

therein coloured magenta for the purposes of the School, and the said purchases were sanctioned by a further Amending Scheme proposed by the Governing Body on the eighth day of August, one thousand nine hundred and twenty-one, which Amending Scheme was duly approved and sanctioned by an Order of His Majesty King George V in Council dated the thirty-first day of October, one thousand nine hundred and twenty-one:

And whereas in the year one thousand nine hundred and twenty-four the Governing Body acquired by purchase the freehold messuages lands and hereditaments delineated on the said plan and therein coloured dark green for the purposes of the School, and the said purchase was sanctioned by a further Amending Scheme proposed by the Governing Body on the eleventh day of April, one thousand nine hundred and twenty-four, which Scheme was duly approved and sanctioned by an Order of His Majesty King George V in Council dated the twenty-fifth day of June, one thousand nine hundred and twenty-four:

And whereas all of the said purchases were greatly for the benefit of the School, and were rendered necessary chiefly by the increase of the number of boys attending the School:

And whereas it has now become very desirable to provide further Playing Fields for the boys attending the School, and further accommodation for boarders attending the same, under the following circumstances:—

(1) For some years past owing to the increasing number of Boarders attending the School it has been necessary for the Governing Body to license for the reception of Boarders what are called "Waiting Houses," that is, houses occupied by Assistant Masters at the School who are authorised to take for a time Boarders for whom room cannot immediately be found in one of the ordinary Boarding Houses. If another ordinary Boarding House to accommodate forty-five boys were provided, the need for "Waiting Houses" would be greatly decreased, and it might even be possible to dispense with them altogether. "Kingsland House" (hereinafter mentioned) is most conveniently situated for such a Boarding House, and owing to improvements recently made by the Vendor thereof (hereinafter mentioned) could be converted into a full sized Boarding House for forty-five boys at a cost of not more than three thousand pounds or thereabouts;

(2) "Kingsland Grove" (hereinafter mentioned) is a smaller house than "Kingsland House," and if the Headmaster should ever while he continues to be Headmaster give up taking Boarders, Kingsland Grove would be a very convenient residence for him in lieu of the School House, which is a double-sized Boarding House. Further, "Kingsland Grove" is so situated that it would probably be to the advantage of the School to retain it;

(3) For the purpose of Playing Fields further accommodation is needed in view of the increased number of boys attending the School;

(4) Further, the property comprised in the Agreement hereinafter recited (which includes "Kingsland House" and "Kingsland Grove" and is hereinafter called "the

Kingsland House Property") is required to round off the existing property of the School and the opportunity of purchasing it should not be lost, lest it should be developed as a building estate, which would be almost certain to happen in the course of the next few years if it were not purchased for the purposes of the School as for some time past Shrewsbury has been spreading on the northern and western sides of the School, and the County Council of Shropshire are considering the advisability of constructing a by-pass road along the outskirts of Shrewsbury which would, if the proposed route is adopted, pass along the Roman Road which skirts the Kingsland House Property:

And whereas under the circumstances aforesaid by an Agreement dated the fourteenth day of August One thousand nine hundred and twenty-nine the Governing Body have agreed with Marion Wallace Cock of Kingsland House aforesaid Widow (conditionally on the sanction of His Majesty in Council being obtained to the Scheme) to purchase, and the said Marion Wallace Cock has agreed to sell, the Kingsland House Property (being the property described in the Schedule hereto and delineated on the plan hereto annexed and therein coloured sienna) for the sum of Sixteen thousand pounds, the said purchase to be completed on the Twenty-fourth day of June one thousand nine hundred and thirty-one:

And whereas the purchase of the Kingsland House Property from the said Marion Wallace Cock is very desirable in the interests of the School for the reasons hereinbefore appearing, and also because, unless such property is acquired now, it may not be possible to acquire it or any part of it at a later date:

And whereas it is apprehended that the Governing Body have not power under the Original Scheme or the said Amending Schemes to acquire the Kingsland House Property described in the said Schedule hereto:

The Governing Body of Shrewsbury School do hereby propose by virtue of and in pursuance of the powers hereinbefore mentioned to alter the Original Scheme as follows (that is to say):—

That the Original Scheme shall throughout be read and construed as though the messuages buildings land and hereditaments described in the said Schedule hereto and delineated on the plan annexed hereto and therein coloured sienna had been described in the Schedule to the Original Scheme and delineated on the plan thereto annexed and therein coloured as last aforesaid, And that the said Agreement of the fourteenth day of August One thousand nine hundred and twenty-nine and the carrying into effect thereof may be deemed to have been authorised by the Original Scheme.

THE SCHEDULE hereinbefore referred to.
