2. Where a whole-time male worker is employed by the week or any longer period and the hours of work agreed between the worker and the employer in any week (excluding hours of overtime employment) are less than the full number of hours mentioned above in the case of that worker in respect of that week the rate of wages applicable to that worker shall be such as to secure to that worker the wages which would have been payable if the agreed hours had been the full number of hours mentioned above in the case of that worker in respect of that week.

3. For the purpose of the above rates employment in summer shall be deemed to be employment during the period commencing on the first Monday in March and terminating on the last Sunday in October, and employment in winter shall be deemed to be employment during the remainder of the year.

4. The wages payable for the employment of female workers, irrespective of age, shall be not less than wages at the rate of 4½d. per hour.

5. For the purpose of all the above rates, the hours of work shall not include meal times, but shall include any time during which by reason of weather conditions, an employer has prevented from working a worker who was present at the place of employment and ready to work.

6. The differential rates of wages for overtime employment of male workers shall be not less than the following minimum rates :—

(a) In the case of workers employed wholly or mainly as Head Carters, Head Shepherds, Head Stockmen, Under Carters, Under Shepherds or Under Stockmen :—

(i) For employment in excess of 3 hours on Sundays, Boxing Day and Good Friday.
