ORDER OF THE MINISTER OF AGRICULTURE AND FISHERIES.

(DATED 30TH AUGUST, 1930.)

TRANSIT OF ANIMALS (AMENDMENT) ORDER OF 1930.

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts,

1894 to 1927, and of every other power enabling him in this behalf, hereby orders as follows:—

Cleansing and Disinfection of Motor and Horse-drawn Vehicles used for the conveyance of animals by road.

1.—(1) Subject as herein provided, any road vehicle which is used on a highway, road or lane by any person

(a) for hire for the conveyance of animals, or

(b) for the conveyance of animals the property of a dealer or in connection with the trade or business of a dealer; or

(c) for the conveyance of animals the property of two or more owners,

shall, as soon as practicable after each occasion on which it is so used and before any other animal or any fodder or litter, or any other thing intended to be used for or about animals, is placed in it, be cleansed and disinfected by and at the expense of the owner thereof or the person using or the person in charge of the same, in the following manner.

(i) The floor, roof and sides of the inside of the vehicle, and the sides and ends of the outside of the vehicles and all other parts thereof with which any animal or its droppings or other excretions have come in contact shall be scraped and swept, and the scrapings and sweepings and all dung, sawdust, litter and other matter shall be effectually removed therefrom; the same parts of the vehicle shall then be thoroughly washed or scrubbed or scoured with water; and then be disinfected by being thoroughly coated or washed with an approved disinfectant.

(ii) The scrapings and sweepings of the vehicle and all dung, sawdust, litter, and other matter removed therefrom shall forthwith be well mixed with quicklime and effectually removed from contact with animals, or be destroyed by fire.

Provided that in the case of a vehicle, used exclusively for the aforesaid purposes or any of them, making consecutive journeys on any one day between the same two points, the requirements of this Article shall be deemed to be sufficiently complied with if the vehicle is cleansed and disinfected in the aforesaid manner as soon as practicable after the completion of the last of such consecutive journeys.

(2) Every crate, box, hamper, loading board, rope, net or other apparatus used in connection with such conveyance of animals as aforesaid shall on each occasion when the vehicle is required by this Order to be cleansed and disinfected be thoroughly cleansed and then be disinfected by being thoroughly coated, washed or saturated with an approved disinfectant by and at the expense of the owner or the person using or the person in charge of the vehicle.

(3) Notwithstanding anything herein contained, any vehicle or thing mentioned in this article shall forthwith be cleansed and disinfected in the aforesaid manner, by and at the expense of the owner thereof or the person using or the person in charge of the same, at any time upon the receipt by him of a notice in writing signed by an Inspector of the

Ministry or of the Local Authority requiring such cleansing and disinfection.

(4) If the owner or the person using or the person in charge of any vehicle or thing used for or in connection with the conveyance of an animal as aforesaid fails to cleanse and disinfect the vehicle or thing as required by this Article or by any notice served thereunder, it shall be lawful for the Local Authority, without prejudice to the recovery of any penalty for an offence, to cause such vehicle or thing to be cleansed and disinfected and to recover from such owner or person summarily as a civil debt the expense of such cleansing and disinfection. Such owner or person shall give to the Local Authority all reasonable facilities required by it for the exercise of the powers conferred upon it by this paragraph.

(5) A Local Authority may:—

(a) carry out the cleansing and disinfection in the manner required by this Order on behalf of the owner or the person using or the person in charge of any vehicle or thing, and may make a charge reasonably sufficient to cover the cost of so doing; or

(b) provide or cause to be provided facilities for the carrying out of such cleansing and disinfection, and make or authorise to be made charges for the use of such facilities reasonably sufficient to cover the cost of the provision and maintenance thereof. Where the Local Authority cause such facilities to be provided the person providing them shall make only such charges as may be approved by the Local Authority.

(6) Where any vehicle or thing required by this Order to be cleansed and disinfected is at a market, fair ground or saleyard at which a Local Authority is ready and willing to carry out the cleansing and disinfection or at which the Local Authority provides or causes to be provided such facilities as aforesaid, it shall be cleansed and disinfected before it is removed from such market, fair ground or saleyard, except in any case to which the proviso to paragraph (1) of this Article applies.

Cleansing and Disinfection of Road Vehicles used for Carriage of Diseased or Suspected Animals or Carcasses.

2. Subject as herein provided, a road vehicle used for conveying animals or carcasses on a highway, road or lane, and every crate, box, hamper, loading board, rope, net or other apparatus used in connection with such conveyance, shall, on every occasion after a diseased or suspected animal or carcase is taken out of such vehicle, and as soon as practicable, and before any other animal or carcase or any fodder or litter, or any other thing intended to be used for or about animals, is placed in it, be cleansed and disinfected, by and at the expense of the owner or the person using or the person in charge of the same, in the manner described in paragraphs (1) and (2) of Article 1 of this Order, and the provisions of paragraphs (3) and (4) of Article 1 of this Order shall apply in relation to any vehicle or thing to which this Article applies.

3. Article 26 of the Transit of Animals Order of 1927 shall be read and have effect as if the

words "or carcase" were inserted after the words "diseased or suspected animal."

Records of stock carried by Road Vehicles.

4.—(1) Except as herein provided, the owner or the person using or the person in charge of any road vehicle to which Article 1 of this Order applies shall keep a true record in respect of each vehicle in the form prescribed in the Schedule to this Order or to the like effect, in which shall be entered (a) the prescribed particulars of all animals which are carried in the said vehicle, and (b) the dates and places at which the vehicle was cleansed and disinfected as required by Article 1 of this Order.

Provided that a record shall not be required to be kept under this Article in respect of the use of a vehicle for either of the following purposes, that is to say—

(1) Movement of an animal between different parts of the same premises.

(2) Movement of an animal from or to any premises for feeding, watering or milking purposes if the animal is moved back to the premises from which it was so moved within 24 hours.

(2) Every entry in the record shall be made in ink or indelible pencil within eighteen hours after the carriage of the animals or the cleansing and disinfection of the vehicle and the record shall be kept in such a condition that the entries are clearly legible.

(3) Every record required by this Article to be kept by any person shall be available on the vehicle to which it relates and shall be retained for a period of three months from the date of the latest entry therein and shall be produced for inspection on demand to any Inspector of the Ministry or of a Local Authority, and the Inspector shall be entitled to make copies of any entry therein.

(4) A Local Authority may supply forms of record for the purposes of this Article to any person in the District of the Local Authority.

(a) for hire for the conveyance of animals; or

(b) for the conveyance of animals the property of a dealer or in connection with the trade or business of a dealer; or

(c) for the conveyance of animals the property of two or more owners,

unless such vehicle is in accordance with the provisions of this Article.

(2) The floor of every such vehicle shall in order to prevent animals slipping be fitted with battens or other proper foot-holds which shall

be placed across the vehicle or be strewn with a proper quantity of litter or sand or other suitable substance.

(3) The interior of every such vehicle shall be free from any boltheads, angles or other projections likely to cause suffering to animals carried therein.

(4) Every such vehicle shall be so constructed as to enable a protective roof or other suitable covering to be provided when required to protect the animals carried therein from the weather, and proper use shall be made of this provision whenever the conditions of the weather require it, and on every occasion on which sheep last shorn within the preceding sixty days are carried between each first day of November and the next following thirtieth day of April (both days inclusive).

(5) Every such vehicle shall be so constructed as to admit of ventilation and inspection at the floor level.

(6) Every such vehicle shall be provided with facilities for the loading and unloading of animals by means of a falling loading door, tail board or ramp which shall be fitted with battens or other proper footholds and with side railings or other protection for the purpose of preventing the animals from falling or injury when being loaded or unloaded.

(7) This Article shall come into operation on the first day of October, nineteen hundred and thirty-one.

Carriage by Road of Unfit Animals.

6. No animal shall be permitted by the owner thereof, or his agent, or any person in charge thereof to be carried in any road vehicle if owing to infirmity, illness, injury, fatigue or any other cause it cannot be so carried without unnecessary suffering during the intended transit by road or if, in the case of a cow, the calving of the animal during the movement is reasonably probable. Provided that this Article shall not prohibit the carriage of an animal by road in a vehicle used in any particular case as an ambulance.

Securing of Cattle in Road Vehicles.

7.—(1) All bulls, whether polled or not, shall while being carried in any road vehicle, be securely tied by the head or neck.

(2) All horned stock carried in the same road vehicle with a bull shall, unless separated therefrom by a suitable partition, be securely tied by the head or neck.

Separation of Mixed Consignments.

8. Calves, sheep, goats and swine if carried in the same road vehicle with any head of cattle (other than a calf) shall be separated therefrom by a suitable partition but this provision shall not apply to the conveyance of a cow with its unweaned calf if they are separated from other animals.

Overcrowding.

9. No road vehicle shall be overcrowded so as to cause injury or unnecessary suffering to the animals carried therein.

Offences.

10. Any person committing, or aiding, abetting, counselling or procuring the commission
