*Civil Service Commission,
May 15, 1936.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS GOVERNING THE APPOINTMENT OF SECOND CLASS VALUERS IN THE VALUATION OFFICE OF THE INLAND REVENUE DEPARTMENT.

N.B.—Competitions under these Regulations are open both to men and women. The Regulations are liable to alteration from time to time.

1. The Civil Service Commissioners will satisfy themselves that the steps taken by the Department, by public advertisement in the Press or otherwise, to make known the existence of vacancies have been such as to secure all desirable publicity. The advertisement will fix the last day on which applications can be received and the date by which the age limits will be reckoned.

2. Applications will be addressed to the Department on the appropriate form. After the last day for application has been reached, the authorities of the Department will scrutinise all the applications received and recommend to the Commissioners such candidates as appear to them to be best qualified for the duties. They will at the same time forward to the Civil Service Commissioners the application forms of the candidates recommended,

together with the forms of any candidates not recommended who are employed in a Government Department; and the list of candidates to be interviewed by the Selection Board will then be settled by agreement between the Department and the Civil Service Commissioners, who may, if dissatisfied with the candidates recommended, take such steps in consultation with the Department as they think fit to obtain other candidates.

3. Candidates recommended by the Department and accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will select for the vacancies existing those candidates who appear to them to possess the qualifications most suited to the posts to be filled. The Selection Board will usually comprise representatives of the Civil Service Commission, the Department and a nominee of the Surveyors' Institution.

Other things being equal, preference will be given to candidates who served in His Majesty's Forces between 4th August, 1914, and 11th November, 1918.

4. Candidates must have attained the age of 35 and except in the case of persons holding established situations in the Civil Service must not have attained the age of 40 on a date to be fixed in respect of the competition in which they are to take part. Candidates who have served or are serving in the Navy, Army, or Air Force may deduct from their actual age any time during which they have so served.

5. Candidates must have passed the Final Examination of the Chartered Surveyors' Institution, or the corresponding examination of the Auctioneers' and Estate Agents' Institute or of the Land Agents' Society or of the Faculty of Surveyors of Scotland, or hold a University Degree (*e.g.*, B.A. (Estate Management) Cambridge, or B.Sc. (Estate Management) London) which gives exemption from the examinations of any one of these bodies. They must have had practical experience in the compulsory acquisition of property in :—

(a) The Office of a F.S.I., F.A.I., F.L.A.S., or member of the Faculty of Surveyors of Scotland in professional practice, or in Government or Municipal Service; or

(b) The Office of any other Surveyor, Estate Agent or Land Agent which in the opinion of the Civil Service Commissioners and the Department gives an adequate experience.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department.

6. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made :—

(a) In the case of candidates serving in a civil situation to which they were admitted
