Civil Service Commission, February 1, 1935.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury viz. :—

REGULATIONS FOR THE APPOINTMENT OF PROFESSIONAL LEGAL CLERKS IN GOVERNMENT DEPARTMENTS IN ENGLAND AND WALES.

These Regulations are liable to alteration from time to time.

1. The authorities of a Department having vacancies to fill will take such steps as they think most appropriate by public advertisement in the Press or otherwise to make known the existence of the vacancies, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity. The advertisement will fix the last day on which applications can be received, and the date by which the age-limits will be reckoned. The authorities of the Department having the vacancies will send a notice of them to the authorities of other Departments having professional legal staff.

2. Application will be addressed to the Department in question on the appropriate form. After the last day for application has been reached the authorities of the Department will scrutinise all the applications received and recommend to the Commissioners such candidates as appear to them best qualified for the duties. They will at the same time forward to the Civil Service Commissioners the application forms of the candidates recommended,

together with the application forms of any candidates not recommended who are employed in a Government Department; and the list of candidates to be interviewed by the Selection Board will then be settled by agreement between the Department and the Civil Service Commissioners who may, if dissatisfied with the candidates recommended, take such steps in consultation with the Department as they may think fit to obtain other candidates.

3. Candidates recommended by the Department and accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will select for the vacancies existing those candidates who appear to them to possess the qualifications most suited to the post to be filled. In assigning candidates to fill vacancies the Selection Board will have regard to the requirements of the Department having a vacancy. The Selection Board will usually comprise representatives of the Civil Service Commission, the Department and the Lord Chancellor.

Until further notice, and other things being equal, preference will be given by the Selection Board to candidates who are debarred from more active employment by a physical impairment due to the War and not of a nature to interfere with the discharge of the duties of the post. Other things being equal and subject to this preference, preference will also be given to candidates who have served in His Majesty's Forces between 4th August, 1914, and 11th November, 1918, and among these preference will be given to such as have served or are serving in a Government Department over candidates without such service.

4. Candidates must be under the age of 35 years on a date to be fixed in respect of the competition in which they are to take part. Such age limit may, however, be extended in favour of a candidate who has served in His Majesty's Forces between the 4th August, 1914, and the 11th November, 1918, and is or has been employed in a Government Department.

5. Candidates must be barristers or admitted solicitors, and a Department may invite applications from either or both of these classes.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department in which she is serving.

6. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made:—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

7. The appointment of selected candidates will be subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Department.

8. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work.

9. Candidates selected for appointment will be required to pay a fee of £8.

*Civil Service Commission,
February 1, 1935.*

The Civil Service Commissioners hereby give notice of a competition to be held for the recruitment of Probationary Assistant Engineers (Male) in the Engineering Department of the Post Office under the Regulations dated the 10th February, 1933, and published in the London Gazette of the same date.

The number of appointments to be made on the result of this competition will be not less than 7, provided so many candidates are recommended by the Selection Board as fully qualified.

No person will be considered from whom the Secretary of the Civil Service Commission has not received, on or before the 7th March, 1935, an application in the Candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

The date on which the Selection Board will meet (probably about the end of April, 1935) will depend upon the number of applications received.

*Civil Service Commission,
February 1, 1935.*

The Civil Service Commissioners hereby give notice that an Open Competitive Examination for the situation of Assistant Examiner in the Patent Office, Department of the Board of Trade, will be held in London, commencing on the 16th July, 1935, under the Regulations dated the 17th January, 1933, and published in the London Gazette of the same date.

Not fewer than 4 candidates will be appointed on the result of this Examination,

if so many should be found to be duly qualified.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 30th May, 1935, an application, in the candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

*India Office, S.W.1,
26th January, 1935.*

The KING has been pleased to appoint Mr. Archibald John King, Indian Civil Service, to the Office of Judge of the High Court of Judicature at Madras in the place of Sir Gilbert Hollinshead Blomfield Jackson, Kt., Indian Civil Service, who has retired.

ROAD TRAFFIC ACT, 1930.

SECTION 19 (AS AMENDED).

Notice is hereby given that the Minister of Transport has received an application from the Associates' Committee of the British Road Federation, being an organisation representative of employers in a section of the road transport industry concerned with the conveyance of goods by road, which the Minister of Labour has certified to be a proper body to make such an application, for a variation of the periods of time laid down in Section 19 of the Road Traffic Act, 1930, as amended by Section 31 of the Road and Rail Traffic Act, 1933, for the employment of drivers of road vehicles of certain types.

As provided in Sub-section (3) of Section 19 of the Road Traffic Act, 1930, as amended, the Minister has referred the matter to the Industrial Court for advice. The Court has fixed Monday, 11th February, 1935, at 10.30 a.m., at No. 5, Old Palace Yard, Westminster, S.W.1, as the time and place for hearing parties to the application.

Copies of the proposals contained in the application can be obtained from the Secretary of the Industrial Court at the address given above, and any person representing organisations of employers or work people in the industry who may desire to make representations to the Court in the matter, should submit such representations to the Secretary of the Industrial Court in writing.

LAND DRAINAGE ACT, 1930.

RIVER OUSE (YORKS) CATCHMENT BOARD.

Dearne and Dove Internal Drainage District.

Notice is hereby given that the Minister of Agriculture and Fisheries has made an Order under the Land Drainage Act, 1930, confirming

the Order made on the 20th December, 1934, in relation to the Scheme prepared by the River Ouse (Yorks) Catchment Board, under Section 4 (1) (b) of the Act, making provision for the constitution of the Dearne and Dove Internal Drainage District.

A copy of the Order may be seen at all reasonable hours at the offices of the Clerk of the Catchment Board, F. M. Farmer, Esquire, Central Bank Chambers, Infirmary Street, Leeds, 1, and also at the Offices of the Ministry of Agriculture and Fisheries, 10, Whitehall Place, London, S.W.1.

By Part III of the Second Schedule to the said Act, it is provided that if any person aggrieved by an Order desires to question its validity on the ground that it is not within the powers of the Act or that any requirement of the Act has not been complied with, he may, within six weeks after the publication of this notice make an application for the purpose to the High Court and if any such application is duly made, the Court, if satisfied that the Order is not within the powers of the Act or that the interests of the applicant have been substantially prejudiced by any requirements of the Act not having been complied with, may quash the Order either generally or in so far as it affects the applicant.

MILK ACT, 1934.

Notice is hereby given that the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting jointly, have certified the cheese-milk price for the month of February, 1935, as required by Sub-section 2 of Section 4 of the Milk Act, 1934, in the following terms:—

Certification of Cheese-Milk Price.

Whereas by Sub-section (1) of Section 4 of the Milk Act, 1934 (hereinafter referred to as "the Act") it is provided that for the purposes of the Act the cheese-milk price for any month shall be the excess over one penny three farthings of the average of the prices per pound at which cheese such as is commonly known at the commencement of the Act as "New Zealand Finest White" and "Canadian Finest White" was sold wholesale in Great Britain during the immediately preceding month;

And whereas by Sub-section (2) of the said Section the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, are required to certify as soon as may be after the beginning of September, 1934, and of each subsequent month falling before April, 1938, the cheese-milk price for that month;

Now therefore the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, hereby certify

that the cheese-milk price for the month of February, 1935, is 4.23 pence per pound.

The method by which the cheese-milk price for the month as certified above has been computed is as follows:—

(i) The range of price quotations in respect of sales by wholesale of "New Zealand Finest White" cheese and of "Canadian Finest White" cheese, as published by the London Provision Exchange, Ltd., for each of the periods ended at 11.30 a.m. on each of the Fridays in the preceding month, has been examined.

(ii) The average of the mean prices for the two kinds of cheese has been ascertained for each of the said periods, exceptional quotations being disregarded. The average of the periodic averages so ascertained has then been calculated to two places of decimals and expressed in pence per pound.

(iii) From the figure thus obtained one penny three farthings has been subtracted and the balance gives the figure certified above.
