POST OFFICE TELEPHONES.

In pursuance of the Telephone Regulations, 1924, His Majesty's Postmaster General hereby gives notice that the charges for telephonic communication between Great Britain and Northern Ireland and (1) Mexico (2) the

Sarre Territory are as specified in the Schedule hereto:—

THE SCHEDULE.

--	--

NOTE.—A call may be booked either:—

(a) as an ordinary call, i.e., for a specified telephone station; in which case only the telephone number of the station required should be given, or

(b) as a "person-to-person" call, i.e., from a particular person to a particular person; in which case the name of the person calling should be given as well as the name of the person required. In addition, the usual telephone number of the person required, and if possible the name associated with that number in the Telephone Directory, should be given. Where the Mexican telephone number is not known by the caller an effort will be made to trace it, if the name and address of the person required is

given. Calling subscribers should, if possible, intimate at the time of booking a "person-to-person" call, the name of an acceptable substitute at the receiving station.

In a "person-to-person" call, when communication with the number required is established, but further efforts to complete the call are abandoned, neither the particular person required nor an accepted substitute being obtainable, a "Report Charge" of £1 will be made in place of the normal charge. The subscriber (or failing him, his telephone station) will be notified of the impracticability of completing the call. When a "person-to-person" call matures, no "report charge" will be made.

Communication with Mexico is at present limited to calls between Great Britain and Mexico City; Nuevo Laredo and Tampico in the State of Tamaulipas; San Luis Potosi in the State of San Luis Potosi; Saltillo in the State of Coahuila; Monterrey in the State of Nuevo Leon; and Queretaro in the State of Queretaro.
