(a) furnish the registration officer with a list of all the persons in each parish, or where a parish consists of more than one registration unit, in each registration unit in the parish, who are qualified and liable to serve as jurors, showing in the case of each person the address of his qualifying premises in the parish and the value of those premises for the purposes of assessment to the poor rate and his occupation, and whether that person is qualified to serve as a special juror :

(b) insert in copies of the electors lists and lists of claimants, if any, the marks required by this Order to be inserted in the electors lists for the register of electors against the names of the persons in those lists who are qualified and liable to serve as jurors, or qualified to serve as special jurors, as the case may be, and to transmit to the registration officer the copies so marked.

(2) If the registration officer, for the purpose of his duties under the Act of 1922, requires any particulars in addition to those provided in manner aforesaid he may send to the rating authority a demand for further information on Form C of heading I of Schedule I to the Representation of the People Order or on a form similar thereto and the authority shall complete and return the form.

(3) Where the duties of a rating authority in relation to the preparation of the jurors book are to be performed by a designated officer, this Article shall have effect as though for references therein to the rating authority there were substituted references to the designated officer.

Where an application is made to the registration officer by any person marked as a juror to have the mark placed against his name removed, notification by the registration officer of his decision under subsection (5) of section one of the Act of 1922, shall be given to that person on or before the fifteenth day of September in any year.

4.—(1) If, where the registration officer under paragraph 21 of the First Schedule to the Representation of the People Act, 1918, allows a claim made by any person to be registered as a voter, the registration officer considers that person to be qualified and liable to serve as a juror, he shall give that person notice that he will be marked as a juror unless within five clear days thereafter he gives notice of objection to the registration officer,

and in any case in which the registration officer is of opinion that any person who has made a claim to be registered as a voter would, if so registered, be qualified and liable to serve as a juror, he shall include in any notice issued under the said paragraph as to the time and place at which the claim of that person to be so registered will be considered, a notice that if the claim is allowed that person will be marked as a juror unless he gives notice of objection to being so marked in manner aforesaid.

(2) The decision of the registration officer on any objection made by any person under this Article shall be notified on or before the fifteenth day of September in any year.

(3) If any person is aggrieved by the decision of the registration officer on any such objection or by his failure to notify his decision, he may apply to a court of summary jurisdiction under subsection (5) of section 1 of the Act of 1922, in the same manner as if the registration officer had refused to comply with an application made to him under subsection (4) of the said section or had failed to notify his decision thereon.

5. Subsection (2) of section two of the Act of 1922 shall have effect as if the reference therein to persons marked in the electors lists as jurors or special jurors included a reference to persons whose names are on the list of claimants and who receive notice in accordance with Article 4 (1) of this Order that they will be marked as jurors.

6.—(1) Any sheriff by whom a jury summons is issued may require the person to whom the summons is issued to furnish to him in writing information with respect to his sex, profession, calling or business.

(3) Where a sheriff requires information to be furnished in pursuance of this Article, he shall for the purposes of facilitating the furnishing of the information enclose with the jury summons an officially-stamped postcard on which the information may be given.
