SCHEDULE.

The Midland (Amalgamated) District (Coal Mines) Scheme, 1930 (hereinafter referred to as "the Scheme") shall be amended as follows:—

1. Paragraph (c) of sub-Clause (8) of Clause 15 of the Scheme shall be deleted and the following new paragraph (c) shall be substituted therefor:—

Monthly Standard Tonnages.

(c) After the fixation of the Annual Standard Tonnages every Coalowner shall declare by notice in writing to the Secretary the monthly proportions in which he requires the Committee to allocate the Annual Standard Tonnage of his coal mine or undertaking over the 12 months of each year ending on the 30th day of April, and if the Committee shall be satisfied that such declared allocations are not prejudicial to the interests of other Coalowners they shall fix the allocated monthly tonnages as the Monthly Standard Tonnages of the coal mine or undertaking concerned. Provided that if any Coalowner shall fail to declare allocations or shall declare allocations which the Standard Tonnage Committee shall report to the Executive Board as being prejudicial to the interests of other Coalowners, the Executive Board shall have power to declare the allocations for such Coalowner or to amend the declared allocations (as the case may be) and fix the same as so declared or amended as the Monthly Standard Tonnages of the coal mine or undertaking concerned. The Executive Board shall, however, before declaring or amending the allocations of any Coalowner cause not less than ten days previous

notice in writing of their intended action to be given by the Secretary to such Coalowner within which time he may make representations in the matter to the Executive Board. After the Committee or the Executive Board shall have fixed the Monthly Standard Tonnages of any Coalowner the same shall not be altered by the Coalowner concerned during the year in question except with the sanction of the Committee and in such manner as may be so sanctioned.

In the fixing of Monthly Standard Tonnages as aforesaid regard shall be had within the limits of the respective Annual Standard Tonnages to the special circumstances of every coal mine or undertaking as mentioned in respect of Annual Standard Tonnages in sub-Clause (6) (c) (iii) of this Clause.

2. Sub-Clause (9) of Clause 15 of the Scheme shall be deleted and the following new sub-Clause (9) shall be substituted therefor:—

Method of fixing Coking Standard Tonnage.

(9) The Committee shall fix for every coal mine or undertaking to which this sub-Clause applies a Coking Standard Tonnage for each calendar month, as next herein provided, that is to say:—

The Committee shall be furnished not later than seven days prior to the expiration of each calendar month by every Coalowner concerned with an estimate of the tonnage of coal which each such Coalowner requires to raise and supply during the immediately succeeding calendar month (hereinafter called "month of fixation") from the coal mine or undertaking of such Coalowner to coking plants (other than low temperature coking plants) in Great Britain to be used thereat in the manufacture of metallurgical coke whether such coke is supplied and used for metallurgical purposes or otherwise. Such tonnage (herein called "Coking Standard Tonnage") shall be deducted from the Monthly Standard Tonnage of the coal mine or undertaking concerned allocated or fixed in respect of the month of fixation and shall be deemed to be the Coking Standard Tonnage of the coal mine or undertaking for the month of fixation.

Provided that the Committee shall have power to revise and vary in any month the estimates or any of them furnished by the Coalowners concerned regard being had to all the special circumstances (as defined in sub-Clause (6) (c) (iii) of this Clause) of each coal mine or undertaking in respect of which the estimate shall have been furnished; and in every such case the estimate as so revised and varied shall be deemed to be an estimate furnished by the Coalowner concerned for the purposes of this sub-Clause.

The balance of Monthly Standard Tonnage remaining after deduction of the Coking Standard Tonnage shall be deemed to be the General Standard Tonnage for the month of fixation of the coal mine or undertaking concerned for all purposes of the Scheme.

This sub-Clause shall apply in respect of every coal mine or undertaking from which coking coal is produced and every such

coal mine or undertaking shall be deemed to have two standard tonnages, one a General Standard Tonnage and the other a Coking Standard Tonnage as determined under this sub-Clause (9). Any coal mine or undertaking not entitled to a Coking Standard Tonnage shall be deemed to have only an Annual Standard Tonnage and a Monthly Standard Tonnage determined under sub-Clause (8) of this Clause or a monthly Standard Tonnage determined under sub-Clause (10) (b) of this Clause, unless the Committee shall at any time fix standard tonnages in respect of any other class of coal.

3. Sub-Clause (a) of Clause 18 of the Scheme shall be deleted and the following new sub-Clause (a) shall be substituted therefor:—

Penalties for over-production.

18.—(a) If any Coalowner shall raise a tonnage of coal in any month in excess of his Monthly Permitted Output or, when quota tonnages have been fixed in respect of any class of coal, shall raise a tonnage of coal in any month in excess of the quota tonnage of that class of coal (after allowing for any quota tonnage of that class of coal carried forward under the provisions of sub-Clause (h) of Clause 16, or acquired by pooling or by purchase from the Tonnage Pool under the provisions of sub-Clauses (j) and (k) respectively of Clause 16) he shall pay on demand to the Trustees by way of penalty a sum equal to three shillings for every ton of excess unless the Executive Board determine that such excess has not endangered delayed or hindered the purposes or objects of the Scheme or the interests of any Coalowner in the District. Provided that if any such excess is not more than one per centum above Monthly Permitted Output or the quota tonnage of the particular class of coal (after making the allowances hereinbefore specified) no such penalty shall be payable.
