Abdus Samad Abdul Wahid Golandaz, Land-  
lord, Property-owner and Sand Contractor,  
Bombay. Mr. Golandaz owns a fleet of boats  
and trained boatmen which he places at the  
disposal of the authorities whenever Surat,  
Rander or the surrounding districts are  
threatened by floods, and on frequent occa-  
sions he has risked his own life in leading  
his men to works of rescue. He has shown  
conspicuous personal bravery on several  
occasions. In particular on the 16th of  
September, 1933, when the Tapti River had  
swollen to such proportions that one of the  
sluices in the city wall had been damaged  
and water was pouring in through it,  
threatening to flood the city, he volunteered  
to dive into the flooded river and ascertain  
the nature and extent of the damage. He  
accomplished this brave feat successfully and  
blocked the sluice with sandbags at con-  
siderable risk to his own life. In 1930 he  
had also performed an act of conspicuous  
bravery in rescuing the boys of the Govern-  
ment High School and the family of the  
Excise Inspector, whose bungalows had been  
cut off by the floods.
