Foreign Office,

The KING has been pleased to approve of:—

Mr. Harvey T. Goodier, as Consul of the United States of America at Vancouver; and

Mr. Paul C. Squire, as Consul of the United States of America at Windsor, Ontario.

Whitehall, May 31, 1928.

The KING has been pleased, by Warrant under His Majesty's Royal Sign Manual, bearing date the 24th instant, to appoint the Reverend Frederic Henry Cretney, Rector of Christ Church, Bradford with Beswick, to the Living of St. Mary, Droylsden, in the county of Lancaster and Diocese of Manchester, vacant by the resignation of the Reverend Thomas Dillow.

Whitehall, May 24, 1928.

His Majesty The KING has been graciously pleased to award the Edward Medal to Thomas Bourton and Thomas Phillip Evans in recognition of their gallantry in the following circumstances:—

On December 17th, 1927, the blast furnaces of the Ebbw Vale Steel and Iron Company were shut down and opportunity was taken to clean out the gas mains of the blast furnace plant. The work proceeded normally until December 30th, when two men engaged in cleaning a 3 ft. pipe connecting two boilers were overcome by carbon monoxide gas. The accident was not discovered until the relief entered the pipe and found the body of one of the workmen. This they drew to the manhole giving access to the pipe. Assistance was summoned and Bourton and Evans entered the pipe in order to rescue the second workman. After proceeding some 20 feet along the pipe they came upon the workman's body. With great difficulty and much distressed by the poisonous gas, they succeeded in dragging themselves and their fellow workman to the manhole through which they were assisted into the open air. Unfortunately the rescued workman died.

Bourton and Evans were both well aware that there was poisonous gas present in the pipe. One body had already been recovered and the two men who had entered it had been gassed.

Notwithstanding the grave and evident danger they both entered the pipe and proceeded for some distance away from the manhole where, if they were overcome, there was no chance of their receiving immediate aid. They knowingly and very gallantly risked their own lives in an endeavour to save the life of one of their comrades.
