THE FOREIGN PARCELS (EXCISE) WARRANT,
1926. DATED NOVEMBER 10, 1926.

Whereas it is desirable to make provision for the delivery from the entered premises of licensed manufacturers of artificial silk yarn and waste without payment of duty for exportation by Parcel Post of such artificial silk yarn (including artificial silk thread and straw) and artificial silk waste as the Commissioners of Customs and Excise may from time to time allow.

We, the Commissioners of His Majesty's Treasury, in exercise of the powers conferred on us by Section fourteen of the Post Office (Parcels) Act, 1882, and of all other powers enabling us in this behalf, do, by this Warrant, made on the recommendation of the Commissioners of Customs and Excise and of His Majesty's Postmaster-General (testified by their respectively signing the same), order, direct and declare as follows:—

1. The Foreign Parcels (Customs) Warrant, 1885, shall not apply to such yarn or waste goods as aforesaid which are delivered from the entered premises of a licensed manufacturer of artificial silk yarn and waste without payment of duty for exportation by the Imperial and Foreign Parcel Post.

2. Every parcel of such goods delivered from such entered premises for exportation by parcel post shall on its removal to the Post Office bear on the outer cover thereof a label on which shall be printed in conspicuous type the words "exempt from duty on exportation" and shall be accompanied by a shipping bill in the form prescribed by the said Commissioners.

3. The Officer of the Post Office accepting such parcel duly labelled and accompanied by the said shipping bill shall give to the sender a certificate of the posting of the parcel.

4. The certificate of posting thus given shall, for the purposes of Section 104 of the Customs Consolidation Act, 1876, be deemed to be evidence of an act equivalent to shipment under that section.

5. The delivery of every such parcel from the said entered premises shall be subject to such bond and to such special conditions as the said Commissioners may from time to time prescribe.

6. If any claim shall be made on the Postmaster-General for compensation in respect of the loss of or damage to any such parcel, that claim shall, in the absence of proof to the contrary, be deemed to be conclusive evidence that such parcel has not been duly exported and that its contents have gone into consumption in Great Britain or Northern Ireland.

7. This Warrant shall come into operation on the 10th day of November, 1926.

8. This Warrant may be cited as the Foreign Parcels (Excise) Warrant, 1926.
