In accordance with the provisions of Section 2, Sub-section (4), of the Merchandise Marks Act, 1926, the Board of Trade give notice that in pursuance of applications received by them for the making of Orders in Council to require imported goods of certain classes and descriptions to bear an indication of origin, they have made a reference to the Standing Committee appointed by them under the Act in respect of the following classes and descriptions of imported goods:—

- (1) Tooth brushes of all descriptions;
- (2) (a) Travelling trunks, bags, suit-cases, hat-cases, holdalls, valises, knapsacks, travellers' sample cases and other similar receptacles, whether fitted or unfitted, but not including such articles if made wholly of metal;
- (b) Attaché cases, despatch bags, courier bags, post bags, bankers' wallets, school satchels, and other similar receptacles, whether fitted or unfitted;

DECLARATION BY THE BOARD OF TRADE.

GELATINE.

Whereas by Sub-section (1) of Section 10 of the Merchandise Marks Act, 1926 (16 & 17 Geo. 5, c. 53), it is provided that for the purposes of the said Act, unless the context otherwise requires, the expression "agricultural and horticultural produce and the produce of any fishing industry" includes all

foodstuffs other than such foodstuffs as the Board of Trade (hereinafter called the Board) with the concurrence of the Minister of Agriculture and Fisheries may declare not to be foodstuffs for the purposes of this definition:

And whereas the Minister of Agriculture and Fisheries has concurred in a proposal of the Board to declare gelatine not to be a foodstuff for the purposes of the said definition:

Now therefore the Board, with the concurrence of the Minister of Agriculture and Fisheries, hereby declare edible gelatine not to be a foodstuff for the purposes of the aforesaid definition.
