

*Statutes 8 to 14 inclusive to read as follows:*

*8. Of the Fellows*

(1) There shall be in the College five Classes of Fellowships:

- Class A. Research Fellowships.
- Class B. Official Fellowships.
- Class C. Professorial Fellowships.
- Class D. Life Fellowships.
- Class E. Supernumerary Fellowships.

(2) Fellowships in Classes A and B shall be stipendiary—that is, Fellows in these Classes shall receive a dividend as hereafter set forth in these Statutes.

(3) Fellowships in Classes C, D and E shall be non-stipendiary—that is, Fellows in these Classes shall not receive a dividend but only such allowances as are enjoyed by Fellows in Classes A and B.

(4) The number of Stipendiary Fellowships shall be ten at the least, and two such Fellowships shall be called the Fellowships on the foundation of Dr. Coles. A Fellowship held under former Statutes shall count as a Stipendiary Fellowship.

(5) The Master shall inform the Vice-Chancellor whenever the number of Fellows holding Reserved Fellowships as defined by the Statutes of the University falls below the number required by those Statutes and whenever the deficiency in the said number is increased, diminished or extinguished.

(6) If at any time it shall appear to the Council that the revenues of the College permit, they may, subject to the approval of the Governing Body, increase the number of Stipendiary Fellowships. The Council may, as vacancies occur, suppress Stipendiary Fellowships, but not so as to reduce the number of such Fellowships below the minimum number prescribed in these Statutes.

When the number of Stipendiary Fellows is ten or more, no election to a Stipendiary Fellowship shall be made unless in the opinion of the Finance Committee a modulus of at least £33 6s. 8d. can be maintained.

(7) A Fellowship shall not be tenable with the Headship, or a Scholarship, or a Studentship at this College; and no Fellow (other than an Honorary Fellow) shall hold a Fellowship with a Headship, or a Fellowship (other than an Honorary Fellowship) at any other College in this or other University. No Fellow shall hold a Fellowship in more than one Class at the same time.

*9. Of the Election and Admission of Fellows.*

(1) The election of Fellows shall be vested in the Governing Body.

(2) In the election of Fellows preference shall be given to those whom the Electors believe to be of good moral character and best fitted to be Fellows of the College as a place of education, religion, learning and research.

(3) The election to Fellowships shall be held on such day or days as shall in each case be determined by the Council. The Master shall send notice in writing to each member of the Governing Body at least fourteen days before the day fixed for any election.

(4) If a majority of the Governing Body be not present at a meeting so summoned, the election shall not be proceeded with.

(5) No person shall be deemed to have been elected to a Fellowship who shall not have

received a majority of the votes of those present, or a moiety including the Master's vote.

It shall be declared at the time of the election whether the Fellow has been elected into a Fellowship in Class A, Class B, Class C or Class E.

(6) Each Fellow shall on his admission make and subscribe the following declaration: "I will, as far as in me lies, promote the honour and usefulness of the College, observe its Statutes and Orders and its reasonable and approved customs, be obedient to the Master in the exercise of his statutable powers, and to the best of my judgment and ability discharge the business of the College which may be entrusted to me."

(7) A Fellow elect shall not be entitled to any of the privileges of a Fellow until his admission; but upon admission he shall become entitled, if a Stipendiary Fellow, to receive the dividend of his Fellowship as from the day of his election. Seniority among the Fellows who have been admitted shall normally be determined by the order in which they were elected; the Governing Body may, however, grant to a Fellow, after his election, a definite number of years of seniority.

(8) If a Fellow elect be not admitted to his Fellowship within six calendar months from the date of his election, the Council shall, unless a sufficient reason be assigned for the postponement of his admission, declare the Fellowship vacant.

(9) There shall be no admission of Fellows on re-election or transference to another Class, but an ex-Fellow, on election to a Fellowship, shall be admitted as at a first election.

(10) Fellows who are Graduates of the University of Oxford or of the University of Dublin (Trinity College) shall take all necessary steps for incorporation into the University of Cambridge with all convenient speed, and Fellows who are Graduates of the University of Cambridge and are not Members of the Senate shall proceed to such degrees as shall entitle them to become Members of the Senate as soon as they are qualified to take such degrees. Fellows not proceeding to their degrees in due course shall, unless prevented from so doing by some cause to be approved by the Council, forfeit all the emoluments of their Fellowships until they shall have complied with this regulation.

*10. Of Fellows in Class A.*

A Fellow in this Class shall hold his Fellowship in the first instance for three years from the time of his election. He shall pursue a course of study or research in Cambridge or in such other place or places as may be approved by the Council, and shall at the end of the second year of his tenure at latest make a report of his work to the Governing Body. He shall also fulfil any reasonable conditions which may be imposed by the Governing Body at his election. Such a Fellow may, by a vote in which not less than two-thirds of those present and voting concur, be re-elected for a further period or periods at a meeting of the Governing Body held not more than six months before the expiration of his tenure. The total tenure of a Fellowship in this Class shall not exceed six years in all.
