In pursuance of the Telephone Regulations, 1924, His Majesty's Postmaster General hereby gives notice that the charges for telephonic communication between Great Britain and certain towns in the Dominion of Canada are as specified in the Schedule hereto:—

THE SCHEDULE.

For telephonic communication between any place in Great Britain and the towns of Ottawa, Quebec, Montreal, Toronto and Hamilton (Ontario) in Canada.

First 3 minutes.	Per additional minute or fraction thereof.
£15.	£5.

NOTE.—Calls may be booked either:—

(a) For a specified telephone station, in which case only the telephone number of the station required should be given, or

(b) For a particular person, in which case the name of the person required, as well as his usual telephone number, and, if possible, the name associated with this number in the Telephone Directory, should

be given. Where the American telephone number is not known by the caller an effort will be made to trace it, if the name and address of the person required is given. Callers should, if possible, intimate at the time of booking a "particular person" call, the name of an acceptable substitute at the receiving station.

When communication with the number required is established but further efforts to complete the call are abandoned, neither the particular person required nor an accepted substitute being obtainable, a "Report Charge" of £2 will be made in place of the normal charge. The caller will be notified of the impracticability of completing the call. When a "particular person" call matures, no "report charge" will be made.

Communication with Canada is at present limited to calls between London and Ottawa, Quebec, Montreal, Toronto and Hamilton (Ontario).

Dated this 18th day of October, 1927.

Solicitor to His Majesty's
