*Civil Service Commission,
July 31, 1928.*

The Civil Service Commissioners hereby give notice that, with the approval of the Lords Commissioners of H.M. Treasury, Clause 12 of the General Regulations respecting appointment to H.M. Civil Establishments, made under the Order in Council of 22nd July, 1920, and published in the London Gazette of 6th April, 1923, has been amended to read as follows, viz. :—

12. Every candidate shall satisfy the Commissioners that he or she is a natural-born British subject and the son or daughter of a father also a natural-born British subject. Provided that exception may be made:—

(a) In the case of candidates who are serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of persons who, being British subjects, and having served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918, are serving and have served for not less than six months in unestablished uncertificated employment which in normal course, by departmental custom or by the grant of establishment to an unestablished class, confers a claim to nomination singly or by limited competition for established and certificated appointment and are nominated for that established and certificated appointment.

(c) In the case of persons serving in unestablished uncertificated employment which in normal course, by departmental custom or by the grant of establishment to an unestablished class, confers a claim to nomination singly or by limited competition for established and certificated appointment, who are nominated for that established and certificated appointment, and who satisfy the rule in respect of nationality for established appointment which was in force when their unestablished service began.

(d) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918.

(e) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in H.M. Regular Forces.

(f) In respect of appointment to the Royal Mint and its Branches overseas, in the case of persons who have acquired British nationality by any annexation of territory to the Crown, and in the case of the children of such persons who are themselves of British nationality.

If the Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with H.M. dominions that an exception may properly be made to that rule; they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

A candidate will not be eligible for assignment or appointment to the Foreign Office or services under the control of the Secretary of State for Foreign Affairs unless he is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within those Territories, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs of this regulation, he may be admitted to appointment or competition by special permission of the Secretary of State for Foreign Affairs.

*Civil Service Commission,
July 31, 1928.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING COMPETITIVE EXAMINATIONS FOR APPOINTMENTS IN THE FOREIGN OFFICE AND DIPLOMATIC SERVICE.

1. Candidates will be required to appear before a Board of Selection which will meet at the Office of the Civil Service Commission on the first Tuesday in May, and will decide which Candidates possess suitable qualifications for entry into the Foreign Office or Diplomatic Service in order to enable them to compete at the examination prescribed below. Candidates may appear before this Board of Selection at any time after they have attained the age of nineteen; but a Candidate who is not recommended for acceptance by the Board of Selection may not appear before that Board for interview a second time unless he is specifically notified after his first appearance that the Board will be prepared to see him again.

2. Candidates must have attained the age of 22 and must not have attained the age of 25 on the first day of August in the year in which the Examination is held. In reckoning age for competition, Candidates who have served in the Army, Navy or Air Force between the 4th August, 1914, and the 11th November, 1918, may deduct from their actual age any period of service between the 4th August, 1914, and the 31st December, 1919.

3. Candidates must be natural-born British subjects, and born within the United Kingdom or in one of the self-governing Dominions of parents also born within those territories; except when the circumstances are such as to justify a departure from the general rule, in which case they can be allowed to compete by special permission of the Secretary of State for Foreign Affairs, provided they fulfil the conditions of the rule in respect of nationality prescribed for Candidates for admission to His Majesty's Civil Service as a whole, viz.:—

“No person will be eligible for appointment to the Civil Service who is not a natural-born British subject and the son of a father also a natural-born British subject; provided that exception may be made in the case of Candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners, and provided that exception may be made as regards the father in the case of Candidates who have served in His Majesty's Armed Forces during the Great War between the 4th August, 1914, and the 11th November, 1918.”

4. No person actually serving in the Army, Navy or Air Force will be eligible for admission to the Examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the Examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the Examination before the commencement of the competition.
