THE FOREIGN MARRIAGE ACT, 1892.

Notice is hereby given, in accordance with the provisions of the Rules Publication Act, 1893, that after the expiration of forty days from the date hereof, it is proposed to submit to His Majesty in Council the draft of an Order in Council under the above mentioned Act entitled "The Foreign Marriages (Amendment) Order in Council, 1933."

And notice is hereby further given, that copies of the proposed draft Order in Council can be obtained by any public body within forty days of the date of this notice at the Privy Council Office, Whitehall.

Whitehall, July 14, 1933.

The following Address was presented to The KING on the occasion of the opening by His Majesty of the Freemasons' Hospital at Ravenscourt Park, Hammersmith, on the 12th July, 1933.

PRESIDENT OF THE FREEMASONS' HOSPITAL (FIELD-MARSHAL H.R.H. THE DUKE OF CONNAUGHT AND STRATHEARN, K.G.).

MAY IT PLEASE YOUR MAJESTY,

On behalf of English Freemasons under the United Grand Lodge of England, scattered

over all the world, and of many thousands of our subscribers, I, as President of this Hospital tender to Your Majesty, who has taken so much interest in our benevolent activities, loyal and grateful thanks for honouring us with your presence with that of Her Majesty The Queen, on this, which is to us, a very memorable occasion.

Of the tenets of our Order, none stands out more clearly than the duty to relieve the distressed and suffering, and no pains have been spared to make this Hospital complete in every particular.

We all know the great interest in Hospital work that is ever shown by Your Majesties. The late King Edward, who for so many years presided over our Order, by founding the King Edward Hospital Fund largely helped to preserve the efficiency of our Voluntary Hospitals and we feel sure that in this latest Building Your Majesty will find how that great voluntary effort has progressed.

This Hospital takes the place of a smaller one found to be quite inadequate to the calls upon its services, and we desire to be able more fully to meet the needs of the Brethren of moderate means, their wives and children, who become the victims of sickness.

Your Majesty has no more loyal subjects than the Members of our Order, and we thank Your Majesty and Her Majesty The Queen for the sympathetic interest you have shown in our undertaking. It will ever be a great encouragement to us in our work and, as President, I
