They must also take either subject 11 General Economics or subject 3 Elementary Economics, but they may not take both.

10. A candidate desiring to offer subject 24 or any of the subjects 31 to 43 must produce evidence satisfactory to the Commissioners of laboratory training in an institution of university rank. For Astronomy (29), Geography (44), the Physical Anthropology branch of Special Anthropology (46) and Agriculture (47), other equivalent training will be required. There will be no laboratory test as a part of the examination.

11. From the marks assigned to candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

12. Moreover, if a candidate's handwriting is not easily legible, a further deduction will, on that account, be made from the total marks otherwise accruing to him.

13. Application for permission to attend one of these examinations must be made in the writing of the candidate, at such times and in such manner as may be fixed by the Commissioners.

14. A fee of £2 will be required from every applicant for permission to attend an examination; this fee is not returnable in any circumstances. A further fee of £6, being the balance of the prescribed fee of £8, will be required from every candidate attending such examination.
