The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS FOR THE APPOINTMENT OF ASSISTANT SURVEYORS IN THE CIVIL ENGINEER-IN-CHIEF'S DEPARTMENT OF THE ADMIRALTY AND IN THE WORKS AND BUILDINGS DIRECTORATE OF THE AIR MINISTRY.

N.B.—These Regulations are liable to alteration from time to time. Competitions do not take place at fixed intervals, but are held as occasion arises.

1. Candidates must have attained the age of 25 and must not have attained the age of 30 on a date to be fixed in respect of the competition in which they are to take part. Candidates who have served or are serving in the Army, Navy or Air Force may deduct from their actual age any time not exceeding five years during which they have so served.

2. Candidates must be natural-born British subjects and the children of fathers also

natural-born British subjects; provided that exception may be made:—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between the 4th August, 1914, and 11th November, 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces:

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. Until further order, special consideration will be given to candidates who have served in His Majesty's Forces during the War.

No person will be eligible who obtained from any tribunal established under the Military Service Acts, 1916 to 1918, exemption from service in His Majesty's Forces under those Acts on the ground of a conscientious objection to the undertaking of military service or, although not so exempted, declined to comply with obligations imposed upon him by those Acts.

4. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

5. Candidates must be prepared to serve at home or abroad, and candidates selected for the Air Ministry must be prepared to undertake journeys by air in connection with the execution of their duties as may be directed.

6. The Civil Service Commissioners will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which it is desired to fill on any one occasion.

7. Application shall be addressed in the first instance to the Civil Service Commission, and shall be made on a form to be obtained from that Office. The Civil Service Commissioners
