Original Scheme and delineated on the plan thereto annexed and therein coloured pink And that the said agreement of the fifth day of April One thousand nine hundred and twenty-four and the carrying into effect thereof may be deemed to have been authorised by the Original Scheme.

The SCHEDULE above referred to:—

First all that messuage or dwelling house called Severn Hill House with the offices out-buildings yard gardens and appurtenances thereunto belonging together with the piece of land adjoining thereto containing in the whole by admeasurement four acres one rood thirty-seven perches seventeen yards or thereabouts situate at or near Kingsland in the Parish of Meole Brace in the County of Salop.

And secondly all that messuage or lodge known as the "Upper Lodge" with the land and appurtenances thereto belonging situate at Port Hill Shrewsbury aforesaid and adjoining the High Road between Shrewsbury aforesaid and Hanwood at or near the top of Port Hill aforesaid.

The Common Seal of the before named Governing Body was hereunto fixed by their Order this eleventh day of April, 1924.
