

## URBAN DISTRICT OF CLEVEDON.

## PUBLIC HEALTH ACT, 1925.

BY an Order dated the 14th day of April, 1930, the Minister of Health consented to the adoption by the Urban District Council of Clevedon of Sections 21, 22 and Sections 51 to 55 inclusive contained in Part V of the Public Health Act, 1925, to take effect on the 28th day of April, 1930, subject to the conditions set forth in the Schedule hereto.

A copy of the Order may be inspected at the Council Offices, 12a, Hill Road, Clevedon, between the hours of 10 and 4 during the week commencing on Monday, the 5th day of May, 1930.

THE SCHEDULE above referred to.

*Section adopted. Modifications, conditions and restrictions, subject to which the consent of the Minister is given to the adoption.*

1.	2.
Section 51 ...	A notice shall not be given under this section with respect to any watercourse or ditch which is within the jurisdiction of a drainage authority except with the written consent of the drainage authority.
Section 52 ...	The plans and sections (or duplicates thereof) of any culvert or other covering proposed to be placed over any stream or watercourse which is within the jurisdiction of a drainage authority, shall be sent by the Council to the drainage authority within a week after the submission of the plans and sections to the Council, and the said plans and sections shall not be approved by the Council if disapproved by the drainage authority within four weeks after the receipt by the drainage authority of the said plans and sections or the said duplicates thereof; and section 52 shall not apply to any works proposed to be constructed or carried out by a drainage authority.
Section 53 ...	A notice shall not be given under this section with respect to any culvert which is within the jurisdiction of a drainage authority without the written consent of the drainage authority.
Section 54 ...	Where action is proposed to be taken under this section with respect to any watercourse within the jurisdiction of a drainage authority, fourteen days' notice of such intention shall be given to the drainage authority, and such action shall not be taken if within that period the drainage authority give notice in writing of their disapproval thereof.

In the above schedule the expression "drainage authority" means a drainage authority as defined in section 13 of the Land Drainage Act, 1918.

Dated this 30th day of April, 1930.

Solicitor and Clerk to the Clevedon Urban District Council.

## ISLE OF MAN HARBOURS.

Resolution of the Court of Tynwald appointing the Payment of Harbour Dues at the several Harbours of Castletown, Douglas, Peel, Ramsey, Port St. Mary, Laxey, Port Erin, and Derbyhaven, with the Ministry of Transport approval thereof.

## RESOLUTION.

AT a Tynwald Court holden at Douglas, the 28th day of February, 1930.

## RESOLVED:—

Whereas, at Tynwald holden at Douglas on the 11th day of May, 1920, the Court under the provisions of the Isle of Man Harbours Acts, 1872 to 1911 (Acts of Imperial Parliament), appointed the payment of dues by vessels entering the harbours of this Isle, or by goods landed from vessels in any harbour or on any quay or pier, or shipped by vessels in any harbour or from any quay or pier:

And whereas the Court having, on the requisition of His Excellency the Lieutenant-Governor, under the provisions contained in

the Isle of Man Harbours Acts, 1872 to 1911 (Acts of Imperial Parliament), considered the advisability of modifying certain dues appointed to be paid thereunder:

Resolved, therefore—That, subject to the approval of the Ministry of Transport, the said resolution be amended as hereinafter described (that is to say):—

The first two items on the schedule in the said resolution shall be repealed and the following substituted therefor:—

On all goods landed or brought into a harbour from any vessel (other than fresh fish from a fishing vessel) and on all goods (other than enumerated in the next following paragraph) shipped by or on any vessel in a harbour or transhipped by or into another vessel, except as provided herein—per ton 6d.

On all sand, shingle, quarried stone, mineral ore, or other material gotten from the mines or foreshores of this Isle shipped by or on any vessel in a harbour—per ton 2d.

Minimum charge for each entry on net register—per ton 2d.
